PRAYING FOR MINISTRY TO THE MILITARY

DECEMBER 2020

## PRAISES

### □ Daniel and Becke Haas, Ft. Drum, NY

We praise God for a successful surgery for our daughter! This month we will be gathering supplies and gifts which we will give to chaplains to pass out to soldiers in need of Jesus. Please pray many will come to know Jesus through these gifts.

### □ Sharyn Holl, Ft. Hood, TX

Thank you for praying for our annual Reformation Day dinner and study. It was a meaningful time of learning the "Five Solas" and then watching and discussing the movie *Luther*. We are also rejoicing with Ariel at her recent baptism! Many of her co-workers have commented on the change they see in her.

### Gene and Anne Poppino, Pastoral Care, WA

We are thankful for a new supporter and also a large financial gift this month! With the pandemic impacting so many financially, we are grateful for the ways God provides.

## WEEK OF NOVEMBER 29

### □ Sharyn Holl, Ft. Hood, TX

Most of our Cadence team at Ft. Hood will be taking a little time off in December to travel, rest, and visit supporters while most of our soldiers return home for the holidays. Pray for those who will remain in our community to engage soldiers who aren't able to return home.

### □ David and Joyce Schroeder, Headquarters, CO

Joyce has been asked to preach at our home church on December 6 as part of the Advent series. Please pray for God to bless His Word and His people as we look to him this Advent 2020.

### □ Nate and Louise Johnson, Travis AFB, CA

Please pray for us as we look for creative ways to care for Airmen in the dorms during this holiday season.

## WEEK OF DECEMBER 6

### □ Lorene Glynn, Air Force Academy, CO

Thank you for praying for our chapel ministry with our candidate cadets. During the month of December, these students will spend time with their families until they return to school on January 4, 2021. So far, these preppies have enjoyed good health and done well academically. We continue to trust that they will grow spiritually while they are with us during their year at the USAFA prep school.

### □ Lou and Cathy Rozmiarek, Headquarters, CO

This is the first holiday season in almost 12 years when we have not prepared a Thanksgiving meal or hosted a Christmas dinner for our troops. We will miss welcoming military personnel and their families into our home. Please pray for hospitality houses around the world that will be opening up their homes to be a place of respite and joy during this Christmas season.

### □ Frank and Ruth Ann Branham, Ft. Carson, CO

We are hoping to have some good times with soldiers who will not be going home for the holidays. Christmas can provide a bright spot as we wait on the Lord and celebrate His coming with those soldiers who may be experiencing loneliness.

## WEEK OF DECEMBER 13

### □ Brian and Aimee Kleager, Europe Field Leader, Germany

There will not be any Cadence staff at The Graf House from December 14-January 5 as we are in between Limited-Term Staff. Please pray that the local leadership team in Graf will be able to continue to help people, particularly singles, connect with one another and with the Lord.

### □ Danny and Kathryn Perez, U.S. Eastern Field Leader, NC

Pray for all our staff, that we would stay in step with the Spirit this holiday season and be bold in proclaiming Jesus' birth and death for each one He brings into our lives and homes. Specifically, pray that the lost in our lives would recognize that we have been with Him.

## WEEK OF DECEMBER 20

### ☐ **Gene and Anne Poppino, Pastoral Care, WA**

While I don't generally enjoy video conferencing, I am thankful to be able to continue to connect with missionaries without interruption. Even though our member care team has not been able to travel to the field for face-to-face contact, we've still been able to counsel, coach, and care over video. Pray that our virtual connections will bring the peace and encouragement of the Lord to our people!

### ☐ **David and Joyce Schroeder, Headquarters, CO**

Advent and Christmas celebrations will look different in our ministries this year. Pray for the Spirit's leading as we plan and then hold (and possibly adjust) those plans with open hands. Most of all, may military people and their families be drawn to Jesus the Messiah in this season.

### ☐ **Wes and Elaine Auldridge, RAF Lakenheath, England**

Please pray for us in our community as we lead our people in connecting intentionally with each other during our second lockdown phase in the UK. It has been and will continue to be difficult for many military families to be so far away from home, and now they will not have the option of traveling home, except in extreme emergencies.

### ☐ **Andrea Haddock, Victory Ranch, SC**

Please pray for the LifeCompass team as we all work to raise support, rest, and get things lined up for our 2021 class. Please also pray for the Lord to provide the right students for this next class.

## WEEK OF DECEMBER 27

### ☐ **Danny and Kathryn Perez, U.S. Eastern Field Leader, NC**

Ask God to orchestrate the purchase of the property adjacent to Victory Ranch and for retreats to begin again at Victory Ranch.

### ☐ **Joe and Jill Vincent, Spangdahlem AB, Germany**

Pray for a Hangar Hospitality House member recovering from a heart procedure. Praise for God's providence in identifying the issue before it became fatal. Pray for another Hangar member (Scott) in ICU recovering from a brain hemorrhage. He is conscious and stable but not out of the woods. Family is with him. Pray for peace and for the doctor's wisdom and skill to resolve the issue.

### ☐ **Sharyn Holl, Ft. Hood, TX**

Pray for another good turnout this year at our annual New Year's Eve "Talent/No Talent" night.

That night there were  
shepherds staying in the fields  
nearby, guarding their flocks  
of sheep. Suddenly, an angel  
of the Lord appeared among  
them, and the radiance of the  
Lord's glory surrounded them.  
They were terrified, but the  
angel reassured them. "Don't  
be afraid!" he said. "I bring  
you good news that will bring  
great joy to all people. The  
Savior—yes, the Messiah, the  
Lord—has been born today in  
Bethlehem, the city of David!  
Glory to God in the highest  
heaven, and peace on earth  
to those with whom God is  
pleased.

**LUKE 2:8-11, 14, NLT**
