PRAYING FOR MINISTRY TO THE MILITARY

AUGUST 2022

WEEK OF AUGUST 7

□ Ralph and Betty Camp, Ambassadors, NV

We praise God for the Cadence Conference in Green Lake, Wisconsin, in June. We were able to meet so many new missionaries and catch up with many old friends—a little foretaste of heavenly reunions! Please pray for the folks who got COVID-19 during and after the conference, that they won't have lasting problems.

We fly to Las Vegas on August 14 for a few days of R&R with Ralph's brother and sister-in-law. Please pray for good family time for all of us.

□ Michael Martin, Camp Humphreys, Korea

Pray for S as he deals with stressful family issues involving his mom and siblings. Also, a long-time friend (retired military personnel) has abandoned his wife for the third time in a year, sacrificing relationships with his children, grandchildren, church, and friends, all in an effort to find happiness. Pray that he would return to his wife and follow Christ.

□ Wes and Elaine Auldridge, RAF Lakenheath, England

Please pray for us as we try to reach out and minister to the Airmen at RAF Mildenhall, as well as Lakenheath. We are working to build relationships with the chaplains and the community on that base with the hope of eventually building a unified Protestant Single Airmen program for both bases.

WEEK OF AUGUST 14

□ Sharyn Holl, Fort Hood, TX

I'm thankful for time this summer to finish re-writing my Genesis 1–3 study which I will teach at Protestant Women of the Chapel (PWOC) this fall. We will look at insights from the literary structure and seek to resolve “problems” in the narrative. These chapters are so foundational to understanding all of Scripture, so pray for the Holy Spirit to illuminate our understanding.

I'll be attending the Infusion Bible Conference on August 15–17. We will be taught how to study the Bible in its original context. This year's theme is all about John, his life, legacy, and last words.

□ Gene & Anne Poppino, Headquarters, WA

We are leading two Member Care retreats this month, August 14–18, and August 21–25. Pray for us as we ask questions, listen carefully, and guide our missionaries through a debrief process. Debriefing is a crucial part of spiritual and emotional health for our missionaries, and we are looking forward to providing that opportunity for them.

□ Jill and Joe Vincent, Spangdahlem Air Base, Germany

We are thankful for the Cadence conference. We enjoyed meeting everyone and learning as we came together as the body of Christ. We were blessed!

WEEK OF AUGUST 21

☐ **Lou and Cathy Rozmiarek, Headquarters, CO**

Please continue to keep the Cadence Japan project in your prayers. We have learned that the Japanese Government has accepted our most recent paperwork and we have one final document to provide them. This has been a long process, but it will allow for more ministry to happen in Japan if we get approved. Pray specifically for God's perfect will and timing as we move forward.

☐ **Bob and Stephanie Caudle, Anchorage, AK**

Please pray for us as we begin the journey of leaving Alaska, that we would be quick and wise in our packing up and clearing out of unnecessary items, and that our farewells would be sweet. The Hallfords, the incoming hospitality house directors, will arrive in mid-August, at which time we will begin to transition the ministry over to them.

We have been praying for God to fill the upper leadership of JBER with devoted Christ-followers so His work will go forward unhindered and even encouraged and supported. For months He has faithfully been answering that prayer with amazing people who love Him.

☐ **Jeremy and Kim Cover, Fort Bragg, NC**

Please pray with us as Soldiers return from deployment, that they may be open to the gospel, and that those who have come to know Christ will continue to grow in their new faith and not be distracted. Also, please pray that we will continue to wait and trust the Lord for his provision and multiplication.

☐ **Sharyn Holl, Fort Hood, TX**

Pray for our Fort Hood team in August as we welcome our new hospitality house directors, Chris and Jenny Jolin, and their family. Pray that we would begin to build strong and healthy relationships with one another, and for wisdom as we plan our fall ministry.

WEEK OF AUGUST 28

☐ **Frank and Ruth Anne Branham, Fort Carson, CO**

It seems like we have already had a very full summer. We traveled in June and July, and we will be traveling again in September. We both had COVID-19 last month and are happy to have recovered. We're praising the Lord for what looks to be a "normal" August. We are enjoying our studies in the Gospel of John. God is good!

☐ **Joe & Caitlin Fletcher, NAS Oceana, VA**

Except for a minor fender bender on our way to the Cadence conference, our family stayed safe and healthy on our road trip. We recently received two increases in monthly giving from donors, a one-time donation, and we have two potential future donors. Thank you for praying! We appreciate your continued prayers for a fully funded ministry.

☐ **Char Hauser, Marine Corps Base, HI**

The 2022–23 kick-off for our EWOC ladies' ministry starts at the beginning of August. Our theme is "perseverance." Pray that we welcome many new women as we begin to learn how to persevere in the truth. I'm excited about our first study, *Discovering the Good News in John*. Once the ladies learn more about who Jesus is, they will have a firm foundation to build on.

☐ **Ashley & Kevin Phillips, Yokota Air Base, Japan**

Pray for the youth here in our community, that they will continue to grow in their faith. Please pray for us and our volunteers as we lead and love these youth.
