PRAYING FOR MINISTRY TO THE MILITARY

FEBRUARY 2022

PRAISES

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**
Praise God for continued support in prayer and finances for the Hangar Hospitality House.

❑ **Sharyn Holl, Fort Hood, TX**

There were 11 women at our weekend retreat to learn about prayer, spiritual gifts, and rest. Each woman took a spiritual gift test and was able to share her results and be affirmed by the group. Pray for each to continue to pursue ways to use her gift for God's glory.

❑ **Ralph and Betty Camp, Ambassadors, NV**

Our women's Bible study continues to grow spiritually and numerically. Praise God!

WEEK OF JANUARY 30

❑ **Julie Converse, Ambassador, AK**

I ask for your prayers for myself and my family as we daily learn how to walk down this new road of life without my husband Ken. February 9 will be 12 weeks since the Lord called him Home. Pray as I continue with the women's ministry here at Fort Wainwright. Also, please pray for a couple to come who will be able to join me in reaching these Soldiers and continue the men's ministries that Ken had faithfully been doing for 30 years. There are chaplains and Soldiers who are missing his teaching and outdoor activities. Thank you so much for your prayers!

❑ **Beth Mabry, Kadena Air Base, Japan**

COVID-19 cases have been rising, resulting in a government-issued state of emergency and heightened restrictions for the military community. We've once again had to scale back some of our ministry gatherings throughout the week, in addition to adjusting the gatherings we're able to continue holding. Many folks in our ministry are feeling weary from the ups and downs of ever-changing restrictions. Please pray for endurance and for wisdom as we continue to rethink our ministry to meet the needs of those in our community.

❑ **Dan and Becke Haas, Home Assignment, NY**

We rejoice in the purchase of a used AWD vehicle! Please pray, as we bought it out of state and need a special plate to drive it back to NY. The DMV here is closed for three weeks due to COVID-19. Pray we find a way to drive it home.

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

Praise God for the opportunity to start ten small groups for January and February with dinner and Bible study. Pray for the new facilitators. Pray also for family and friends with COVID-19 in the States. Finally, pray for the chapel as they start Sunday school for children after the COVID-19 shutdown.

WEEK OF FEBRUARY 6

❑ **Sharyn Holl, Fort Hood, TX**

Several new women have joined my two spring Bible studies. Pray for new insights into Jesus as a Rabbi in the Gospels, and in Genesis as we explore Cain and Abel and life after the fall.

❑ **Robin and Linda Windisch, Baumholder, Germany**

As we face another round of tighter COVID-19 restrictions, please pray for creativity in how we continue to minister to the community and for endurance to continue through this pandemic.

❑ **Lorene Glynn, Air Force Academy, CO**

During these days of winter when there are less hours of sun in the day, the cadets have a harder time settling down to keep up with their studies. Pray that they will make time to be in God's Word and be faithful to pray for their classmates.

WEEK OF FEBRUARY 13

❑ **Lou and Cathy Rozmiarek, Headquarters, CO**

We will be hitting the road February 15 – March 6 to check in on Cadence missionaries and supporters. Please pray for deep conversations, good fellowship, and safe travels.

WEEK OF FEBRUARY 13 CONTINUED

❑ **Brian and Cathy Hutchens, Home Assignment, NY**

Our daughter Ashley will have surgery to replace her lower left jaw on February 15. They will remove the nerve where the benign tumor is located which is destroying the bone. She will lose permanent feeling in this area. Pray for a successful surgery and rapid healing, and that Cathy and I can minister to her in the days following the surgery. Pray also for the remainder of our support to reveal itself. We have about \$2,400 a month to raise.

❑ **Chris and Jenny Jolin, Camp Humphreys, South Korea**

COVID-19 cases on post are rising, and many units are enforcing strict and lengthy lockdowns. Please pray the cases decrease and for the mental, emotional, spiritual, and physical health of everyone in lockdown. Pray that we will be able to gather again soon.

❑ **Jennessa Randall, JBLM, WA**

We are starting a teaching series on relationships this month. Pray for RJ to explain biblical principles well and for our Soldiers to courageously live out God's counter-cultural plan for friendships and romance. Also, on February 20 we will start our servant team training. Pray this is a means of discipleship growth for our participants.

WEEK OF FEBRUARY 20

❑ **David and Joyce Schroeder, Headquarters, CO**

I (Joyce) am working on a little book based on a study of the military in the Bible. It's amazing how much this people group is woven throughout God's story. Please pray for wisdom for me and for my editors, and that this project will bring glory to the Lord and blessing to His people.

❑ **Ralph and Betty Camp, Ambassadors, NV**

Ralph has been working on transcribing his teaching notes on hermeneutics into manuscript form and is hoping to publish this. Please pray for him as he continues to work on this project. It is taking much time to document sources. Pray he will be able to finish in a timely manner.

❑ **RJ and Sabrina Prestwich, JBLM, WA**

We have been blessed with great growth in the ministry at JBLM over the last year. Please pray for us as we work to create and disciple a ministry team. We hope this will multiply the effective ministry already happening at JBLM and provide more opportunities for individual growth and discipleship as Soldiers step into deeper community and more responsibility serving others.

“We always thank God for all of you and pray for you constantly. As we pray to our God and Father about you, we think of your faithful work, your loving deeds, and the enduring hope you have because of our Lord Jesus Christ.”
