

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the one and only Son, who came from the Father, full of grace and truth.

CHRISTMAS 2020

SERVING WITH CADENCE INTERNATIONAL

Our family is excited as we embark on the ministry God has called us to. We desire and have a vision to see military personnel and their families come to Christ, solidify their faith, and march forth to advance the gospel in every nation. As Cadence missionaries, we desire to:

Engage the military with the good news of Jesus Christ.

Enrich their lives with the gospel, teaching them its impact upon our lives.

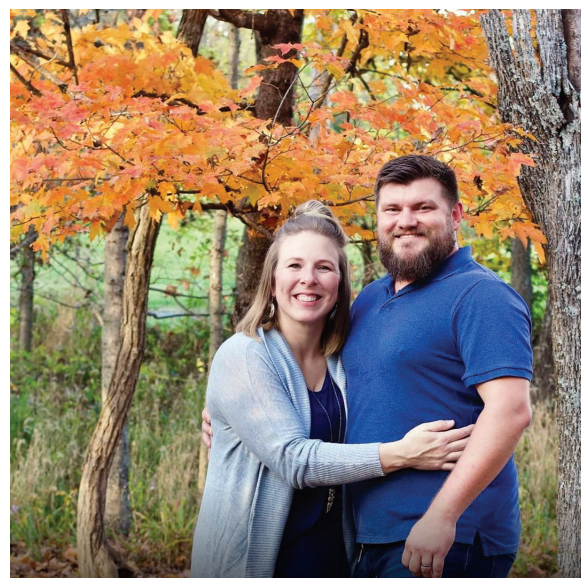

Encourage and disciple the military community to grow in their knowledge and faith in our Lord.

Equip them to be faithful disciples who disciple others.

The seminary we attend has a fitting mission hymn we'd love to share with you. May this battle cry be a shared one as we step forward in obedience to God's calling on our individual lives.

*"Soldiers of Christ, in truth arrayed, a world in ruins needs your aid:
A world by sin destroyed and dead; a world for which the Savior bled.
His gospel to the lost proclaim, good news for all in Jesus' Name;
Let light upon the darkness break that sinners from their death may wake..."*
—Basil Manly, Jr.

God is always faithful! Amen? Amen! Why do we seem surprised when the Lord provides, answering the prayers of His people? He inclines His ear to His people. God has heard you, prayer warriors! Thank you for praying.

PRAISE GOD WITH US!

God sold our house six hours after it was listed for sale. He provided a buyer who came in with cash and waived all inspections/appraisals. Wow!

This quick sale required us to move out in two weeks, so you may remember we asked you to pray for our housing situation. God provided housing, with utilities included, in exchange for volunteer work at Camp Cho-Yeh, a youth camp in Texas. We arrived on November 18, and we are overwhelmed by the hospitable welcome we received by the community and staff. He is such a GOOD Father! His *provision* is good and gracious because *He* is sovereign, good, and gracious. How comforting to serve a God who delights in the details.

We survived our first month of homeschooling. The kids and Michelle are looking forward to getting settled and beginning school again. The kids are even asking when they will start school (what a bonus!). Our family has enjoyed the benefits and flexibility of homeschool. What a blessing it has been in this season of life.

God has provided more supporters to our team! Our monthly financial goals are now 59% met! Praise God!

FAMILY NEWS

We have been blessed with good health during this time. Our children's joy and positive attitudes during our move has been refreshing. They love people and look forward to living here at Camp Cho-Yeh for the interim period between now and being released to the field. The entire family is eager to do ministry and is over-the-moon to be back in Texas!

Michelle stopped working at the end of October, just in time to finish getting the house ready for sale and to pack up boxes for our move. Tim has thoroughly enjoyed his counseling classes this semester. He is much more relaxed because the work is less tedious. One more semester to go!

The partnership process is refining us as the Lord faithfully digs out the roots of misplaced faith. He alone demands glory, honor, and praise—not Tim or Michelle! Though being refined can feel exhausting, the Lord draws us with His lovingkindness and graciously yokes Himself to us to lighten the burden.

We are so grateful for you, our team and Family! We are excited for you to be on this journey with us, because the mission of Cadence is not possible without faithful prayer warriors and generous financial supporters, like you. So, thank you! There is not enough space to express our gratitude for you who jumped on our team as supporters so quickly. You have blessed our hearts immensely and have encouraged us in our faith journey with the Lord so far during this process. We are humbled and grateful. Our family looks forward to sharing how God is working.

Merry Christmas! We pray many blessings on you for 2021.

In Him,
Tim and Michelle
