PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2021

## **PRAISES**

### ❑ **Michael Martin, Camp Humphreys, South Korea**

As we prepared to transport clothing to 15-20 refugee families who attend a Chinese church off the Korean peninsula, we were encouraged when God provided a courier service that was reasonably priced. The families who donated and prepared these gifts were a led by a Soldier's wife who is also providing clothing to single moms who are a part of The Baby Box ministry of Pastor Lee Jong Rak. Our cup overflows as groups of Soldiers have been able to visit local orphanages to visit and play with the children. Please pray that we will use additional donations wisely and effectively for our Chinese brothers and sisters as we hope to send more before Christmas.

### ❑ **Lorene Glynn, Air Force Academy, CO**

Throughout the pandemic these last two years, it has been hard on the preppies and regular cadets to not receive regular time away from the Air Force Academy for their year-end holidays, as they normally would have. I learned recently that the preppies will receive four days off, November 25-28, for Thanksgiving. We praise the Lord for making this possible for these students and their families. We look to the Lord for safe travels.

### ❑ **Brian and Cathy Hutchens, Home Assignment (Future Ministry: Fort Polk)**

Praise the Lord for His provision during our home assignment. He has met need after need, all while directing our steps (translation: lots of changed plans). We also Praise the Lord for our time of helping Cathy's mom during recent medical struggles and weakness.

### ❑ **Sharyn Holl, Fort Hood, TX**

We praise God for the experience our Soldiers had to share the gospel with youth and assist with yard work at a ministry site during our singles retreat outreach weekend.

### ❑ **Eric and Janet Thimell, Victory Ranch, SC**

We are praising God for the team from Lake Ridge Bible Church who came in October to take on multiple projects here at the Ranch.

### ❑ **Rick and Paula Scott, Lynchburg, VA**

Before we started putting the word out about our new hospitality house, several Marine veterans found us! We have been encouraged by how we have been embraced by them and are excited for what will develop through these relationships.

## **WEEK OF OCTOBER 31**

### ❑ **David and Joyce Schroeder, Headquarters, CO**

The Cadence Board of Directors is having their annual board retreat November 5-7 in Colorado. We appreciate your prayers for the Spirit's covering over every discussion and decision. We thank God for this wise and godly group of leaders.

### ❑ **Paul and Sandra Bradley, WestPac Field Leaders/ Headquarters, ID**

Please pray for Paul as he travels to Syria the whole month of November with a partner organization in military ministry, the Free Burma Rangers. He will be offering aid and relief to the Kurds in the war-torn regions of Syria. The conflict between Syria and Turkey is ongoing. Pray for Paul's safety and for fruitful ministry.

### ❑ **Lou and Cathy Rozmiarek, Headquarters, CO**

Pray for our missionaries who are raising support—we have ten who are new to fundraising. Pray for God's provision, that they would trust in His faithfulness, and that they would remember His timing is perfect.

### ❑ **Ben and Doris Hyde, Fort Hood, TX**

We have begun a new thing for us—a Bible study via Facebook. The initial response has been positive. We know several who have done this to keep in touch with alumni, which is part of our motivation as well. Also, our group of military retirees, Fossil Fellowship, continues to meet. Thank you for your prayers for these gatherings.

## **WEEK OF NOVEMBER 7**

### ❑ **Wes and Elaine Auldridge, RAF Lakenheath, England**

Please pray for us as we have decided not to renew our contract with the base chapel. It was such a blessing to have during the COVID-19 lockdown in England, but now we are able to focus on hospitality house ministry and have Airmen in our home. Pray that God will grow our ministry over the next few months!

## WEEK OF NOVEMBER 7 CONTINUED

❑ **Brian and Cathy Hutchens, Home Assignment (Future Ministry: Fort Polk)** Please pray for the remainder of our support to come in between now and the new year. At the time of writing this request, we need about \$2,700/month.

