July 2019

“You faithfully answer our prayers with awesome deeds, O God our savior. You are the hope of everyone on earth, even those who sail on distant seas.” Psalm 65:5 NLT

Together we petition the “Hope of everyone on earth” as we pray for the military and the ministry of Cadence International.

Before Cadence staff are released to field service, they spend months on Ministry Partnership Development (MPD). This July we will be specifically praying for staff on MPD, including new missionaries and those on Home Assignment (HA) who have served before and are raising support for their next assignment. We will also pray for places where chaplains and military communities are requesting Cadence staff and where Cadence desires to start or strengthen ministries.

Let us pray and then watch for His “awesome deeds.” Thank you for your faithful partnership.

Week of July 1

Ministry Partnership Development

☐ Pray for new missionaries, Joe and Caitlin Fletcher, hoping to be released to the field this summer to start a new ministry at Oceana NAS, Virginia.

Home Assignment

☐ Darrow and Vicki Frazier plan to return to the Hansen Christian Center in Okinawa this month where they will continue ministry to marines.

☐ Steven and Rachel Harvell, Cadence Student Ministry, hope to be back on the field in Okinawa in August. Pray for their remaining support to come in and for all the final details of wrapping up their time in the States.

Limited-Term

☐ Daniel and Meghan Watt are Limited-Term missionaries currently serving at Victory Ranch. Pray for provision from God so that they might be able to remain in that ministry through December.

Workers Needed

☐ Praise for God’s recent provision of Eric and Janet Thimell to lead Victory Ranch in 2020. This ministry includes care of a large facility and acreage as well as weekend retreats and chapel involvement.

☐ Pray for Student and Children’s workers for the following places: Osan, Korea; Yokosuka, Japan; Yokota, Japan; Spangdahlem, Germany.

Week of July 7

Ministry Partnership Development

☐ Jason and Autumn Hall are new missionaries working towards getting to the field this fall. Jason has recently suffered health difficulties. Pray for healing and God’s mercy over all.

☐ Anthony and Mackenzie Wilson are Cadence Alumni and new missionaries. Pray they are fully funded in time for a December 1 release to Vicenza, Italy.

Home Assignment

☐ Jay and Jerri Kayll, who recently pioneered Cadence Alumni, are moving to Colorado Springs for military ministry at Peterson AFB and regional alumni leadership. Pray as they pack and sell their house, move, and discover the remaining 20% of their support.

Workers Needed

☐ Cadence staff have been requested at Buckley AFB in Colorado. As with any military community, we do not know how long the opportunity will be available. Ask God for partners in ministry for these chaplains.

☐ Pray for God’s provision of a second staff couple to join the ministry to JBER in Alaska.
