

## Cadence Kids' Conference

The conference planning committee is working to set-up a fantastic week for the children, students, and young adults who will attend conference. They will be taught Bible lessons in addition to doing fun activities.

The Cadence Kids' program fee will be \$100 per child, youth, or young adult. This amount will be included as part of your total cost on your registration.

Children and students will be placed into the appropriate ministry group based on the age and/or grade reported in your registration. For school aged children, please mark their completed 2021–2022 grade on your registration. All families will receive additional details regarding their family's ministry program closer to conference.

### Children's Ministry

1. There will be staff to lead multiple age-based groups for children from infancy through fifth grade.
2. Children nine months through those just completing fifth grade are expected to participate.
3. Children's ministry will be available during our main sessions. Specific location and drop-off and pick-up times will be communicated upon your arrival at the conference.

### Student Ministry

1. There will be staff to lead middle school and high school programs.
2. Youth who just completed sixth grade through twelfth grade are expected to participate.
3. As with the childcare, these programs will run during our main sessions.

### Young Adult Ministry

1. We are excited about the staff who will be joining us to provide a separate experience for young adults (including college students).
2. On your registration form, please mark if your young adult would be interested in rooming with other young adults (same gender).