❑ **Danny and Kathryn Perez, Eastern Field Leaders, NC** Would you pray for the ministry of Protestant Women of the Chapel (PWOC) here at Ft. Bragg? It's a large ministry with great influence, but it has experienced great assault from Satan this year. Pray for protection, unity, salvation of the lost, and freedom for the captives.

❑ **Tim and Rebecca Hawkins, Europe Field Leaders, Germany** As we approach the holiday season, please remember to pray for the kids of Cadence. For some, it can be exciting and fun to have so many people in their home and sharing their family. For others, it can feel difficult to share their family with so many while also missing extended family.

## WEEK OF NOVEMBER 14

❑ **Kevin and Sharon Scheible, Naval Station Rota, Spain** Please pray for our Escape weekend retreat November 19-21. We will be talking about Fears: Fear of Missing Out, Fear of Failure, Fear of Death, Fearing God, and Fearing Not. Please pray God will move in the hearts of students to trust fully in Him. Pray also for our retreat speaker, Lucas Jackson.

❑ **Paul and Stacy Cassidy, Headquarters, VA** Paul will be preaching in Sunriver, OR on November 21 during a visit with a supporting church. Please pray we can encourage our brothers and sisters in the faith and that the gospel is preached clearly.

❑ **Robin and Linda Windisch, Baumholder, Germany** As we head into the holiday season, many Soldiers and families feel lonely and depressed. Please pray that we can shine a light of hope to those here in our Baumholder community.

❑ **Eric and Janet Thimell, Victory Ranch, SC** Pray for us as we work to encourage our community for the sake of the Lord this holiday season and for new opportunities.

❑ **Dick and MaryEtta Reynolds, Fort Carson, CO** As we prepare for Thanksgiving, pray that our Soldiers would be thankful in all things (James 1:2-4).

## WEEK OF NOVEMBER 21

❑ **Sharyn Holl, Fort Hood, TX** The Soldiers Hospitality House will hold our annual Thanksgiving Day sporting events and turkey feast. Pray for our core group to have eyes for others and invite their friends, co-workers, and those without a place to celebrate.

❑ **Frank and Ruth Ann Branham, Fort Carson, CO** We are already hearing of Soldiers who are going home for Thanksgiving. We're happy for them. We will serve a wonderful Thanksgiving dinner for those who remain. Please pray for A. who is on his way to finding his Savior. Also, we are thankful for you who pray for us. God is good!

❑ **Laurel Givry, Fort Jackson, SC** Praise God for the chance I had to share the gospel at our Mothers of Preschoolers (MOPs) meeting last month. Pray the seeds would take root in ladies' hearts. Pray for all these moms to put away fears and embrace the freedom and peace that comes from trusting Jesus. Pray, too, for childcare workers for this program so we can meet and have our kids well cared for in a separate space.

❑ **Joe and Caitlin Fletcher, N.A.S. Oceana, VA** Please pray for our partnership with the chapel on the tail end of transitioning chaplains. They have begun rebuilding from the disruption of COVID-19 and Chaplain Doria has the heavy privilege of caring for our chapel. Pray that we would serve him and his family well and that God would grant him wisdom and clarity as he makes decisions for our community.

## WEEK OF NOVEMBER 28

❑ **Danny and Kathryn Perez, Eastern Field Leaders, NC** We will represent Cadence at The Chaplains Conference November 29-December 2. Would you pray for significant conversations with the chaplains who are attending and for soft hearts receptive to what is taught and shared?

❑ **Daniel and Charlotte Busenbark, Fort Benning, GA** Please pray that God would provide funding for the completion of our childcare space inside along with the play area in the backyard. As you pray for areas we're building to minister to children, would you also pray for our own children? Pray for the salvation of two of them and that all would delight in Jesus and His Word as disciples. Thank you so much for your prayers! God is so faithful!

❑ **Jennessa Randall, Joint Base Lewis-McChord, WA** Our group is growing rapidly, and we are thankful for an expanding influence. Please pray as we seek to develop a ministry team and for volunteers who can help us make sure the ministry goes deep and not just wide. Pray for Christ's transformative work in each of us.
