Our dear, dear friends,

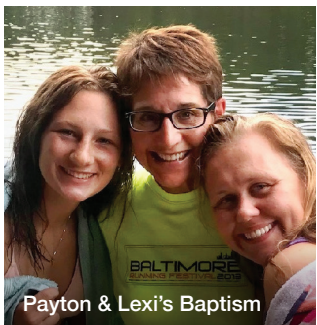

Grace and peace to you all! We pray you are basking in the love of the Father, the forgiveness and mercy of the Savior, and the fellowship of the Spirit. He is the reason we all live and breathe.

Cadence Eastern Field Staff Conference August 8–13, 2021

We had a wonderful week near Asheville, NC at the YMCA Blueridge Conference Center for our Cadence Eastern Field Staff Conference. 37 adults and 19 children joined us for our time in Black Mountain, NC. These were days of great connection, storytelling, good teaching, much collaboration, and many times of prayer as we shared life with each other. We also got to just enjoy one another as we sat around the fire pit each evening to share experiences, reminisce, and laugh together. We so love our staff. It is a joy to lead and shepherd them.

We have taken several long trips this year to visit our staff. In April, we visited staff in the Southeast, and then in June we spent time with our staff in the Northeast. During our trip to the southern states, we stopped in Augusta, Atlanta, Ft. Benning, Pensacola, Ft. Rucker, Tampa, Lakeland, Jacksonville, Savannah, and Victory Ranch/Columbia, SC. The northern loop took us to the DC area, Ft. Drum, West Point, northern NY, Carlisle Barracks, and Virginia Beach. These were great times of encouragement and mentoring with our staff. God is doing a great work in and through the lives of these Cadence missionaries and it is exciting to be a part of it. Please pray for our brand-new staff in four locations: Ft. Drum, NY; Lynchburg, VA; Jacksonville, FL; Ft. Benning, GA. Pray that God would fill their homes with those He would have them minister to in the coming years.

Payton & Lexi's Baptism

Lunch with soldiers

At home, the Lord has surprised us with new areas of ministry. We have had several soldiers from our chapel for meals and have spent time with them, helping them in their walks with the Lord. Please pray for Lexi, Payton, Abby, Hervis, Zack, Edward, and Chris as they try to live out their faith each week in a hostile environment.

We are really enjoying our neighbors in this season of life. Kathryn walks each morning, and we walk together each evening. We have met families from 82 different homes on these walks and are now having significant conversations about Jesus and the gospel. We hope to have a neighborhood gathering soon to continue to reach out with the love of Christ. Pray that their hearts would be open to Christ's love for

them. Kathryn is strategizing now for ways to impact our neighborhood through our Halloween curbside hotdog/marshmallow roast with good candy and fantastic gospel tracts. Try it in your neighborhoods, friends!

Kathryn has the privilege of serving the Ft. Bragg community as a Titus 2 Advisor to PWOC this year. It's a considerable extra load but we feel strongly that this is the Lord's calling for us this year.

Ft. Bragg's IRF (Immediate Response Force) deployed quickly to secure the airport in Kabul, Afghanistan when the crisis occurred there. Would you continue to pray specifically for the tragic situation in Afghanistan? Would you ask God to show Himself strong on behalf of His own and continue to rescue and liberate the oppressed there?

Thanks again for loving us, praying for us, and being a part of what we are doing for the sake of the Lord and His Kingdom.

Press on!

Thank you so much for this blessing and for coming alongside us in this way. Others have verbally committed but are unsure how to go about either joining our team or how to make an increase.
