Serving with Cadence International

## Rozmiarek

What a difference a year can make! One year ago, we were serving the Airmen at Luke Air Force Base in Phoenix, Arizona. Our ministry was shut down, chapel programs went online, and time felt like it was barely moving. Jump forward one year and we can't seem to slow this year down! We cannot believe that 2021 is almost half over.

This past spring, the ladies at our church read through a book together, *A Place to Belong*, by Megan Hill. Within its pages is a chapter called *Gospel Partners*. As I initially read this chapter—and reread it again—it reminded me how grateful we are for YOU!

The book is about the role of the church, and this specific chapter discusses the church's role in spreading the gospel throughout the world. Hill states, "When the local church engages in the work of living for God's glory, of praying persistently, and of giving generously, we become partners in the gospel and, ultimately, partakers together of grace."

Even though you support us individually and not through your local church, you are partners in the gospel with us. Because of your prayers and sacrificial generosity, our military is being reached with the good news of Jesus. You are vital to the spread of the gospel. Paul says to the Philippian church: "You are all partakers with me of grace, both in my

### HIGHLIGHTS AND PRAYER REQUESTS

- Since beginning our roles, eight missionary units (couples and singles) have been released to the field. Even during COVID-19, people are generously supporting our missionaries so they can reach our military with the love of Christ. Please continue to pray for more workers to join Cadence.
- We moved into our new home in March. We are settling in, and God is already using it for ministry. We housed a

missionary who was in-between assignments and hosted a Cadence couple who was in Denver for training. Please pray for wisdom as we begin to think about hosting a small group again. We are excited but don't want to get ahead of what God is asking us to do.

- We are grateful that our parents, despite a few health issues earlier this year, are very stable. Continue to keep them all in your prayers: Chuck (83) and

Pudge (79) Collins, and Ginny (82) Rozmiarek. We are thankful we can be available for them during this season of life.

- We need an additional \$500 per month to be fully funded. We have been raising support for Cathy's full-time salary and God continues to be faithful. Please pray about joining our team or consider increasing your donation. Please pray for new people to join our team, too. Thanks!

imprisonment and in the defense and confirmation of the gospel.” (Phil 1:7) As you partner with us through our joys, our struggles, and the highs and lows of our ministry, you share in the same abundant grace. Those people who come to know Jesus through our ministry or deepen their walk with Him are a direct result of your “work” as well as ours.

As we continue to move through 2021, we want to thank you for being a gospel partner in our ministry. Remember that from the perspective of heaven, you are a vital part of the work we do. Let’s continue in this good work together.

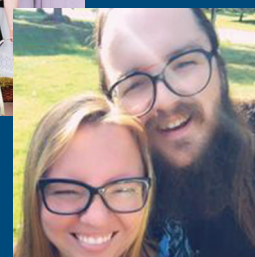

Gratefully,

## KATIE'S KORNER

Katie and Forrest will celebrate seven years of wedded bliss in July. They are still in Massachusetts and bought their first home amid COVID-19. They are enjoying planting flowers and being parents to three cats and lots of chickens and have many other house projects as well.
