PRAYING FOR MINISTRY TO THE MILITARY

MARCH 2021

PRAISES

❑ **Dick and Mary Etta Reynolds, Fort Carson, CO**

Rejoice with us on two new decisions for Christ! Pray for these two as they grow in the Lord.

❑ **Anthony and Kenzi Wilson, Vicenza, Italy**

The Chapel started a new Wednesday evening service recently. We praise God for this opportunity to partner with the Chapel.

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Praise for our daughter JoyLynn's engagement to James. They are planning an August 1, 2021 wedding. Pray as we plan with her from Germany for their Ohio wedding.

Praise God also for our prayer and financial partners, particularly our church who gave an extra Christmas offering that will be a blessing to our community here at the Spangdahlem Hospitality House. We are trusting God to continue to supply all our needs – spiritually, physically, emotionally, and mentally.

Finally, praise God that we can meet weekly at the Chapel for dinner and Bible study with a max of 15 people.

❑ **Bob and Stephanie Caudle, JBER, AK**

We are praising God that we are allowed back on base and can have limited meetings in our home (The Homestead). God has opened the doors to work with Chaplains and their services on-base and to begin reaching out again, especially to the singles who have been on lockdown since COVID-19 began.

❑ **Sharyn Holl, Fort Hood, TX**

I'm praising God that, while we are all tiring of Zoom, it continues to be a great tool in my ministry. I'm now using it in three of my Bible studies along with in-person attendees. PWOC moms at home are occupying their children and having time in the Word, being prayed for and supported, and experiencing needed fellowship. Military women who have moved stateside or overseas are requesting to join in so they can continue studying and still feel connected.

❑ **Kevin and Sharon Scheible, Naval Station Rota, Spain**

Praise God for a new believing student who is devouring God's word and is taking every opportunity to grow in Him!

❑ **Chris and Melissa Stephenson, Wiesbaden, Germany**

Praise God that He has allowed us the use of the Chapel on Friday nights. This allows us to fellowship face-to-face with 50 Soldiers per week. Praise also that we have partnered with several families to provide food for our Friday deliveries to the barracks for our singles population.

❑ **Paul and Stacy Cassidy, Headquarters, VA**

Praise God for his faithfulness and provision to our friends, family, and Cadence field missionaries during this COVID-19 season.

❑ **Michael Martin, Korea**

I am grateful for a group of three guys I serve who are hungry and show up ready to study, ask questions, learn, and apply knowledge.

WEEK OF FEBRUARY 28

❑ **Danny and Kathryn Perez, U.S. Eastern Field Leaders, NC**

Pray for Brian and Cathy Hutchens in Fort Drum, NY as they wrap up their ministry there and hand it off to incoming staff, Matt and Meredith Snell. Major renovation work led by Steve and Annette Nielsen with the Hutchens will occur there in early summer. Pray His hand would bless these moves and His servants as they honor Him with their labor and gifts.

❑ **Matt and Tina Huisjen, Vilseck, Germany**

Please continue to pray for us to find new ways to connect with Soldiers in the midst of COVID-19 restrictions. Friday, February 26 we began a study (through Summit Ministries) on the Christian worldview. Pray God would use the material and online interaction to change lives.

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Our son CPL Vincent finished his four-year commitment to the Marines. Pray for him as he moves ahead in a new direction in life.

❑ **Char Hauser, Kaneohe Bay Marine Corps Base, HI**

Pray that God gives me the wisdom to write the exact words my landlord needs to hear in response to his question, "Char, how do you do it? It's so hard." He's referring to continuing on in life after losing his wife. He asks me every month and next month I want to give him an answer.

❑ **Rick and Paula Scott, Naval Station Rota, Spain**

Please pray for continued endurance in this COVID-19 season. We continue to lead small groups and meet with people when we can, but we are feeling fatigued.

❑ **Nate and Louise Johnson, Travis AFB, CA**

Please pray with us as we seek to find some sort of rhythm amid the constant changes. Pray against apathy and for eyes to see opportunities in the midst of the messiness of this time. Pray for fertile soil despite the pain and emptiness of COVID-19 restrictions.

WEEK OF MARCH 7

❑ **Paul and Stacy Cassidy, Headquarters, VA**

Please pray that the Lord will continue to raise up godly men and women to serve as missionaries with Cadence!

❑ **Frank and Ruth Ann Branham, Fort Carson, CO**

Pray that the Lord would enable us to meet new soldiers coming to Fort Carson whom we might serve. Our numbers are diminishing due to soldiers being transferred to new army posts and others being deployed.

WEEK OF MARCH 7 CONTINUED

❑ **Danny and Kathryn Perez, U.S. Eastern Field Leaders, NC** On March 12, Dan and Charlotte Busenbark and their family will launch their ministry to the Fort Benning community. Pray for God's blessing and empowering for their lives and ministry.

❑ **Brian and Cathy Hutchens, Fort Drum, NY** Please be in prayer that we would find favor with Home Depot as we request a grant for supplies for a first-floor interior remodel of the Fort Drum Cadence house. We are asking for supplies to remodel the kitchen, upgrade appliances, and install new floors and a new ceiling with overhead recess lighting added. Praise the Lord for an initial great meeting with the assistant store manager to this end.

❑ **Robin and Linda Windisch, Baumholder, Germany** Pray for the morale of the Soldiers and families here. We are facing weeks 8-10 of severely tight COVID-19 restrictions coupled with cold, grey weather. Schools have been virtual since January 1, and parents are tired of children being stuck in the house. Pray we can be creative and show hope and light to these people.

