PRAYING FOR MINISTRY TO THE MILITARY

SEPTEMBER 2021

PRAISES

☐ Joe and Jill Vincent, Spangdahlem, Germany

Praise God we were able to attend three beautiful weddings in the U.S.A. and also had an excellent time sharing about our Cadence ministry with a supporting church in Michigan.

☐ Gene and Anne Poppino, HQ, WA

We are thankful to be able to travel and minister in person again! By October, I will have had a total of seven trips in six months. Not taking health for granted, I thank the Lord for His care and protection. Pray for the safety of our missionaries as they increase the number of people they see and work with.

☐ Sharyn Holl, Killeen, TX

I praise God for my R&R time this summer to rest, study, and write in preparation for fall Bible studies.

☐ Brian and Cathy Hutchens, Home Assignment, LA

During August and September, we are visiting several churches and donors. We are grateful that the Lord has provided us a newer truck to pull our camper while we are on Home Assignment.

WEEK OF AUGUST 29

☐ David and Joyce Schroeder, HQ, CO

Joyce's dad, Dick Patty, one of the founders of Cadence International, was taken to Glory on July 14 at the age of 95. We thank the Lord for his amazing life, which impacted people for Christ around the world and in their neighborhood. Please pray for Margaret, his wife of over 65 years, and for their testimony of God's goodness to continue to bear fruit. We invite you to watch Dick's memorial service at Cadence.org/DickPatty.

☐ Jennessa Randall, JBLM, WA

Our group has grown rapidly this summer. Praise God for so many new Soldiers! Pray we will have wisdom in developing a ministry team which will enable our impact to be deep, not just wide. In particular, pray for our Labor Day camping trip September 2-5. Pray Soldiers will be able to attend and for a deepening of relationships and quality spiritual conversations to occur.

☐ Sharyn Holl, Killeen, TX

Our third wedding event at the Soldiers Hospitality House will be September 4 for N and C who are on our ministry team. Another couple also recently got engaged. Pray for God to bless these unions and use them for His glory.

☐ Lorene Glynn, Air Force Academy, CO

The month of September brings Labor Day weekend when the parents of the basic cadets and basic preppies will be visited by their parents whom they haven't seen since earlier this summer. I appreciate your prayers for these young adults who are far from home and experiencing challenges that are new to all of them. Pray that I will be an encouragement to these preppies and cadets this month.

WEEK OF SEPTEMBER 5

❑ **Uk and Manuela Chong, Chiang Mai, Thailand**

Our close Thai ministry partners are facing family difficulties. They have been asked to leave the house provided by their parents due to internal conflicts. They will need a new home. This comes as our ministry to Thai cadets is beginning to show fruit. Please pray for the Lord to provide a home and necessary income.

❑ **Greg and Heidi Carlson, Partnership Development, WA**

Please pray for 25 financial partners to join the ministry at Naval Base Kitsap by the end of September 2021.

❑ **Gene and Anne Poppino, HQ, WA**

Pray for the Cadence Pastoral Care Team (Mike Paterson, Andrea Haddock, and myself) as we meet September 10-11. Our team is smaller than it has been in years, and we need to wisely prioritize our work to provide the care God intends for our missionaries.

WEEK OF SEPTEMBER 12

❑ **Brian and Cathy Hutchens, Home Assignment, LA**

We are so thankful for a donor willing to match up to \$20,000 for ministry start-up funds at Fort Polk, LA. Cadence has not had a ministry at this location in the past. Pray that the remaining donations to be matched would come in over the next few weeks. We have already seen the Lord provide over half. (The link to give to this new ministry effort: Cadence.org/FtPolkHouse)

❑ **Mike Martin, Camp Humphreys, South Korea**

Pray that the thrift shop on base will donate clothing to a Chinese church on Jeju island which is ministering to a group of 60 refugees from mainland China.

❑ **David and Joyce Schroeder, HQ, CO**

Please lift to the Lord the annual Cadence Leadership Summit in Colorado September 13-17. Pray for God's wisdom and glory over every discussion and decision, for health and safety, and that this time would result in greater effectiveness in ministry to the military.

WEEK OF SEPTEMBER 19

❑ **Sharyn Holl, Killeen, TX**

Pray for the kick-off of my two fall Bible studies on Jesus as a Rabbi and Genesis. My goal is to equip women with tools to study, including looking through cultural, geographical, and literary contexts. Pray we will see new insights into God's character and plan that cause us to love Him more.

❑ **Eric and Janet Thimell, Victory Ranch, SC**

As the military prepares to enter a new fiscal year, pray that retreats will get back into full swing here at Victory Ranch.

WEEK OF SEPTEMBER 19

❑ **Frank and Ruth Ann Branham, Fort Carson, CO**

Please pray for P. He is getting out of the Army and will be attending college here in Colorado Springs. He needs to find a place to live and a good local church. He hopes to continue fellowshiping with us on Friday evenings, but I will miss having breakfast with him at the dining facility on Post for mentoring and discipleship.

❑ **Mike Martin, Camp Humphreys, South Korea**

Cadence and all other volunteers are currently restricted from having base access. Please pray that the COVID-19 cases would be contained and that the restriction would be brief. Please also pray that the guys I am currently discipling one-on-one (virtually) would not allow the distance imposed by lack of access to the base to weaken their commitment to grow in discernment and knowledge (Philippians 1:27). It is difficult to regain traction once they lose it.
