PRAYING FOR MINISTRY TO THE MILITARY

JULY 2022

## WEEK OF JULY 3

### □ **Laurel Givry, Fort Jackson, SC**

I am leading our MOPS (Mothers of Preschoolers) group this next year. Please pray for me and my leadership team to have wisdom this month as we plan out the year. Pray for unity on our team and for God to use this ministry to support and encourage moms while connecting them to Jesus.

### □ **Sharyn Holl Fort Hood, TX**

I am praying for insights and cultural understanding as I take an online class on Genesis to assist me in writing a Bible study which I plan to teach at PWOC this fall. Pray for our Fort Hood Cadence team as we transition this summer to new hospitality house directors.

### □ **Uk and Manuela Chong, Chiang Mai, Thailand**

We have seen God bring four Royal Thai Police lieutenants into our discipleship group over this past year. Our Thai ministry partners are at maximum capacity, so we are asking the Lord to send two more Thai couples who are mature Christians and have experience in making disciples for Christ.

We praise God for protecting our son who was in a car accident. He came out of the totaled car with just some lacerations. We are so grateful.

## WEEK OF JULY 10

### □ **Joe and Caitlin Fletcher, NAS Oceana, VA**

Please pray that God would bring us new financial partners for our ministry. This would not only make up for a recent drop in giving but also see us fully funded, which will enable us to continue the work He sent us to do at The Anchor.

### □ **Jeff and Candace Walton, Camp Humphreys, South Korea**

We are moving to South Korea to become house directors for the first time. Pray for safety during our travels, health especially related to COVID requirements, and that our three boys would cope with the flight and transition well.

### □ **Greg and Heidi Carlson, Naval Base Kitsap, WA**

Pray that two young couples would join with us as we begin this new hospitality house ministry. Pray for another unbelieving, unmarried couple we are working with who is in a relationship crisis. We are meeting with them separately for Bible study and together for their relationship. Also, pray we can find an excavator and complete our backyard project by mid-July as we prepare for our grand opening. We've had several commitments that have fallen through.

## WEEK OF JULY 17

### □ **Frank and Ruth Ann Branham, Fort Carson, CO**

On July 18–21, I (Frank) will be the missionary speaker at Whispering Winds Bible Camp. My theme is "Missions and The Conflict of The Ages." Please pray for the ability to connect with the teens for the great cause of world missions. I also hope to bring a soldier or two along with me.

### □ **Jill and Joe Vincent, Spangdahlem, Germany**

Pray as we travel to the USA this summer and for the couples who will continue the ministry while we are away. Please pray for our time with family, as Joe's mother passed away in May.

## WEEK OF JULY 24

### ☐ **Chris and Jenny Jolin, Home Assignment, USA**

Please pray for the transition at Fort Hood. Our family will step into ministry as the Bloskers step out to move to the hospitality house in Rota, Spain. Please pray for a smooth hand-off with all the many details. Pray as new partnerships and teams are formed. Pray for the children in both families as they will experience many changes.

### ☐ **Lorene Glynn, Air Force Academy, CO**

At the Cadet Wing this month, the new class of a thousand basic cadets has been involved in rugged outdoor training at the Air Force Academy. It's my prayer that it is a time of maturing, spiritually and emotionally, for these new basic cadets.

### ☐ **Chris and Melissa Stephenson, Wiesbaden, Germany**

We praise God for two blessed years of ministry! Please pray for our Koinonia groups that will meet in smaller home settings throughout the summer. We thank God for the five families opening their homes for Bible study and dinner.

## WEEK OF JULY 31

### ☐ **John and Marcie Good, Home Port, HI**

Please pray for God's blessing as we move to Hawaii and begin ministry at Home Port Hospitality House beginning August 1.

### ☐ **Michael Martin, Camp Humphreys, South Korea**

Mayflower Chinese Church is still seeking refugee status here in Korea and, eventually, in the US. Their goal is freedom of worship and they escaped China to seek that. Please pray that the Korean government, which grants less than three percent of requests annually, will show mercy to these Christian families. They have submitted requests to the US government, and there are churches in Texas who are willing to sponsor them.

This summer, I will be in the US visiting family, friends, my home church, and ministry partners. I would appreciate prayers for my safety while riding my motorcycle for most of that, especially in Texas, as it's been four years since I've been on my bike.

### ☐ **Nate and Louise Johnson, Travis Air Force Base, CA**

Please pray with us as we work on a plan to move our household goods to Colorado and as we transition from Travis Air Force Base in August.
