

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

JOHN 1:14

CHRISTMAS 2020

SERVING WITH CADENCE INTERNATIONAL

Dear friends,

I have been rejoicing in the verse in the header through the past month. Recently, David and I took a two-week trip to Ohio to speak in churches and share with some of our support team. Toward the end of the trip, we found out that we had both contracted COVID-19 from an unknown source and needed to stay put until our symptoms were gone.

In the end, I developed pneumonia and my dad also became incredibly sick. The weeks it took for me to get my strength back were a blessing from God, as we could sense the Holy Spirit walking with us and comforting us every step of the way. As my dad was alone in the COVID-19 ward of the hospital, he could sense the prayers of the church interceding for him and comforting him in so many ways. The Lord even provided a nurse from his church to tend to him. He is now recovering in a nursing home in Pandora, and my mom is able to be with him there.

The Word became flesh and made His dwelling among us! He has proven this truth over and over again. Having COVID-19 allowed me precious time with the Lord and made walking through the trial of sickness worth it all. I now feel so refreshed and am already working on new ideas for ministry throughout the remainder of the pandemic.

Pray with us as we seek out ways to be a light in this community. We hope to put together care packages filled with

goodies needed to survive in European culture (for example, outlet adapters, shopping crates, local treats, recycle bags, and parking discs with our contact info on them). We also hope to build our website and fill it with practical resources to help people adjust to life in Europe. The website will also

Dwight and Letty together again

Connecting with Lifelong Teammates

include a spiritual section with resources for finding local chapels, Christian discipleship helps, and ways to keep growing in the faith.

COVID-19 has hurt the outreach of the church in so many ways, but God continues to call us to be salt and light in this community. We feel like God has truly been Immanuel as He is leading us into new ministry areas that we had never considered before. Thanks for partnering with us and helping bring the light of Christ to a vital but hurting community!

Gratefully,
Dwight and Letty

Dwight together again with his dad and brothers
