CADENCE ALUMNI TOUR

Coming to a City Near You

... more details to come when you sign up!

Hello friends of Cadence!

I am so thrilled to write you with the hope of reconnecting. Perhaps a short introduction is in order; I'm Angie.

My husband, Duncan, and I met through Cadence Student Ministries (formerly Malachi Ministries) back in 1984. We got married in 1990 and have remained connected to Cadence ever since!

Duncan now serves as the Cadence Alumni Pastor and I am the Director of Alumni. We are humbled and honored to serve you through Cadence Alumni, especially now as we prepare for a year long Cadence Alumni Tour.

We will visit all the Cadence stateside hospitality houses and host Alumni Gatherings across every region of the United States. In order to connect with you, our wonderful Alumni, we're asking you to reach out to us and sign up through our Alumni website at: **Cadence.org/Alumni**. Just click on the **Register at Cadence Alumni** link and we'll be in touch.

Sign up today if you want to reconnect with Cadence! We're eager to connect, encourage, and hear your Cadence story.

Blessings,
Angie and Duncan

P.S. See the video of us during our recent "Proof of Concept" RV trip on Cadence's Vimeo channel **Cadence.org/AlumniVideos**
