

Serving with Cadence International

JANUARY 2023

## WHAT IS A HOSPITALITY HOUSE MINISTRY?

A hospitality house is a home away from home and more. It is a place where military personnel and their families find a welcoming smile, a comfortable couch, a home-cooked meal, and a community of people who listen, love, and guide them to Christ. It's a life-changing, course-altering experience that can positively affect their leadership and service for the rest of their lives.

## FORBES HOME

Our home has always been a place where people can gather and all are welcome. As we transition to a full-time partnership with Cadence International, we are excited to continue to use our home to help U.S. Military personnel find a home away from home. Throughout 2023, we will be meeting with churches and individuals to help us discover those who might want to partner with us in ministry. When we have reached 50% of our support raised, we will begin discussions with Cadence as to the biggest ministry needs and the best location for us to use our skills and experiences to serve the military.

## LASTING IMPACT

Alex and Julie first came to our home when they were stationed in Bremerton, Washington, and we began building a relationship with them through pre-marital mentoring. Along the way, we discussed how their relationships with the Lord would impact their lives and their marriage, and this planted a seed for them to examine their hearts and what they were putting their faith in. After their wedding, the Navy transferred them, but our relationship with them continued. They now have three children, and Alex works as a lawyer while Julie teaches kindergarten. As they have grown in their faith and marriage, it has now come full circle and they have welcomed our daughter into their lives and home, mentoring her as she attends college.

## FAMILY UPDATE

With all three adult children either working or in school, we are having to get creative with how we get family time. Family dinners are few and far between! We squeeze in time here and there and enjoy coming alongside them as they see how they can best plug into the various work and volunteer opportunities that come their way.
