

*Hello to all our faithful friends and partners in ministry!*

Penny and I have exciting news to share. This summer, we will be venturing out and away from Cadence to begin a 501(c)(3) non-profit named Military Casa! We will be moving to Rapid City, SD to work with military personnel stationed at Ellsworth Air Force Base. You can learn more by visiting our new website: [www.militarycasa.org](http://www.militarycasa.org).

You may be wondering why we are making this change. Well, there are several reasons and one of the biggest is our first grandbaby, Penny Rose, who resides eight hours to the west of Rapid City! Another reason is our parents, 10 hours to the east, who are getting older; we feel the need to be closer. Todd has always had an entrepreneurial and pioneering spirit, and we believe it's time to jump out into our next endeavor.

The non-profit is established, all the paperwork is done, and a five-person board is in place consisting of Peter Moss, retired submariner; Daniel Braswell, active Army Chaplain; Sonja Redmond, attorney at law; and Kevin Spence, missionary. Todd makes up the fifth vote. The only thing we await is our letter from the IRS for year-end tax receipting.

### YOU MAY BE WONDERING HOW YOU CAN HELP.

#### Prayer

- That our Lord and Savior would continue to bless this endeavor.
- That our IRS tax letter would get sent out ASAP.
- For the home we are in the process of buying in Rapid City, that the seller would agree to the terms of our third offer.
- For our move—international moves are very expensive and not easy, and all logistics are our responsibility.
- For the beginning months of our new ministry, building relationships with the Air Force chaplains and meeting airmen and women.
- To get our new home and place of ministry set up.

#### Gifts

We could use help with moving costs and startup funds. We will need to find good quality “new to us” furniture, as well as the right kitchen items to create an inviting “home away from home” feeling and feed our service members. Penny has an Amazon Registry on the Give page of our website [www.militarycasa.org](http://www.militarycasa.org). If the Lord leads you to help with kitchen items, they will be shipped to a friend in Rapid City who will store them until we get there. Any monetary funds donated on that page or given through Cadence by

utilizing the tear-off slip below will go towards moving and startup costs. As we transition, our Cadence account will remain open and active through August 31.

#### A 15-passenger van

It's a big ask, but you never know when someone has a gently used vehicle they don't need anymore. Todd will be doing excursions into the Black Hills weekly with our service members and a reliable van to move people and build community would be a huge help.

Thanks for taking the time to read about our “mission movement.” If you have any questions, please feel free to call us! Our number can be found below. As always, you can follow our blog for lots of photos, which tell a way better story than our words: [www.thebeaudinblog.com](http://www.thebeaudinblog.com).

Blessings friends—pray for us!