❑ **Chris and Melissa Stephenson, Wiesbaden, Germany** Please pray for Melissa who is looking to have surgery this spring due to a cyst on her ovaries. Pray that it's nothing more.

WEEK OF MARCH 14

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany** Please pray for one of the ladies here who was just diagnosed with breast cancer. The community is coming together to help her husband and three small children, and we are praying her mother will be able to come and help.

❑ **Danny and Kathryn Perez, U.S. Eastern Field Leaders, NC** On March 16, Kathryn will share with the Fort Bragg PWOC (Protestant Women of the Chapel) ladies how their daily interactions with not-yet-believers can SHOW (Short, Honest, Often, Warm) His love. Pray for good attendance and soft hearts.

❑ **Michael Martin, Korea** I would appreciate prayers that a group of young men I am working with would re-focus their attention to discipline their minds and bodies in a desire to grow spiritually. I do not see evidence that this is taking place for them.

❑ **Sharyn Holl, Fort Hood, TX** After a year of only Zooming my Sunday study, I am trying to transition the local participants back to "in-person" at the Chapel. I'm awaiting Chaplain approval, so please pray with me for approval and God's perfect timing.

❑ **Kevin and Sharon Scheible, Naval Station Rota, Spain** Please pray for a former student who has made several poor choices recently and no longer believes in God. Please pray he trusts in Jesus and begins making wise choices.

❑ **Lorene Glynn, Air Force Academy, CO** Some of the cadets are still dealing with all kinds of tough times. As I write this prayer request one of the sophomore students is just now returning to the Wing due to health challenges last month. Pray that all the prep students and regular cadets will be able and determined to keep up with their studies. Pray that they will remember to ask for God's help in everything.

WEEK OF MARCH 21

❑ **Brian and Aimee Kleager, Europe Field Leader, Germany** Would you pray that our hearts would be renewed with an awareness of God's presence with us? I have been reading "Lead" by Paul David Tripp and he shares about the importance of God's presence with us as we minister to others. I'd love for all of us to be intimately aware of "God with us," especially during the pandemic.

❑ **Laurel Givry, Fort Jackson, SC** I am meeting in person with 10-15 ladies each week to teach them how to study the Bible. They are eager and excited. Please pray against all things that may hinder them from meeting, especially sickness and busyness. Praise God we have plenty of wonderful childcare workers to care for our large group of kids while we dig into the Word together. Pray this study will yield much fruit in these ladies' lives and in their families.

❑ **Bob and Stephanie Caudle, JBER, AK** Pray for us as we spearhead some major projects and renovations here at the Homestead to make sure that this God-given property is stewarded and represents Him well for years to come. Bob will be splitting his time between raising nearly \$200,000, overseeing the work here, and mentoring men. We are praying, working toward, and hoping to be finished with these projects by Fall of 2022 and need to have at least the first \$100,000 by this summer.

❑ **Dave and Bonnie Lambert, Okinawa, Japan** We're requesting continued prayer for strength and wisdom as we search for and move into a new ministry location at Camp Humphreys, Korea. The Jolins, who lead that ministry, were told they must move after only three months in their new location, making this their fourth move in five years. Their present landlord found out they are a Christian ministry, so he is evicting them.

❑ **Lou and Cathy Rozmiarek, Headquarters, CO** As we are grateful to be settling into our new roles at HQ, we are excited to be expanding the Kingdom as we train and mentor new missionaries to reach the military for Christ. We have missed the 1-1 interaction with the military, but God has provided a wonderful opportunity for Lou to mentor a young Airman at Buckley AFB. Please pray that Lou will have discernment and boldness as he meets with him.

❑ **Dan and Becke Haas, Fort Drum, NY** As the weather turns colder, we are offering more opportunities to connect with one another and God. We host regular get-togethers for Chaplains, Soldiers, and youth. Please pray for our strength and health.

WEEK OF MARCH 28

❑ **Jennessa Randall, Joint Base Lewis McChord, WA** Praise God for the ability to meet as a whole group once a week and that our group is growing. We have twice as many singles now as when COVID-19 restrictions began. Please pray for wisdom in planning events for the rest of 2021. Our Soldiers love retreats, and we want to offer some if we safely can.

❑ **Wes and Elaine Auldridge, RAF Lakenheath, England** New ministry opportunities are going well on base. We have been contracted to run a single Airmen's program through the base chapel. Please pray for us as we navigate life as contractors while also figuring out ministry under British COVID-19 restrictions.

WEEK OF MARCH 28 CONTINUED

❑ **Danny and Kathryn Perez, U.S. Eastern Field Leaders, NC**

New Cadence staff, Scott and Rebecca Crawford, are establishing a ministry for Sailors in Jacksonville, FL this spring. Would you pray for the property the Lord desires, grace for them as they move forward, and connections with Sailors who need Jesus?

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Pray as Joe begins seeking God for the sermon to give at the Chapel on Easter Sunday.

❑ **Michael Martin, Korea**

I met a young fellow-Texan at the gym, and I am enjoying getting to know him. Pray for good conversations about God in the future. Another man I also met at the gym shows spiritual/relational hunger and even buys my meal or coffee so that we can talk. Please ask that God would make him receptive to the gospel and that the evidence for God's faithfulness would provoke him to "test the waters," however tentatively.

"No, in all these things we are more than conquerors through him who loved us. For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."

ROMANS 8:37-39

"I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me."

GALATIANS 2:20
