PRAYING FOR MINISTRY TO THE MILITARY

MAY 2022

PRAISES

❑ **Jennessa Randall, Joint Base Lewis-McChord, WA**

Praise God that the repairs to my home due to water damage in January are finally done! It is great to be able to comfortably host Soldiers again. Please pray for the women who gather to study Romans each Wednesday night.

❑ **Sharyn Holl, Fort Hood, TX**

May 3 will be my last PWOC spring Bible study class on Jesus as a Rabbi. It's been a wonderful time with four faithful ladies who have been very excited about being equipped to study through the cultural lens of Jews during Jesus' day. They are already applying what we've learned and have been sharing it with others. I also praise God that the two Cadence Alumni events in our area were well-attended and were great times of reconnection and encouragement to all. Our faithful Father also blessed the ministry update I presented to a supporting church, resulting in several more prayer and financial partners. Finally, it was a privilege to share from Psalm 139 on God's thoughts toward us with 75 PWOC women and to lead a class at our Soldiers Hospitality House retreat to equip Soldiers on how to do inductive Bible study. Praise God for hearts hungry to grow and follow Him!

❑ **Joe and Jill Vincent, Spangdahlem Air Base, Germany** Praise God for supplying all our needs, including many wonderful volunteers at the Hangar. He is a faithful God.

❑ **Tim and Rebecca Hawkins, Europe Field Leaders, Germany** We are so thankful for all the donations that have come in for support of Ukraine relief. As a field, we have been able to assist Josiah Venture's work in the region, as well as several individual families that are in the process of relocating.

WEEK OF MAY 1

❑ **Paul and Stacy Cassidy, Headquarters, VA**

Praise God for a very productive Mobilization Team working retreat this spring. Pray for our team members as we have many action items as a result. Pray with us for the Lord to bring workers to the harvest!

❑ **Lou and Cathy Rozmiarek, Headquarters, CO**

On May 1, we will be attending a missions conference at a supporting church, our first since COVID-19. Please pray for good connections with the mission director and the people of the church. Pray for new opportunities to share the vision of Cadence and our ministry.

❑ **Chris and Jenny Jolin, Camp Humphreys, Korea**

Please pray for our transition from Korea to Texas. Korea has been our home for six and a half years. Pray for us all, especially our children (ages 19, 18, 16, 15, 4) during the transition. Pray that details would fall into place as we repatriate to the U.S. and that the Lord would guide our way as we settle into our new ministry location. Pray for traveling mercies as we fly on May 2.

WEEK OF MAY 8

❑ **Jeff and Candace Walton, Ministry Partnership Development, VA**

We are preparing to take over the Humphreys Hospitality House in South Korea this summer. While we have raised the necessary travel funds, we still have 26% of our monthly support to raise by June 1, 2022. Pray that God would pour out His blessing and that people would catch His vision and become our financial partners.

❑ **Bob and Glenda Ball, Victory Ranch, SC**

Glenda's dad recently had surgery on his skull to relieve pressure and drain fluid. Please pray for healing, for God's will to be done, and that he will be open to the gospel.

❑ **Lorene Glynn, Air Force Academy, CO**

Thank you all for praying for the ministry to the prep students. In mid-May, these students will graduate from the prep school in a ceremony held in Arnold Hall and attended by teachers, parents, and relatives. The preppies will be away from the Academy for five weeks and then return for the beginning of their cadet basic training in late June 2022.

WEEK OF MAY 15

☐ **Joe and Jill Vincent, Spangdahlem Air Base,**

Germany Please pray for the situation in Ukraine and its impact on those being deployed, as well as their families. Pray for us as we continue to love, care, serve meals, and share the gospel with the large group that gathers at the Hangar. Pray for our adult children as they were not able to fly into Europe due to regulations and flight cancellations. Pray as we travel to the U.S. this summer, that our time with supporting churches, family, and friends would be rich and fruitful.

☐ **David and Joyce Schroeder, Headquarters, CO**

We greatly appreciate your prayers as the conference planning team prepares for our Cadence worldwide staff conference in Wisconsin next month. As you can imagine, many details go into this important event. Pray also for our staff around the world as they prepare for travel and for time away from their ministries.

☐ **Frank and Ruth Ann Branham, Fort Carson, CO**

We recently met a young Soldier at church and invited him to The Gathering. He came last Friday night and seemed to fit right in. As I was teaching about John the Baptist and his despondency while in prison, I asked if anyone there had struggled with depression. This Soldier spoke up and said, "Yes, I tried to commit suicide two weeks ago." Please pray for him and so many other Soldiers who are struggling with thoughts of suicide and need the Lord's intervention.

WEEK OF MAY 22

☐ **Laurel Givry, Fort Jackson, SC**

I will be leading our MOPS group on Fort Jackson this next year. Please pray for the Lord to build a solid leadership team and for wisdom this summer as we plan and prepare for the coming year.

☐ **Peter and Tanya Kinney, Ellsworth AFB, SD**

We are grateful to have three churches lined up to share with in Northern California starting Memorial Day weekend and the following two Sundays. Please pray these will be meaningful times with our supporters and new partners, and that we will be a blessing to those we interact with. When we return to South Dakota, we will be hosting my mom, sister, and her three kids (we are looking forward to being uncle and aunt!).

☐ **Jennessa Randall, Joint Base Lewis-McChord, WA**

Our annual spring retreat is May 27-29. Pray our Soldiers will be able to attend and that they will dig deeper with God and each other during this time away.

☐ **Paul and Stacy Cassidy, Headquarters, VA**

Praise God for the missionaries who are close to completing their partnership development and will likely be released this summer. Pray for them to finish strong and take care of all the last-minute details relating to such a big move! Please pray for the communities that will be welcoming our new missionaries.

“Let love be genuine. Abhor what is evil; hold fast to what is good. Love one another with brotherly affection. Outdo one another in showing honor. Do not be slothful in zeal, be fervent in spirit, serve the Lord. Rejoice in hope, be patient in tribulation, be constant in prayer.”
