PRAYING FOR MINISTRY TO THE MILITARY

NOVEMBER 2022

## **WEEK OF NOVEMBER 6**

### **□ Ralph and Betty Camp, Ambassadors, NV**

We will travel to Oregon from November 1–7 to meet our new great-grandson, Owen. Our car is older. Please pray for no problems or accidents as we travel.

### **□ Nate and Louise Johnson, Home Assignment, CO**

Please pray with us as Louise speaks at a MOPS group in San Antonio on November 3. Pray for wisdom as she leads a session on hospitality for young moms. Pray also for us as we are in the midst of partnership development.

### **□ Joe and Caitlin Fletcher, NAS Oceana, VA**

Caitlin will be taking a group of ladies on November 3–5 to the Museum of the Bible in Washington D.C. for a women's conference. Please pray for fruitful discussion, growth, and strengthening of relationships with new and existing Sailors and spouses in the Anchor community.

### **□ Laurel Givry, Fort Jackson, Columbia, SC**

On November 4, our MOPS group will be covering some hard topics: human trafficking and pornography. These are difficult things to talk about, especially in light of how they could touch our kids. But we want to equip these young moms with truth, light, and hope amid our dark and broken culture. Please pray for their hearts as they hear these topics, that they will let Jesus guide them in how to receive the information and how to act on it for their particular families.

Pray especially for those who may be triggered by past trauma or pornography issues in their families. Pray, too, for our entire leadership team as we follow up with ladies after this challenging meeting, that God will give us wisdom and discernment.

### **□ Tim and Rebecca Hawkins, Europe Field Leaders, Germany**

The ladies from the European field will be together for a retreat from November 7–11. Pray for rest, connection, and spiritual renewal during the week.

### **□ Mark and Carol Kohl, Ambassadors, SD**

This is our first month as Cadence Ambassadors. Pray that we might represent Cadence well in all we do. We just moved into our new home with anticipation that God will use this house as He desires.

Carol will have foot surgery on November 11. Pray that all will go well and that the healing will be complete.

## **WEEK OF NOVEMBER 13**

### **□ Lou and Cathy Rozmiarek, Headquarters, CO**

Please pray as we visit Fort Bliss from November 9–14. We are excited to have Isaac & Andrea Beasley doing ministry as Cadence Associate Field Staff (CAFS). We will travel to visit supporters along the way to El Paso. Pray for safe travels and a good visit with the Beasley's.

### **□ Dick and MaryEtta Reynolds, Headquarters, CO**

As we begin Ambassador Care full-time, pray that we are diligent with a new schedule of both administrative work and timely visits to our retirees in Cadence. We will make visits to see some of our Ambassadors from November 1–21.

### **□ Larry and Brender Blakely, Home Assignment, VA**

Pray for souls to be saved and relationships to be restored as we counsel people. Pray that we will be fully supported financially before our home assignment is finished in March 2023. Pray God will send volunteers to help get the hospitality house ready to open back up. We have a lot of organizing to do. Pray for BB's healing from back pain, low energy, diabetes, and other ailments.

## **WEEK OF NOVEMBER 20**

### **□ Dwight and Letty Grismore, USAG Benelux Brunssum, Netherlands**

Please pray that Letty's green card would come through in a timely manner so we can move to the States to rest and begin planning for our next ministry assignment.

❑ **Wes and Elaine Auldridge, Lakenheath, England**

We are officially in our third year in England! As the community continues to grow, please pray for continuity and connections with our young adults. Pray for our relationship with the RAF Mildenhall Chapel. We would love to see more single Airmen join us from that base as well.

❑ **Ben and Melody Bloker, Rota Naval Base, Spain**

We are excited to begin ministry at our new location! We praise God we were finally able to obtain our visas and that we have arrived on the ground. Please pray for all the details to come into place as we transition to our new home, and that there will be a smooth ministry turnover with the Yaryan family.

❑ **Sharyn Holl, Fort Hood, TX**

My women's Bible study on "Questions God Asks" is growing with four new women. We're focusing on transformation as we ponder questions like, "Where are you? What do you want? Why are you so afraid? Are you not more valuable? Do you love Me?" Pray for our hearts to be honest and drawn closer to our Lord as we answer Him.

**WEEK OF NOVEMBER 27**

❑ **Paul and Sandra Bradley, West Pac Field Leaders, ID**

Pray for the new ministry at Naval Base Kitsap, a strategic naval and submarine base in Washington state. Pray that God would begin to bring to the hospitality house those Sailors and military personnel who need to experience the love of Jesus.

❑ **Frank and Ruth Ann Branham, Fort Carson, CO**

This month we begin hosting Soldiers in our condo once again. We are looking forward to having these guys in our home. Please pray that we and the Soldiers will endure this transition well. We also would ask you to pray for two of our Soldiers, one who has left us for an assignment in South Korea and another who has returned to Nebraska after having finished his time in the Army. These are both strong Christian young men.

❑ **Brian and Cathy Hutchens, Fort Polk, Louisiana**

Next month our daughter-in-law and son will welcome into the world our fourth grandchild, this time a boy named Ananias James. However, we know that he has anencephaly, a fatal birth defect, and he will not survive long after birth if he is even born alive. Please be in prayer for David, Chantal, and their one-year-old daughter Adeline as they experience this loss. We will be traveling to walk part of this road with them so pray for our presence and our hearts as well.

❑ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Pray for our neighbors who are struggling with a marriage crisis and addiction.

Pray for Joe and our family as we grieve the loss of his mother and celebrate her life at her burial in West Point, New York.

# Praise

❑ **Lorene Glynn, Air Force Academy, CO**

I am thankful to the Lord for the kindness of Cadence staff as they make plans for a luncheon here in Colorado Springs on November 4 to celebrate sixty years of ministry for me. Pray that those in attendance will glorify the Lord Jesus as we fellowship with one another. To God be the glory for His faithfulness throughout the last 60 years!

❑ **Lou and Cathy Rozmiarek, Headquarters, CO**

Thank you for your prayers over the years for our Cadence Japan hojin (non-profit status) process. We have been approved for our religious hojin in the Kanazawa Prefecture. The next step is to receive our national hojin. Thank you for praying & please continue to pray for favor with the Japanese government as we submit our application.

❑ **Jeff and Candace Walton, USAG Humphreys, South Korea**

Praise God our container arrived at the end of September with minimal items broken so far. Pray as we continue to unpack amid ministry and as we homeschool our children.

❑ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Praise God for many the volunteers who help with the Hangar House ministry. Pray for unity as we encourage each other in our faith and reach out to others in the community. We also praise God for more newcomers coming to faith in Jesus Christ our Lord.
