PRAYING FOR MINISTRY TO THE MILITARY

MARCH 2023

WEEK OF MARCH 5

□ David and Joyce Schroeder, Headquarters, CO

For years you have joined Cadence missionary, Lorene Glynn, in praying for the “Preppies” at the Air Force Academy Preparatory School. Lorene’s ministry to them continued into her 80s as she wrote letters to former students and stayed connected to the chapel there. In November, we celebrated Lorene and her 60 years of ministry with Cadence. In an official letter of recognition, the Commander of the Preparatory School wrote, “I also want to personally thank you for your service devoted specifically to our Cadet/Candidates over the last 35 of those 60 years. Your impact has been felt for several generations of our Air Force’s future and current leaders.”

On January 18, Lorene departed for heaven, to the welcome and “well done” of her Savior. Her mind was still as sharp as could be, but her earthly dwelling was finished. We will miss her, and we thank God for her. Please continue to pray for the Preppies and college students in military academies, that God would do a mighty work in their hearts in a way that would set them on a course for being godly leaders in the years to come.

□ Sharyn Holl, Fort Hood, TX

On March 11, Soldiers Hospitality House (SHH) will host our third wedding on the property for another couple who met at our Bible study. Pray for D and T as they begin their married life together!

I was blessed to be a guest on a podcast called “Theology Defines” to share all I’ve been learning in my Genesis study. Please pray that it encourages all who listen to love God’s Word even more.

WEEK OF MARCH 12

□ Jennessa Randall, Joint Base Lewis McChord, WA

On March 18–19, we will be doing a work project at a nearby Christian retreat center, cleaning up all the winter debris. Please pray we will serve with joy, grow in relationships, and be a blessing to the elderly couple who run the retreat.

□ Joe and Jill Vincent, Spangdahlem Air Base, Germany

Every Thursday we love, care, and share the Good News of Jesus. Pray for volunteers for our growing children’s ministry. Pray for wisdom and words as we contact our supporting churches to look for possible leads for a single or couple to join us at our ministry house.

WEEK OF MARCH 19

□ Chris and Melissa Stephenson, U.S. Army Garrison Wiesbaden, Germany

In May, Cadence will be taking a mission-wide Selah retreat—a purposeful time set aside to pause and spend time with the Lord. Since we are unable to participate in May, we will be taking our Selah at the end of March. Pray for the discipline to rest and that we will allow the Spirit to work in us so that we can continue sharing the gospel and our lives.

□ Nate and Louise Johnson, WestPac Field Leaders, CO

Please pray for us as we finish our home assignment and begin to step into our new role as the WestPac Field Leaders. We are blessed by God’s goodness in this time and are excited to serve our missionaries serving in the Western Pacific field!!

WEEK OF MARCH 26

☐ **Zach and Kara Kelly, Kadena Air Base, Okinawa**

Pray for several students struggling with post-pandemic anxiety, depression, and social/relational issues. Pray specifically for a student struggling with body image and self-esteem issues stemming from a bullying incident at school. Also, pray for more monthly financial partnerships so we can continue to stay on the field long-term and support our military students.

☐ **Katie Lambert, Headquarters, CO**

We are grateful for the many interns who will be serving with Cadence this summer. Pray for them as they begin their Ministry of Partnership Development training in anticipation of their time on the field.

Praise

☐ **Joe and Jill Vincent, Spangdahlem Air Base, Germany**

We praise God for new first-term Airmen coming to the ministry. We also praise God for a new Christian Wing Chaplain who supports our ministry well.

☐ **Katie Lambert, Headquarters, CO**

Cadence was accepted as an approved organization with SkillBridge, a program offered by the U.S. military through which active-duty personnel retiring or separating from the military can gain job skills outside the military during their last 180 days of service. We are excited to launch this partnership which gives us another internship option within Cadence.

☐ **Sharyn Holl, Fort Hood, TX**

Praise God for the ten women who participated in our women's weekend retreat. I was asked to share my testimony, and it was a meaningful time of relaxation and connection as we shared our stories and worshipped together. We also put together packages for our deployed soldiers. We had a Cadence Alumni Workday at SHH and are so grateful for everyone who gave their time to participate and help us accomplish some needed big projects.

☐ **Nate and Louise Johnson, WestPac Field Leaders, CO**

Praise God for a great time in Southern California visiting many of our supporters and former students. It was a joy to be with them.
