Once you are appointed, you will receive a commitment letter. This sample illustrates what you will be required to sign and agree to.

---

On behalf of Cadence International and the Executive Leadership Team, I invite you to accept a Limited-Term Ministry or Support Staff position with a three-year appointment term. Before accepting, please prayerfully consider the following minimum requests:

I/We am/are willing to:

1. Accept a minimum length assignment of one-month;
2. Live on-site at all assignments;
3. Consider up to one-year assignments on the domestic and/or foreign fields;
4. Consider assignments throughout the calendar year, not only specific seasons;
5. Raise funds or self-support in assignments that can require up to several thousand dollars per month;
6. Consider more than one assignment in a calendar year; if those assignments are relatively short (one-three months each).

I/We understand that re-appointment after three years will be evaluated before another three-year appointment is offered.
