PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2020

PRAISES

□ Sharyn Holl, Ft. Hood, TX

I'm praising God that four new women have begun attending my Bible studies. One soldier has come back to God and is reading John. She is so excited at everything God is showing her in His Word.

We also praise God for a successful outreach event on Fort Hood which included a prayer walk around the barracks, many games, a BBQ lunch, worship and devotional time, an outdoor movie, and lots of one-on-one conversations with soldiers. At least three have now joined our Bible studies and regular events.

□ Lou and Cathy Rozmiarek, Headquarters, CO

Thank you for praying for our virtual candidacy. We are grateful that it went well. We are delighted to have four new missionary units joining Cadence. Pray for Scott & Rebecca Crawford and Jeff & Candace Walton, who have joined Cadence Adult Ministries (CAM), and Jarrett & Dani Thoren and Savanna Wittenburg, who have joined Cadence Student Ministries (CSM).

□ Wes and Elaine Auldridge, RAFs Lakenheath and Mildenhall, England

Praise God that we have landed and settled in England. We were not sure it was ever going to truly happen, but God provides all things. For those who know us, you know this has been a dream of ours since we first started dating (in this very house in which we are now living) back in 2006.

□ Joe and Jill Vincent, Spangdahlem Air Base, Germany

Praise for a generous one-time gift from one of our partners – joyful blessings!

Also praise God that Jill was able to travel to the U.S. and back without any problems. She helped her mother, who has had heart problems, move from their family home of 52 years to a two-bedroom condo. Jill was given a COVID-19 test at the Frankfurt airport which thankfully came back negative.

WEEK OF NOVEMBER 1

□ Peter and Tanya Kinney, Luke AFB, AZ

Praise and prayer for continued health as we engage in hospitality house ministry with our beloved military family. Pray for good fruit from our Tuesday ministry nights. Our meals are served in the kitchen, then eaten spread out in the house or backyard. Our current study of Ephesians takes place outside on the back patio.

In addition to our normal ministry schedule, I will also be officiating two weddings for young couples in our ministry: one in Colorado Springs on November 7 and another in Sedona, AZ on November 14. Thanksgiving Day is always a significant time for hospitality house ministry. We are grateful for your prayers during this holiday season.

□ Chris and Melissa Stephenson, Wiesbaden, Germany

Praise God for our Summit Haus launch on October 2! This is our larger location in which we minister to single Soldiers and young adults. Please pray we are able to continue meeting in larger groups here on Fridays and that our ministry impacts our community for the Great Commission! Also be in prayer for the European Women's Retreat being held at the end of the month—for connection, sharpening, and growth so that we can return to our ministries poured into and encouraged!

□ Sharyn Holl, Ft. Hood, TX

November 1 is our annual Soldiers Hospitality House Reformation Event with a homemade German dinner and teaching on the Five Solas of Faith. Pray for soldiers to understand and embrace grace alone through faith alone in Christ alone on the basis of the Scriptures alone for God's glory alone!

WEEK OF NOVEMBER 8

□ Daniel and Becke Haas, Fort Drum, NY

Please pray for our daughter who is recovering from bone graft surgery. She was born with a cleft pallet and this was one of her final surgeries. Please also pray for wisdom as I help lead the Gospel congregation as one of their pastors.

WEEK OF NOVEMBER 8 CONTINUED

❑ **Wes and Elaine Auldridge, RAFs Lakenheath and Mildenhall, England**

Please pray for our kids as they get used to another transition and settle in to their new lives in England. Please also pray for our ministry and the Airmen here. We serve Him for His glory, not ours.

❑ **Sharyn Holl, Ft. Hood, TX**

After the completion of my Rabbi Jeshua study as a private Facebook group during COVID-19, I am launching a Facebook group to share my new study of cultural insights from Genesis. This has been a great way for those I formerly disciplined, who are now scattered around the world, to continue to participate. Please pray I'll be able to communicate effectively through this medium.

WEEK OF NOVEMBER 15

❑ **Ralph and Betty Camp, Camp Reno, NV**

Ralph has recently been diagnosed with a chronic sinus condition. Please pray for him as he undergoes two to three rounds of antibiotics, steroids, and other medications. This has possibly been active for a long time. After this has been cleared, he may need surgery.

❑ **Rick and Paula Scott, Naval Station Rota, Spain**

Pray for new sailors and airmen as they move to Rota. With COVID-19 restrictions, it is much more difficult to get connected in community. For instance, one mom of three small children whose husband is already at sea moved here two months ago. Every week at a small group Bible study she says she is thankful to get to talk with other adults.

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Pray for our ministry house as we continue to minister outside in the cooler weather with a limit of 75 people. God is good—we are blessed and desire to bless others as we all glorify God with our lives.

WEEK OF NOVEMBER 22

❑ **Brian and Aimee Kleager, Europe Field Leader, Germany**

Please be praying for Cadence Thanksgiving celebrations around the globe. Thanksgiving is a holiday in which our ministries get to display wonderful aspects of “family” and hospitality. This will be more difficult this year due to the pandemic. Pray that our missionaries will be creative in their approach, that God provides unique opportunities, and that He protects our homes from COVID-19.

❑ **Kevin and Sharon Scheible, Naval Station Rota, Spain**

Please pray for our student leadership training weekend November 20-21. We'll discuss servant leadership, gifting, and God's heart for unbelievers.

❑ **Lorene Glynn, Air Force Academy, CO**

Pray for the cadets and teachers during the week of Thanksgiving, as they navigate changes this year. Pray for the students who are still finding it difficult to be far away from their parents, especially during the holidays. Pray that these students will seek the LORD's help during these times that are difficult for them. Pray for the others who are still learning to walk closely with the Lord.

“Psalm 51:12”

RESTORE TO ME THE JOY OF YOUR SALVATION, AND UPHOLD ME WITH A WILLING SPIRIT.
