

A YEAR'S REVIEW IN PICTURES

Happy New Year! Last year was full of sweet ministry and keeping up with my growing kids. Here are a few snapshots of all that happened, with some of the dear faces that filled the year.

James Bible study group — In winter/spring 2021, I walked a dozen ladies through how to study the book of James inductively.

Again in 2021, we hosted monthly gatherings for military families. Our porch continues to be a blessing.

Samantha turned two in April. She is a loving little girl who lives life at full throttle. She brings joy to everyone she meets.

The summer gatherings get hot. The kids were thankful for ice cream sundaes for dessert.

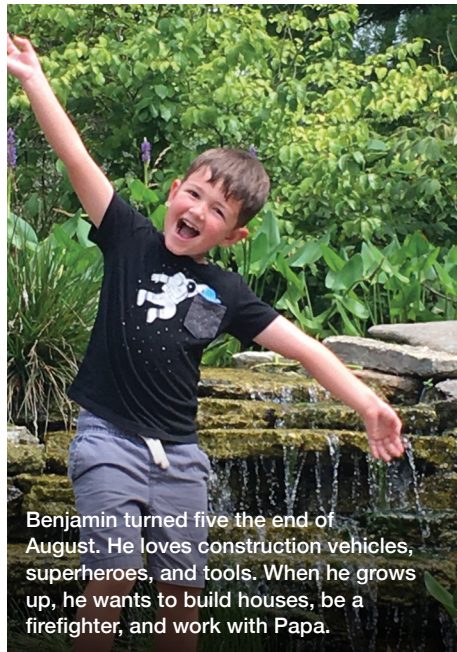

I had a summer moms' group that gathered weekly on the back porch. We prayed for one another and helped each other remember to lean on Jesus through the crazy days of summer with small kids.

PRAYER REQUESTS

- This spring, I will be teaching an inductive study of Colossians at PWOC. Please pray the Lord will use it to help women grow closer to God.
- In the past, childcare at Fort Jackson chapel events has been through the childcare system on post, which I could not use. There is the possibility now of a private group coming in to provide childcare for PWOC and MOPS. Please pray this happens, as it will solve a lot of my childcare needs for Samantha during ministry times.

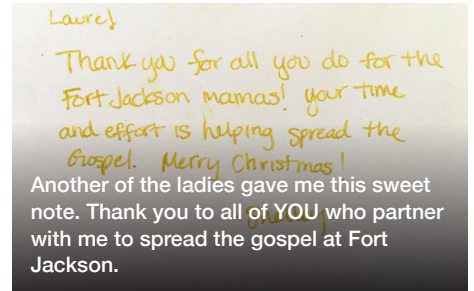

Our monthly gatherings continued into the colder months. We added lights and a bigger fire pit to help us all enjoy it more.

Benjamin turned five the end of August. He loves construction vehicles, superheroes, and tools. When he grows up, he wants to build houses, be a firefighter, and work with Papa.

Benjamin is in 4K preschool this year. He loves learning and thinks his teacher is the best. Samantha is a little jealous but also likes having the one-on-one time with Mama.

Thank you for all you do for the Fort Jackson mamas! your time and effort is helping spread the Gospel. Merry Christmas!

Another of the ladies gave me this sweet note. Thank you to all of YOU who partner with me to spread the gospel at Fort Jackson.

I've been leading six ladies at MOPS this year, and, in turn, they lead the women in their small groups. I have enjoyed helping them grow in learning how to minister to others. Abby, Kelsie, and Heather are three of those ladies.

DID YOU KNOW?

When you give with a credit card, I lose 3% of your donation to card fees. In 2021, that amounted to \$561 that I couldn't use for ministry. If you give via debit or credit card, would you consider increasing your giving by 3% to cover the processing fees? Or you could change your giving method to a direct withdrawal from your bank to avoid this fee. Log in to your donor account to make the changes or contact me if you have questions.

It was a great year! God is working in the lives of military families at Fort Jackson, and I am so thankful to be part of it. Thank you for all your support, prayers, and faithfulness through this last year. My prayer for you in 2022 is from Colossians 1:9-12, "... may [you] be filled with the knowledge of his will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him; bearing fruit in every good work and

increasing in the knowledge of God; being strengthened with all power, according to his glorious might, for all endurance and patience with joy; giving thanks to the Father, who has qualified you to share in the inheritance of the saints in light."
