PRAYING FOR MINISTRY TO THE MILITARY

JUNE 2022

## WEEK OF MAY 30

### ☐ **Joyce Schroeder, on behalf of the Porter Family, Ambassador**

Cadence Ambassador, Wilma Porter, was welcomed by Jesus into heaven on May 1. Please pray for comfort for her family who is trusting the Lord during this time of grief and celebration. We are grateful for the many, many military people who were impacted for Jesus by Wilma's faithful life.

### ☐ **Brian and Aimee Kleager, Headquarters, CO**

I (Brian) am doing a seven-day bike ride in Burundi May 27–June 3 to raise money for our ministry partners there. Pray for God to be glorified through all the aspects of our ride. Pray for stamina and health for all five riders, as the days will be long and there are lots of hills.

### ☐ **Lou and Cathy Rozmiarek, Headquarters, CO**

Please pray for us as we travel to our Cadence worldwide staff conference in Green Lake, Wisconsin. We will be taking a road trip and will be gone for almost a month. Pray for safe travels and good connections with friends, family, and supporters.

## WEEK OF JUNE 6

### ☐ **Ralph and Betty Camp, Ambassadors, NV**

Praise the Lord that I am finally healed from shingles and surgery. I am grateful for His mercy.

### ☐ **Paul and Sandra Bradley, Western Pacific Field Leaders, ID**

Three new missionary families will be released to the West Pac field this summer. Please pray for their transitions, as they say goodbye to their family and friends, and say hello to a new location and ministry. Pray that the Lord will sustain them during these days and allow them to make good connections with those they will be ministering to once they arrive on the field. Pray also for their children, as transition can often be difficult for youth.

### ☐ **Laurel Givry, Fort Jackson, SC**

I will be stepping into the primary leadership role of our MOPS (Mothers of Pre-Schoolers) group at Fort Jackson this coming year. Please pray that the Lord will build my leadership team, give unity to this team, and give us vision for the coming year.

### ☐ **Jill and Joe Vincent, Spangdahlem AB, Germany**

Pray for Joe's mom. She's had bone cancer for three years. She is now in rehab for a broken collar bone and is experiencing a lot of pain. Pray for wisdom as we prepare to visit churches and partners in the US this summer. We will be making church presentations about our ministry on June 12 and 19, and July 10. Pray for the ministry at the hospitality house in Spangdahlem as we have four couples who will lead the ministry while we're away. We praise God for adding partners to the ministry in prayer and finances.

## WEEK OF JUNE 13

### ☐ **Joe and Caitlin Fletcher, NAS Oceana, VA**

We have a busy summer coming up with field trips for our Sailors, a backyard music festival on June 17, time off to attend our first Cadence conference, and other additions to our regularly scheduled Bible studies and fellowships. We are grateful for this present group of Sailors who call The Anchor their "home away from home" and pray that they will be diligent to continue to fellowship with one another as we take a road trip for a few weeks to and from the conference in July. Pray for the Sailors we presently have who are not yet believers, that they will come to know the Lord. Pray for those who do know Christ, that they would grow closer to Him.

### ☐ **Matt and Tina Huisjen, Vilseck, Germany**

We've been blessed to house six Ukrainian believers since late March. Pray for peace and that this global crisis would help us all to remember this world is not our home.

❑ **Frank and Ruth Ann Branham, Fort Carson, CO**

Two of our soldiers, M and A, are deploying to Germany this month. Please pray that God will use this in their lives for spiritual growth. They will not be together, so pray they will discover God's provision for fellowship quickly.

❑ **Chris and Melissa Stephenson, Wiesbaden, Germany**

Please pray for safe travels stateside and back this summer. Chris's father's health is failing, and we plan to devote time to being with him as it could be our last visit with him. We hope to reconnect and share what God has been doing in our ministry with current supporters as well.

**WEEK OF JUNE 20**

❑ **David and Joyce Schroeder, Headquarters, CO**

After two years of postponement, the Cadence worldwide staff conference is taking place in Wisconsin June 25–30. We are excited! Our theme is "Unhindered." We have seen the Lord move His Kingdom forward during the pandemic. Pray for God's blessing in every way on each precious person there. May God be glorified, and His people encouraged and equipped in these days.

❑ **Andrea Haddock, Headquarters, SC**

Please pray for the Pastoral Care Team as we intentionally connect with our missionaries from around the globe at conference.

❑ **Tim and Rebecca Hawkins, Europe Field Leaders, Germany**

The Europe field staff will be traveling all throughout this month for the mission-wide conference. Please pray for their ministries, those filling in for them, and good connections with family, friends, and supporters for those traveling before and after the conference.

❑ **Ken and Christi Say, Partnership Development, AZ**

Please pray that God will continue to connect us with those who will have a heart to partner with us and help us reach our financial goal so we can be released to the field.

**WEEK OF JUNE 27**

❑ **Nate and Louise Johnson, Travis AFB, CA**

Please be praying as we prepare the Travis Hospitality House for the transition to the incoming house directors, Zach and Cassandra Brown, in August. Pray for them as they prepare to step in, and for us as we say farewell to the members of the Travis community. We praise God for a great transition of the Peak Airmen Ministry Center to Cadence teammates, Steven and Rachel Harvell. We are excited for the impact that both couples will have on God's kingdom as they faithfully serve at Travis.

❑ **Lorene Glynn, AF Academy, CO**

I give many thanks to our Lord for His ministry to the prep students during this school year. In late June, these graduates will register at the Cadet Wing for a longer basic training as they begin their four years as students at the Wing. Your prayers for us make a difference and we are so very grateful.

❑ **John and Marcie Good, Home Port, Hawaii**

Please pray the Lord would help us sell the remaining items we're trying to divest, and that He would lead us to know best how to ship the rest of our belongings. Pray also for guidance on whether to ship our car or have a "new" car delivered/purchased when we arrive at Home Port in Hawaii. God continues to answer our prayers for partner support. Our prayer continues to be for God to fully provide our financial needs by August, at which time we will assume leadership at Home Port.

❑ **Michael Martin, Camp Humphreys, Korea**

I am grateful to the Lord for being able to serve the youth on Sundays while continuing with my other ministry activities at the chapel. We are equipping the students with apologetics so that they can impact their schools, neighborhoods, and communities. I am serving alongside one of our chaplains who is a refugee from Cuba and has a wonderful family.
