Serving with Cadence International • Cadence.org/Thoren

Dear friends,

A LONG TIME COMING

We have both had an itch in our hearts to pursue full-time ministry since our senior years of high school. We have seen the Lord work in incredible ways when we've stepped out in obedience to serve Him, whether that be overseas on trips to Japan, Nepal, and Okinawa, or right here in our home country through local ministries.

A SPECIAL MISSION

Cadence International is an evangelical mission agency that serves military families. The aim of Cadence missionaries is to share the gospel and their lives with the military community. Military personnel have always played a unique role in the expansion of God's kingdom, and often, these families are forgotten as they live nomadic lives around the world in service to our country.

A FORGOTTEN PEOPLE

There are an estimated 1.2 million military dependents around the world, the vast majority of which have no access to spiritual mentorship. Within this demographic, there are tens of thousands of students who participate

in athletics. Due to time restrictions, most of these student-athletes have no access to spiritual mentorship. Our vision is to come alongside these student-athletes and share the gospel through a common love of sport. We desire to encourage and equip them to grow in their faith and spread it to all corners of the earth.

SHARING OUR LIVES

We believe that the Lord has purposefully placed a desire in both of our hearts to serve Him. We also believe that the passions He has given us are by design. We are thrilled for an opportunity to use our giftings for the glory of His kingdom, and we are beginning the process of raising support for our ministry. If you're interested in partnering with us in this mission, please follow the link in the footer or follow the instructions on the attached response slip.

We look forward to connecting with you soon to share more!
