Serving with Cadence International

Dear Friends,

With the coming of summer so comes the anniversary of almost seven years at the North Bragg Hospitality House, and 12 total years in the Fort Bragg community. These past seven years have probably been the most enjoyable in our 32 years with Cadence.

As we mentioned briefly in our last letter, we are taking most of this next year to step away and connect with our support team. We have a two-and-a-half-month trip planned for this summer, and several smaller trips planned over the next eight months or so. We hope to connect with as many people on our team as possible. One of our goals over this next year is to make up an \$800 per month deficit in our support. We'd be grateful to any who would come alongside us in closing this gap.

The military folks who attend our home ministry will keep things going in our absence, with several key couples leading both

our men's and women's groups during the week. Monthly get-togethers will keep the group at large connected. We are so grateful for all the people who make up our ministry family here at Fort Bragg, and we're especially grateful for those who will keep things going in our absence. After the time of connection with our support team, we plan to return to our home in North Carolina and pick back up where we left off. We know that as our time away from ministry winds down, we will feel eager to return to our home near Fort Bragg to resume the relationships that make our lives worth living.

One of our last ministry events was our annual Memorial Day cook-out. Almost 60 adults and kids joined us for a great day. The photo below shows our group gathered around a tree they gave us in memory of my mother. They also had a plaque made that commemorates my mom's life. What a special gift from a tremendous group of people we dearly love!

We look forward to our upcoming year of connection with the team that makes this ministry possible. We are so thankful you are on this journey with us!

In His Grace,

Bruce
