PRAYING FOR MINISTRY TO THE MILITARY

FEBRUARY 2023

WEEK OF FEBRUARY 5

□ Paul and Sandra Bradley, Western Pacific Field Leaders, ID

Pray for the Western Pacific field ladies as they gather for a retreat February 1–5 in Seattle. Pray they will experience rest, refreshment, and sweet times with Jesus and their teammates.

We will make a trip to Alaska at the end of February to visit our Cadence missionaries in Anchorage. Pray that we will be an encouragement to them.

□ Greg and Heidi Carlson, Naval Base Kitsap, WA

Please pray for encouragement for our USS Nimitz friends as they enter their third month of deployment. Also, pray that our new ministry will experience continued growth in our outreach to Sailors, and that these Sailors will bring their friends and coworkers. On February 3, we will move our ministry night from Tuesdays to Wednesdays. Pray for this transition.

□ Lou and Cathy Rozmiarek, Headquarters, CO

This month, I (Cathy) will be celebrating 50 years of walking with Jesus. On February 4, I have been asked to share at a women's event about God's faithfulness in my life for all these years. Please pray for God to be glorified in every word that I speak.

□ Angie and Duncan Sprague, Headquarters, CO

Please pray for us as we leave on February 7 in the Alumni RV for our first Alumni Regional Hubs in Texas and New Mexico. We will be in Texas until March 3. We have several events planned for Cadence Alumni and Friends during this time. We also have the honor of coming alongside Kevin and Sharon Scheible as they launch a new Cadence ministry in San Antonio. Visit Cadence.org/AlumniGetInvolved for more details on the Regional Hubs or email Angie at Angie.Sprague@Cadence.org for more information.

□ Laurel Givry, Fort Jackson, SC

On February 8, I will be having surgery to treat my breast cancer. Please pray for healing, for wisdom as we decide on further treatment, and that I will stay very close to Jesus in this difficult journey ahead of me.

WEEK OF FEBRUARY 12

□ Ciera Donahue, Headquarters, TN

Please pray as I travel to Cadence Headquarters February 12–18. Pray that the mobilization team will have a productive and encouraging time together.

Pray for J's son and many other Soldiers who are being shuffled around hotels while they wait for base housing. This transitional time can be very stressful. Please pray for Cadence staff to connect well with these young Airmen.

□ Jeremy and Kim Cover, Fort Bragg, NC

Our youngest child transitioned from five years of homeschooling to public school on January 18. Please continue to pray for the wisdom and love of Christ to overflow in our parenting as we work to grow boys who fear God into men who fear God.

We are hosting a Super Bowl party on February 12. Pray for a rich time of connection and fun!

We are attending a Soul Care Conference on February 25. Pray that we will grow in wisdom and understanding in how to care for the souls of others.

WEEK OF FEBRUARY 19

□ Brian and Cathy Hutchens, Fort Polk, LA

Pray for our family as we continue to heal from the loss of our stillborn grandson, Aeneas James Hutchens, born shortly before Christmas.

February 24 will be a night of dedication of our home to the Lord. Join us in praying for the Lord's work to be done in this place until He returns.

□ Chris and Melissa Stephenson, Wiesbaden, Germany

We both have personal prayer requests for our families. Chris's father is quite ill and will most likely pass this year. Melissa also has some family matters of concern. We are doing our best to balance ministry, marriage, and health while navigating very real family issues that we also feel the need to invest in. Pray for discernment in making time for our families this year.

WEEK OF FEBRUARY 26

□ John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI

Please pray that God would work in the hearts of those attending the biblically-based personal financial management study we are leading and that they would become Christ-centered in the way they manage their finances.

□ Laurel Givry, Fort Jackson, SC

Please pray for our MOPS group as we have recently lost our childcare providers. This is a big deal and makes our ministry to young military wives more challenging. Pray for the leadership team to think creatively on how to address this problem, for the moms to not be discouraged, and for relationships to continue to grow and deepen so that ladies may experience and know Jesus amid the chaos of all the little one with us.

□ Ken and Judy Wooten, Fort Hood, TX

Pray for us as Ken is trusting the Lord for an African missions outreach in May to Sierra Leone and Liberia. He will minister to their Armed Forces, civilian pastors, and churches.

□ Lou and Cathy Rozmiarek, Headquarters, CO

The Cadence Japan Hojin Celebration in January was a time when we reflected on God's goodness for the non-profit status that Cadence has been awarded. This will open up opportunities for more Cadence ministries in years to come. Thank you for praying!

□ Ken and Judy Wooten, Fort Hood, TX

Thank you for praying for the Greater Fort Hood Prayer Summit on January 28. God is at work in Central Texas.

□ Katie Lambert, Headquarters, CO

We have been praying for summer interns, and we've had more engagement and interest in our internships than ever before. We have filled each of our spots for this summer! We will now have the privilege of walking alongside them as they raise support and prepare to go to the mission field on May 15.

□ Joe and Caitlin Fletcher, NAS Oceana, VA

Thank you for praying for H, one of the Sailors we wrote about in our Christmas newsletter. She has finally been allowed to earn her qualifications so that she can prepare to head to her next duty station.

□ Chris and Melissa Stephenson, Wiesbaden, Germany

We praise God for our thriving ministry and that the financial support we've needed to cover rising energy costs has been supplied.

□ Jeremy and Kim Cover, Fort Bragg, NC

Praise God that my father, Dean, remains cancer free!

□ Brian and Cathy Hutchens, Fort Polk, LA

We praise the Lord for His abundant provision in 2022.
