## GOSPEL TRANSFORMATION

Students will go through Gospel Transformation, a comprehensive course on the Christian life that centers on the transformation of Christians by the power of the gospel.

This course is designed to promote ongoing renewal in life, relationships, and ministry. The Gospel Transformation is one of several training tools that will encourage students as well as equip them to make disciples.

## SERVE WHILE YOU LEARN

At our home base in Columbia, South Carolina, you will have opportunities to work in local ministries, serve the military, and share with the marginalized, poor, and oppressed. You will practice evangelism, teaching, and discipleship, culminating in one month of ministry in Central America.

# What Students Can Expect

- Experience an intentional and relational discipleship investment.
- Unpack foundational doctrines of Christianity including God's character, our identity in Christ, walking in the Spirit, and applying the gospel.
- Discover and practice spiritual disciplines, such as inductive Bible study, sabbath, worship, fasting, prayer, and more.
- Live in Biblical community—learning to encourage, exhort, honor, and serve one another.
- Discover your gifts, talents, strengths and God-given personality traits, and process how you might be used for the Kingdom.
- Learn 'adulting' skills—budgeting, cooking, planning, conflict resolution, and engaging biblically with culture.
- Engage with ministry partners to experience cross-cultural and local ministry opportunities, serving the military, marginalized, and poor communities.
- Gain practical experience and tools for ministry such as teaching Bible or English; leading crafts, games, and worship; and sharing testimonies and the gospel.

*“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.”*

**MATTHEW 28:19**

## Investing in spiritual growth and impacting the kingdom

*“LifeCompass was a life-changing experience for me. It will be a life changing experience for you. There is no better time to dedicate a few months to drawing closer to God and to His heart. When I set aside my will for this short time, God revealed his will for the nations. I began to wrestle with the purpose of my life, and the sort of life that God is calling each of us to lead. LifeCompass changed my perspective. My life belongs to God and He has called me to be a life-long disciple and discipler wherever I find myself in the future.”*

—AUSTIN, FORMER STUDENT
