PRAYING FOR MINISTRY TO THE MILITARY

OCTOBER 2021

## PRAISES

### ❑ **Sharyn Holl, Ft. Hood, TX**

An Army wife recently shared with me that my *Rabbi Yeshua* study, which she was part of, moved her to take a certificate course online in the Jewish New Testament and to also enroll in the online Graduate Certificate program at Liberty University. Praise God!

### ❑ **Jennessa Randall, Joint Base Lewis-McChord, WA**

We praise God for a great Labor Day camping trip. The weather was great and our times in the Word and conversation were profitable.

❑ **Christian and Melissa Stephenson, Wiesbaden, Germany** Praise God for a relaxing and productive month stateside and a heartfelt reunion with family.

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany** Praise God for new people getting involved and volunteering at the Hangar Hospitality House. We are thankful for their servant hearts. Praise God that our ministry is up and running with lots of people participating. Praise Him also for supplying all our needs, and especially for the huge blessing of surprise donations.

❑ **Bruce and Wendy Dower, Home Assignment, NC** I (Bruce) am indebted to and deeply grateful for my Cadence family who has prayed so long and so faithfully for Wendy and me while we walked through a very dark COVID-19 valley in August. My doctor told Wendy at one point, "I cannot tell you in good conscience that your husband is going to be okay." It was very scary at times. Thank you all for interceding for us and asking God for the abundant mercy we so wonderfully received from Him and our dear friends.

### ❑ **Lorene Glynn, Air Force Academy, CO**

Thank you so much for your prayer support for us all at the Air Force Academy. We appreciate your support for our new prep students who are spiritually growing in the Lord. Pray that they will continually attend our preppie Bible studies this fall season which mean so much to them and to the rest of us as chapel staff.

### ❑ **Ralph and Betty Camp, Ambassadors, NV**

Our granddaughter, Ruth, who has struggled with a variety of health issues, has adjusted well to school at Master's, and we have seen no health issues surface.

### ❑ **Jay and Jerri Kayll, Peterson AFB, CO**

I (Jerri) am recovering from esophageal valve surgery. I am grateful my body is getting back to normal and for the return of my voice!

## WEEK OF OCTOBER 3

### ❑ **Sharyn Holl, Ft. Hood, TX**

We are taking our Soldiers on an outreach weekend serving with another ministry on October 8-11. We will be focused on sharing Jesus with children at several events and then doing some repairs to a ministry site.

### ❑ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

On October 7 the Cadence Alumni RV Tour will host a gathering here in Fayetteville, NC. Pray that those in attendance would be encouraged and inspired in their walks with Jesus.

### ❑ **Jennessa Randall, Joint Base Lewis-McChord, WA**

We are kicking off a women's small group study of Romans. Please pray that women will commit to attending, doing the homework, and being vulnerable with one another. Pray too for growth in their understanding of God's Truth and daily application of it.

### ❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Please pray for Joe's arm. He has not been able to lift it above his shoulder for four months now, despite multiple doctor visits. Pray for a diagnosis and for healing from the Lord. Also, there are seven pregnant ladies in our ministry due this fall. Pray for all the couples who hope their families will be able to come for the births.

### ❑ **Jay and Jerri Kayll, Peterson AFB, CO**

Jay has been limping since June. His recent MRI shows a tear in his achilles tendon. The specialist now has him in a boot for 3-4 weeks. Pray for this adjustment to ministry and life.

## WEEK OF OCTOBER 10

### ❑ **Frank and Ruth Ann Branham, Ft. Carson, CO**

Ruth Ann and I are grateful for the ministry the Lord has given us. Please pray that we will be sensitive to the Spirit's guidance as we encounter possible unexpected challenges, and that they will be used for the Lord's glory, especially among our neighbors.

### ❑ **Laurel Givry, Ft. Jackson, SC**

Praise God for a new leadership team at Fort Jackson that is very supportive of all auxiliary ministries to support families. That means our Mothers of Preschoolers group is up and running and even has funds for childcare! Now, we just need childcare workers. Please continue to pray for this provision so we can reach lots of moms for the sake of Christ this year.

### ❑ **Peter and Tanya Kinney, Ellsworth AFB, SD**

Praise God that we are almost done renovating this new hospitality house! We do still need to paint the exterior. Please pray for energy, funds, and quality work. We appreciate your prayers as we move in and get set up for Ministry. After all these projects, we are hoping to "officially" start ministry this month.

### ❑ **Ashley Phillips, Yokota Air Base, Japan**

Please pray for our year with the Protestant Youth of the Chapel, that God would continue to do His mighty works and guide me and the leadership team. Pray that the youth would know God and build a relationship with Him, as well as fellowship with one another. God moved last year, and He will do it again. He is so good!

❑ **Danny and Kathryn Perez, Eastern Field Leaders, NC** Would you pray for the salvation of three women in our lives? Pray for S, a Gold Star widow who is our neighbor, along with R and A, who are both active-duty Soldiers.

## WEEK OF OCTOBER 17

❑ **Paul and Sandra Bradley, Western-Pacific Field Leaders, ID** Please pray for our Western-Pacific field conference on October 17-22. We are excited to be together as a field, and we look forward to a time of relational, spiritual, and professional encouragement. Pray for the Spirit to move in the hearts of those present.

### ❑ **David and Joyce Schroeder, Headquarters, CO**

Lord willing, we will be visiting our Cadence Europe staff in several locations and attending their fall retreat in Germany the week of October 18. Pray that we will be a blessing and that the Lord will accomplish His purposes in and through this trip.

### ❑ **Frank and Ruth Ann Branham, Ft. Carson, CO**

We will be attending our Regional Staff Conference in Waxahachie, TX October 17-21. Please pray that the conference would go well and that we would be refreshed spiritually. We also hope to visit some friends and supporters along the way.

### ❑ **Ralph and Betty Camp, Ambassadors, NV**

We found out in August that we have a broken pipe in our bathroom. It was slowly leaking and had rotted out the bathroom floor. The insurance company has approved the repairs, and the contract is signed. The earliest start date we have is November 22. Can you please pray that the Lord would move that up in the schedule and that all the materials will be available? We have a very small second bathroom, but no extra shower.

## WEEK OF OCTOBER 24

### ❑ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

Would you ask the Lord to embolden us as we seek to raise a salary for Kathryn for the first time? Please also ask God for a Director of Finance for Cadence.

### ❑ **Wes and Elaine Auldridge, RAF Lakenheath, England**

Praise God for the ability and freedom to meet under the UK's current COVID-19 guidelines. Pray for a hunger for God in these men and women who have come of age during the pandemic. As we enter the long winter months, please also pray for our family's resilience as well as that of our single Airmen. We are looking forward to a happy and fruitful holiday season.

❑ **Christian and Melissa Stephenson, Wiesbaden, Germany** We hope to continue meeting in person with our community here, and we covet your prayers for minimal restrictions as many are pandemic-weary. Pray for our service members who are struggling with recent events in the U.S. and around the world.

### ❑ **Lou and Cathy Rozmiarek, Headquarters, CO**

Please continue to pray for the Cadence Japan project. The Japanese government has moved very slowly throughout COVID-19. In February 2020, we had two more steps to complete. Unfortunately, we are still in that same position. Please pray for favor and that the government will begin to review our package so this project will be finalized.
