PRAYING FOR MINISTRY TO THE MILITARY

DECEMBER 2022

WEEK OF DECEMBER 4

□ Julie Converse, Fort Wainwright, AK

I am flying to Anchorage on December 8 to have back surgery to fuse two of my lumbar vertebrae. Thank you so much for your prayers.

□ Greg & Heidi Carlson, Naval Base Kitsap, WA

In November, we started “Dinners on Tuesday” for Sailors and the families of deployed personnel. Pray for these evenings as we build community, especially as deployments here begin in December for several of those we’ve met.

Several local church families have extended invitations to military personnel for the holidays. Pray for tables filled with Sailors and that they would experience the joy of being part of a caring family.

□ Brian Kleager, Headquarters, CO

In partnership with Living Hope Communities in Burundi, we are putting together prayer and partnership cards to support their ministry work in the Wounded Soldier Community of Mpanda. Please pray that this will lead to a fruitful partnership in connecting people to pray and support these needy Soldiers, ultimately sharing the hope of Christ in word and deed.

WEEK OF DECEMBER 11

□ Nate and Louise Johnson, Home Assignment, CO

Please pray with us as Louise goes to a training conference on December 12–15 and as we assimilate that information into our ministry. Please also pray as we continue to process our transition from Travis Air Force Base to Denver.

□ Brian and Cathy Hutchens, Fort Polk, LA

Our son and daughter-in-law are expecting Aeneas James Hutchens sometime after December 16. He is anencephalic (he has no skull) and will likely live only moments or a few hours after he is born. Please keep our family in prayer. We are traveling to be with them when Aeneas is born. We will attempt to have a baby dedication as soon as he is born.

The Fort Polk Hospitality House ministry is going well, and we see the Lord providing and leading.

□ John & Marcie Good, Joint Base Pearl Harbor-Hickam, HI

We are working with the Pearl Harbor Memorial Chapel’s chaplains to lead a biblically based, Christ-centered personal financial management study beginning on January 17 for ten Tuesdays. Please pray we will be ready, that the response stays strong, and that the impact is great.

Praise

□ Ciera Donahue, Headquarters, TN

The Mobilization team is thankful for the amazing connections and conversations we’ve had with students on recruiting trips and in follow-up conversations. Please be praying for our team and for students as they consider serving with Cadence.

□ Jill and Joe Vincent, Spangdahlem Air Base, Germany

Praise God for answered prayers! N and S just arrived in the country in October and are already volunteering. We are blessed to share the gospel with new Airmen and German neighbors.

□ Lorene Glynn, Air Force Academy, CO

We thank our Lord for His watchful care over the prep students. They have made it through their first six months at the prep school. We thank the Lord for Chaplain L, his ministry to the students, and his sermons on Sundays.

WEEK OF DECEMBER 18

☐ **Chris & Jenny Jolin, Fort Hood, TX**

Please pray for us as we enter our first Christmas season in our new location. May we reach many new Soldiers with the hope of Jesus in this season that can be hard for many.

☐ **Matt and Tina Huisjen, US Army Garrison Bavaria, Germany**

Please pray for our kids as they travel from the U.S. to be with us for Christmas. Pray that we will get some sweet family time in the middle of all the busyness.

Pray that we will connect with single Soldiers who especially need to be here during the holidays and that they will feel at home and see more of Jesus as we share Christmas with them.

☐ **Frank and Ruth Ann Branham, Fort Carson, CO**

Please pray for our 38-year-old son who is dealing with some challenging issues. We have not had contact with him for a year.

☐ **Chris & Melissa Stephenson, USAG Wiesbaden, Germany**

Pray as we enter the busy holiday months that we will rely fully on the Lord for faithful endurance in our ministry work, time dedicated toward one another, and margin for rest.

WEEK OF DECEMBER 25

☐ **Andrea Haddock, Pastoral Care Team, NC**

Please be praying for all who are far from family and loved ones as they serve our military. May their homes be beacons of light to the dark world as they celebrate the birth of Jesus!

☐ **Katie Lambert, Headquarters, CO**

Intern applications for the summer of 2023 are due January 1. You can be praying for those who are deciding if an internship with Cadence is the right step, and that the application process moves smoothly.

We have more interest in Cadence Internships than we ever have! We are thankful for all the Lord is doing in and through the mobilization team.

☐ **Jennessa Randall, Joint Base Lewis McChord, WA**

Please pray for our Soldiers to grow in having eyes for the people in their barracks and workspaces, as well as those who are new to our Cadence group. Pray we are all intentional in reaching out to the lost and lonely during this holiday season which can be so hard for many people.

Praise

☐ **Chris & Melissa Stephenson, USAG Wiesbaden, Germany**

Praise God that our group is growing!

☐ **Frank and Ruth Ann Branham, Fort Carson, CO**

Praise God that two of our Soldiers are back from deployment.

☐ **Nate and Louise Johnson, Home Assignment, CO**

Praise God for a great time in November for Louise with the MOPS (Mothers of Pre-Schoolers) ladies in San Antonio. The ladies did a great job engaging with the subject Louise spoke on.

☐ **David and Jennie Osborne, MCB Quantico, VA**

Praise God for a successful ministry launch of the Ready Room ministry at Quantico! Pray that even more servicemembers will come and fellowship with them at the Ready Room on the first and third Friday of each month. (See Cadence.org/Quantico for more information.)

Praise God that He continues to open doors of opportunity to share the gospel in the Quantico, Pentagon, DC, and Northern Virginia areas.
