PRAYING FOR MINISTRY TO THE MILITARY

APRIL 2023

WEEK OF APRIL 2

□ Brian Kleager, Headquarters, CO

Several Cadence leaders have just returned from a three-day conference led by Military Ministry Network, an organization made up of multiple agencies that minister to military personnel. Our time together is always about seeking God as we pursue greater collaboration and cooperation in military ministry. Please pray for us now as we consider how to do this moving forward. Pray for wisdom, humility, and increased partnerships.

□ Andrea Haddock, Pastoral Care Team, SC

Please pray for our Asia and Europe field staff who are attending field conferences in March and April. May it be a time of sweet refreshment and encouragement for them all. Please pray for travel mercies for all who are traveling.

□ Nate and Louise Johnson, Westpac Field Leaders, CO

Please pray for us as we begin our new role as the Westpac Field Leaders. Pray for us as we serve the field and care for our missionaries in the region.

WEEK OF APRIL 9

□ Lou and Cathy Rozmiarek, Headquarters, CO

We will attend a support-raising leadership conference from April 11–14. We are taking several of our HQ leaders. We ask for prayers for good conversations and understanding as we discern how we might implement what we learn moving forward.

WEEK OF APRIL 16

□ Greg and Heidi Carlson, Naval Base Kitsap, WA

Pray for our submariners on deployment to remain in God's word, accomplish their job objectives, and seek spiritual community.

□ Ralph and Betty Camp, Reno, NV

Please pray for Ralph as he seeks a way to publish his book and study guide on hermeneutics. This has been a lifelong work for him, and he would like to get it into as many hands as possible. Pray for Betty as she guides 15–20 women in the study of God's word. Please pray that she would be humble and teachable as they explore the Word together.

WEEK OF APRIL 23

□ Char Hauser, Marine Corps Base, HI

Every week, I lead 45 women who meet to study and learn from the Scriptures about God's design for marriage. Pray that God's Word will not just be words on a page but life-changing for them as they relate to their husbands. It is a joy to see the "aha" moments each week as they discover and apply the truths they are learning. I am in prayer about our next study which begins on April 25. Please pray that I will be in tune with what God is leading us to study.

WEEK OF APRIL 30

□ Brian and Cathy Hutchens, Fort Polk, LA

Our daughter Jordan and her husband Shane are expecting their third child in early May. Pray for a healthy boy, a healthy mom, and rest in the final weeks before baby Israel Nando arrives. Also, pray that their two daughters Gracie (4) and Ellie (2) will adjust quickly to a new baby in the home.

□ Jill and Joe Vincent, Spangdahlem Air Base, Germany

Please pray for leaders to rise up in our growing singles and young married ministries at Spangdahlem. Pray for the many helpers who are coming to share in our ministry, including two interns.

We present our Cadence ministry to Airmen who meet at the chapel twice a month to attend meetings for those who are new to the military. Pray that many of these Airmen will visit the hospitality house.

Praise

□ Brian and Cathy Hutchens, Fort Polk, LA

We had a wonderful dedication service of our lives and homes to be vessels of worship to the King of the Universe!

□ Ralph and Betty Camp, Ambassadors, Reno, NV

We have been in a drought for many years in Nevada. We praise God for an almost 200 percent increased snowpack this winter.

□ Lou and Linda Harrison, Ambassadors

We just celebrated our 60th wedding anniversary. Praise God with us for His great goodness.
