*Praises & Requests, September 2019*

## **Week of September 1**

### ❑ **Lorene Glynn, Air Force Academy, CO.**

The evening of September 2 is when the cadets and prep students must return to their dorms from their long Labor Day weekend/Parents' weekend, August 29 - September 2. Over the weekend, families visited their sons and daughters and attended some of the cadet classes or prep school classes. Thank the Lord for these days of encouragement for the students. I met and visited with parents when they arrived on Thursday. I praise our Lord for these opportunities. Also, during the past five years, several of my supporters have gone on to heaven. It's my prayer that God will raise up more financial supporters for the ministry at USAFA. Thanks.

### ❑ **Tim and Bobbi Bettger, Ft. Benning, AL.**

Pray for us as September kicks off a very busy fall ministry season. Tuesday nights: Reboot Recovery course; Wednesday nights: Couples Bible study at the main post chapel; Thursday mornings: PWOC; Friday nights: Dinner and study at the hospitality house. We will continue this schedule through Thanksgiving. Pray for strength, wisdom, and health for us. Pray also for God's truth to be proclaimed and received in all who participate.

❑ **Kevin and Sharon Scheible, Student Ministries, Spain.** Please pray for our students' efforts to start the first ever student-led Christian club during lunch at Rota High School. On September 3, they will present the request to the principal. Please pray that the school administration will be helpful and supportive. Please also pray that our son, Ethan, and Rick and Paula Scott's daughter, Emma, will be allowed to participate and help lead this club even though they are not students at Rota HS.

## **Week of September 8**

❑ **Char Hauser, Marine Corps Base Hawaii, Kaneohe Bay.** Hives!!! Yes, hives. Please pray that my body will not experience another outbreak of hives. When your whole body is being attacked it affects ministry. Also, the WestPac Staff Conference is September 9-13 and I will be traveling to attend (prayerfully, hive free).

❑ **Matt and Bethany Mowad, Foreign Armed Forces Ministry, Thailand.** Pray for our upcoming Cambodian Christian military and police national conference September 27-28. We will be bringing together military, police, pastors, and missionaries for two days of lectures, worship, and fellowship. Pray invitees can attend and local pastors will support the conference.

❑ **David and Joyce Schroeder, Headquarters, CO.** David's annual solo Pray and Plan is this week. Ask God with us for wisdom and direction as he prepares for the Cadence Leadership Summit coming in October as well as the many other aspects of leading Cadence in the year ahead.

## **Week of September 15**

❑ **Dick and MaryEtta Reynolds, Ft. Carson, CO.** Pray for MaryEtta and her brother, Art, as he has been diagnosed with stage IV bone cancer. Many decisions must be made.

❑ **Lou and Cathy Rozmiarek, Luke AFB AZ.** As of September 18, we will have been in Arizona for a month. We are excited to serve the Air Force community at Luke AFB. Please pray that we will settle into a good rhythm of ministry and we will connect well with the people that come through the doors of The Well Hospitality House. Please pray for The Well directors, Peter and Tanya Kinney, as they are on home assignment. Pray that they will find a balance of rest, time with family and friends, and that the Lord will provide the extra financial support they need to return to ministry.

❑ **Dan and Becke Haas, Fort Drum, NY.**

School has started and I (Dan) will be helping in one of the local off-base schools.

❑ **Ralph and Betty Camp, Ambassador, NV.**

Our son, Daniel, had quintuple bypass surgery on August 14. Please pray for a continued uneventful recovery. Thank you.

## **Week of September 22**

❑ **Kevin and Sharon Scheible, Student Ministries, Spain.** Please pray for the Chapel Youth Ministry “Unique” Retreat September 27-29. We are helping the contracted youth worker with all aspects of this retreat. Please pray that students will meet and trust Jesus for the first time. Please pray that believing students will be encouraged in their faith. We also praise God for moving in our students while at the Euroventure Camp this summer.

❑ **Lou and Linda Harrison, Ambassador, CO.**

Please thank God with us that my book, *Tending the Warrior Soul*, is now serving first responders

here throughout Lakewood, CO thanks to Christian Brothers Automotive placing it on tables in their waiting room

## **Week of September 29**

❑ **Larry and Linda Ingalls, Ft. Riley, KS.**

We are enjoying the regrowth of our singles fellowship at the Rivendell House. Please ask the Lord to introduce us to more single soldiers, and for the community to mature in their trust and practical support of one another.

❑ **Lorene Glynn, Air Force Academy, CO.**

My how I rejoice for the new class of prep students; they have been with us for seven good weeks. The next four weeks will be extra busy for the students. Pray that they will be faithful to the Lord and find much encouragement in God’s Word in the coming weeks. I am thrilled for the opportunities to be with them each week. Pray that God will use me to encourage them in their walk with the Lord. Thanks so much.

“Fear not, for I have redeemed you; I have called you by name, you are mine.

When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. For I am the Lord your God, the Holy One of Israel, your Savior.”

Isaiah 43:1b-3a
