PRAYING FOR MINISTRY TO THE MILITARY

OCTOBER 2022

WEEK OF OCTOBER 2

□ Cadence International

Pray for Cadence Kids as they share their parents with military communities. Pray especially for young adult Cadence Kids—that God Himself would capture their hearts and ground their faith in His mercy, love, and truth.

□ Tracy and Karna Steel, Aviano, Italy

My wife Karna and I are re-opening the hospitality house in Aviano, Italy. We have found a perfect house for ministry, so please pray that we can raise the finances necessary to acquire this house. Also, pray that we get our visas soon so we can arrive in Aviano by October 3.

□ Lou and Cathy Rozmiarek, Headquarters, CO

Our candidacy is scheduled for October 2–8. Please pray for our candidates as they participate. Pray also for our selection committee as we seek the Lord's discernment and guidance as we make decisions on appointing them as missionaries.

□ Dave and Bonnie Lambert, Asia Field Directors, CO

We appreciate your prayers as we travel to visit each of Cadence's ministries in Asia during October. Pray that we will be an encouragement to each of the families we visit and for safety as we fly, train, and drive to each location.

WEEK OF OCTOBER 9

□ Danny and Kathryn Perez, East Coast Field Leader, NC

Pray for us as we travel in October to encourage Cadence staff in Virginia Beach and at Fort Drum. Pray for the Lord's perfect provision for a director for Victory Ranch outside Fort Jackson, South Carolina. We have wonderful directors presently, but they would like to work themselves out of the job!

□ Ken and Judi Wooten, Ft. Hood, TX

We are thankful for the owners of the house we have been renting since July 2011. However, they have decided to sell their house--please join us in praying that their house would sell. We will relocate to another house in Killeen the weekend of October 14–15. Please also pray as we enter a new season of ministry as Cadence Ambassadors.

□ Laurel Givry, Fort Jackson, SC

Praise the Lord for a great beginning to our MOPS year! Please pray for our leaders to grow in knowing God and in using their gifts to serve Him and His body, and for me as I lead them in this. Pray that God will use our group to be a light on Fort Jackson, to draw women to Himself, and transform women and their families into His likeness.

□ Katie Lambert, Headquarters, CO

During October, the mobilization team will travel to many universities for their missions weeks. We will be representing Cadence at CCU on October 3–7, Frontier School of the Bible on October 16–21, Moody Bible Institute on October 18–21, The Master's University on October 17–19, and Grace College on October 24–28. Be praying for safe travels and God-appointed conversations with students.

Please pray for our internship training for our field staff, happening October 11–12. This fall, as we talk to students at schools and share about Cadence's internship program, be praying for ten interns for the summer of 2023.

WEEK OF OCTOBER 16

□ Paul and Sandra Bradley, Western Pacific Field Leaders, ID

Please pray for us as we continue to care for the missionaries on our field. We have four new families on our field this fall, and we desire to come alongside them with wisdom and encouragement, to help them thrive in both their ministries and their personal and spiritual lives. Pray for perseverance, joy, and reliance on the Lord for these families.

□ Jennessa Randall, Joint Base Lewis McChord, WA

Our Labor Day camping retreat was great! Thank you for praying. This fall, our three Cadence staff and three of our volunteers are taking a biblical counseling class together. Please pray we grow personally and in our ministry skills through this class.

□ Sharyn Holl, Killeen, TX

The new Cadence house directors, the Jolins, have unpacked and opened the Soldiers Hospitality House again. Pray for us to continue to gel as a team and for God to bring new Soldiers who want to know Him and grow.

□ Charis Etter, Headquarters, CO

My aunt was recently diagnosed with cancer, and we're not sure if she'll survive more than a few weeks. Pray for her family as they go through this and for my mom and sisters as they support my aunt and family members.

WEEK OF OCTOBER 23

□ Brian and Cathy Hutchens, Fort Polk, LA

Pray for the completion of our childcare area and other projects. Pray also for our son and daughter-in-law as they are anticipating the birth of a son in December who has a 100% fatal birth defect called anencephaly (no skull).

□ Ralph and Betty Camp, Ambassadors, NV

Our ladies' Bible study is studying the book of Philippians. We are using study helps, but no guidebook. Pray for wisdom as we study.

□ Jeff and Candace Walton, Humphreys Hospitality House, South Korea

Please pray for our friend whose husband is not yet a believer and is resistant to any activities in which the gospel might be shared. Pray that he would be open to attending the hospitality house with his wife and that he would come to trust in Jesus.

Praise

□ Lorene Glynn, Air Force Academy, CO

October 1 is my 60-year anniversary as a Cadence missionary. I give many thanks to God for His faithfulness through all these years.

□ Sharyn Holl, Killeen, TX

I thank God for a meaningful women's retreat with my supporting church. It was a great time in the Bible with a gifted speaker and some good connections with the women. The women in my Genesis study are giving me positive feedback on the new insights they are learning as we dig deeper into the Jewish author's use of literary structure to reveal truth.

□ Danny and Kathryn Perez, East Coast Field Leader, NC

Praise the Lord that He is providing a salary for me. Please pray that this goal will be completely realized and that additional partners will be found before we begin our Home Assignment in January.

□ Brian and Cathy Hutchens, Fort Polk

We are so thankful for so much that the Lord is and has been doing in our transition as we start a new ministry here at Fort Polk in Louisiana. He has greatly provided for our physical needs and has poured our spiritual blessings on our family. We are blessed beyond all measure.

□ Ralph and Betty Camp, Ambassadors, NV

We praise God for the safe delivery of our great-grandson, Owen Curtis Camp, on September 4. He weighed in at 10 pounds, 7 ounces, and was delivered by c-section at 41 weeks. Parents Drew and Elise are doing well.
