PRAYING FOR MINISTRY TO THE MILITARY

SEPTEMBER 2022

WEEK OF SEPTEMBER 4

□ Jennessa Randall, JBLM, WA

Please pray for our camping trip on September 2–4. We'd love dry weather and to be allowed to have campfires. We are focusing on prayer. Pray that our crew will grow in their understanding of prayer and for comfortability in praying alone or with others.

□ Lorene Glynn, Air Force Academy, CO

The long weekend of September 3–5 is Parents' Weekend at the Academy. It is such an exciting time, especially for new preppies and new basic cadets, as they are visited by their moms and dads. Pray that these parents will cheer on each of the students, spiritually and academically.

□ John and Marcie Good, Home Port Hospitality House, HI

Pray as we look into hosting a special grill/cookout Labor Day weekend, as well as other special events in the coming months.

□ Sharyn Holl, Killeen, TX

I will be joining the Women's Retreat at my supporting church on September 9–11. Pray for meaningful times in the Word along with good connections with the women that will encourage and refresh my spirit.

WEEK OF SEPTEMBER 11

□ Peter and Tanya Kinney, Ellsworth AFB, SD

One of our joys, besides weekly dinners and Bible studies (we are currently studying the Gospel of Luke), is hosting military members in our ministry. Right now, D is staying with us. In early September, the F family will travel to see us for a week while they PCS (Permanent Change of Station). This couple met at our previous hospitality house and now have a baby. Our second guest room will be occupied by G as she attends military training. Pray that all who pass through this house will know they are beloved by God and us.

□ David and Joyce Schroeder, HQ, CO

The annual Cadence Leadership Summit (CLS) will take place in Colorado from September 12–16. We appreciate your prayers for God's blessing, guidance, and protection over this time and this group of leaders. May God use CLS for His glory and the furtherance of the gospel to the military.

□ John and Marcie Good, Home Port Hospitality House, HI

Please pray for our transition as the new house directors at Home Port Hospitality House, as we work on everything that needs to be accomplished to settle on the island, and that we will continue to serve the Lord and the people who come to the house with love and excellence.

□ Robert and Stephanie Caudle, Homestead Hospitality House, AK

Pray for clear thinking for us as we prepare to move and that there will be a beautiful hand-off of the ministry to the new directors, Ben and Simi Hallford.

WEEK OF SEPTEMBER 18

□ Frank and Ruth Ann Branham, Fort Carson, CO

Ruth Ann and I feel overwhelmingly blessed to have worked with Dick and MaryEtta Reynolds for the last three years. Please pray for them as they move into a different role with Cadence next month. Pray for us as we assume the leadership of the ministry to Fort Carson Soldiers. Pray also that God will provide another couple to work with us according to His timing.

□ Jill and Joe Vincent, Spangdahlem Air Base, Germany

Please pray for us as we return to Spangdahlem after our time in the states. Pray for the ministry to grow in the ways God directs. Pray as Joe and I grieve the loss of his mother, Fran.

□ Chris and Jenny Jolin, Soldiers Hospitality House, TX

As we transition into ministry at Ft. Hood, please pray for our family. Also, pray for our team, our Soldiers, our military families, and for the Bloker family as they transition from the SHH to ministry in Rota, Spain.

WEEK OF SEPTEMBER 25

□ Katie Lambert, HQ, CO

Be praying for the mobilization team as we gear up for recruiting trips to colleges in the second half of September and all of October. We are all excited to go out, and we desire prayer for God-glorifying conversations as we share about Cadence and our ministries worldwide.

Over the past year, we have been building a foundation for internships within Cadence. This fall, we will be actively recruiting for ten summer interns and then will officially launch them in the summer of 2023. Be praying as we recruit and begin training our field staff.

□ Sharyn Holl, Killeen, TX

Pray for our Fort Hood team during this season of change as the Jolins take over as directors. We need continued grace as we all adapt and wisdom as we move forward.

Praise

□ Sharyn Holl, Killeen, TX

Praise God for the women He has drawn to my Genesis study to dig deeper with me. Pray that the Holy Spirit will guide us into the truths and lessons we need to love and obey Him more.

Praise God for our team training time to get to know each other better and be united as we move forward into ministry.

□ John and Marcie Good, Home Port Hospitality House, HI

The previous directors secured a grant for a new stove and microwave. God has provided a great deal on a very nice range that allowed us to purchase a quality microwave that also serves as a second oven. These appliances help us better serve our Soldiers and Sailors.

□ Peter and Tanya Kinney, Ellsworth AFB, SD

We praise God for the opportunity to meet some of our Cadence Ambassadors at the mission-wide conference, missionaries like Ralph and Betty Camp, who faithfully pray for us!

□ Jill and Joe Vincent, Spangdahlem Air Base, Germany

We are thankful for the prayer partners and additional financial partners we have gained while in the US. We are grateful to have been able to attend the wedding of our niece in July and are excitedly awaiting the arrival of our first grandchild in December.
