NOVEMBER 2021

Our House community at the end of our second annual Fourth of July game tournament

*To all our friends and family* who encourage us, pray for us, and support our military ministry here at Fort Hood, Texas, THANK YOU!

Please enjoy this sampling of our year in pictures of what God has been doing through praying people like you. As you peruse the photos, could you pray for us and our servicemembers?

Also, we are looking for help to build our support team. Here are some ideas. If you're part of a church, could you represent us to your mission team? If you're part of a small group, perhaps they would take an interest in our ministry to the military. Do you know someone who is connected to the military? They might have a heart for this mission field. Maybe you used to support us or have not yet joined? Any monthly amount or year-end gift is a blessing, as it contributes to the whole. For us to maximize the fruitfulness of our ministry, our goal is to raise \$2,500 per month. Will you please join us in prayer about that?

Cindy and I desire to live our lives trusting God and being obedient with this life He has given us. He has blessed us with awesome children, a home to live in, and wonderful servicemembers to invest in. Thank you for your partnership and for following along on our journey.

God bless you!
