PRAYING FOR MINISTRY TO THE MILITARY

JANUARY 2021

## WEEK OF JANUARY 3

### □ Headquarters, CO

Please pray for all those who have lost loved ones due to COVID-19. In December, John Miller, son of Cadence founders Jesse and Nettie Miller, went to heaven due to coronavirus. A few Cadence staff have parents who have died from the virus, most recently Joy Bissonette's and Jill Vincent's mother. Perhaps you or your loved ones are grieving as well. We are praying for you.

### □ Sharyn Holl, Fort Hood, TX

My Bible studies begin again in January. Pray that our group will continue to grow in understanding the text through a Middle Eastern cultural lens. We also praise God for all the soldiers who are hungering to grow spiritually right now. Pray that God will make Himself real to them and grant understanding of His Word. Also, pray for protection for many of our regulars who will be gone for a month of training in January.

### □ Robin and Linda Windisch, Baumholder, Germany

We have many soldiers who are struggling with loneliness, grief, and depression this holiday season. Please pray that we can shine a light of hope for them here in Baumholder.

### □ Lorene Glynn, Air Force Academy, CO

Our prep students and regular cadets will thankfully return to the Air Force Academy the week of January 4. They have been greatly missed. It is my prayer that God will give us fruitful ministry in the hearts of these students. Prayer is particularly needed for those who have yet to place their faith in the Lord Jesus.

## WEEK OF JANUARY 10

### □ Daniel and Becke Haas, Fort Drum, NY

During the holidays, we distributed easy-to-read books to neighbors, students, and chaplains which share the good news of the gospel. Please pray that God will use these to draw people to Himself.

### □ Sharyn Holl, Fort Hood, TX

Many changes among the leadership structure are being implemented at Fort Hood. Pray that these will have a positive impact and address the concerns and negativity that are so prevalent amongst the military community here.

### □ Dave and Bonnie Lambert, Asia Field Leader, Japan

We appreciate your prayers as we look to finish up the three-year process of Cadence becoming recognized as a legal religious entity by the Japanese Government. Much time and energy has gone into this process and we are hoping to have the final approval in the next month or so.

### □ David and Joyce Schroeder, Headquarters, CO

We will be gathering in a world-wide all-mission Zoom meeting on January 13. Pray for the Lord's protection over all the technology as well as encouragement from His Spirit for everyone.

## WEEK OF JANUARY 17

### □ Michael Martin, Camp Humphreys, Korea

I have not been able to take soldiers to ministry outreaches as a group in almost a year now due to COVID-19. It's been very discouraging for me. Please pray for encouragement and perspective. That said, I met a couple of Pakistani Christians who are not shy about evangelism, and they invited me to join them on Saturday evenings at the local train depot as they share about Jesus. Please pray for divine appointments.

I also talked on the phone with my younger brother who I've not had access to for most of my life until he called me recently. He became a believer as an adult, and is struggling with poor health. I'm praying I will be able to see him and my sister, Lisa, who is likewise a "stranger by sight and voice" when I visit the U.S. next summer.

### □ Headquarters, CO

The 2021 conference planning team has much work to do between now and our late June world-wide gathering, if the Lord allows. Please pray for wisdom in decisions, provision for every aspect, and for God's glory over all.

## WEEK OF JANUARY 24

### □ Frank and Ruth Ann Branham, Fort Carson, CO

It became apparent near the end of November that we were in need of some rest and refreshment, which we have now scheduled for the end of January. Please pray that we will rest well and that our spiritual batteries will be recharged while we're away.

### □ Wes & Elaine Auldridge, RAF Lakenheath, UK

Please pray as we continue to transition into this new ministry in such unusual times. Pray for our outreach to single airmen as well as our family's health in ministry. We are grateful to be working in a community we have loved for such a long time.

### □ Paul and Sandra Bradley, Headquarters, ID

Please pray for Steven and Rachael Harvell as they settle into life and ministry at Travis Air Force Base. Even though this is a crazy time to begin ministry, they are excited about the possibilities for ministry on base with single Airmen.
