PRAYING FOR MINISTRY TO THE MILITARY

MAY 2023

THE WEEK OF MAY 7

□ David and Joyce Schroeder, Headquarters, CO

May is budgeting month at Cadence. Please pray with us for God's continued provision, for God's blessing on all Cadence ministry partners, and for wisdom in decisions regarding financial priorities.

□ Duncan and Angie Sprague, Headquarters, CO

Duncan and I returned from the first Cadence Alumni Regional Hub in Texas and New Mexico. We loved the connections we made with our Cadence alumni and friends, along with pastors and chaplains, as we gathered around Kevin and Sharon Scheible to support them as they prepare to launch a new Cadence ministry in San Antonio in the summer of 2023.

While we were in San Antonio, we were rear-ended in our small car and are still dealing with physical pain and repairs to our car. Please pray for us as we continue to recover.

THE WEEK OF MAY 14

□ Katie Lambert, Headquarters, CO

Be praying as the Mobilization team continues to listen, talk, and pray with potential SkillBridge applicants. It has been a joy to hear so many stories of those currently in the military who are now thinking of doing ministry once they retire or separate.

Our summer internships begin on May 15! Be praying as our interns head out to Virginia; Spangdahlem, Germany; Yokota, Japan; Camp Kinser, Japan; and Camp Hansen, Japan.

□ Sharyn Holl, Fort Hood, TX

Pray for L to trust Jesus as his Savior. He has said he's an atheist, but he faithfully attends our Bible study and recently joined a small group study in Hebrews.

Please pray for our Soldiers Hospitality House team as we read *The Everyday Church* and brainstorm new ways to connect with this religiously uninterested generation of Soldiers who are not attending Chapel or faith-based events.

Praise

□ Sharyn Holl, Fort Hood, TX

We praise God for providing a beautiful day at the Soldiers Hospitality House for the outside wedding of a couple who met at our Bible study. We are thankful for good attendance and connections at our Easter week events including a Seder meal, Bible study, Good Friday gathering, worship night with the Navigators, and Resurrection Sunday lunch.

□ Katie Lambert, Headquarters, CO

Thank you for praying for our internship training that has focused on MPD (Ministry of Partnership Development) and provided an education in our Cadence history, core values, how to stay healthy in all areas of life while being involved in ministry.

□ Michael Martin, Camp Humphreys, Korea

I had a great time of ministry in Thailand before and after the Asia Field Conference. There was a very good balance of meeting times and opportunities to enjoy our setting and the wonderful Thai people. There is lots of fruitful ministry happening there, just as in the Philippines.

□ Nate and Louise Johnson, Western Pacific Field Leaders, CO

We are grateful to God for an amazing home assignment and for the great connections with our ministry partners. We are blessed now to begin our new roles as Field Leaders. We are also grateful for the opportunity to get settled in Denver.

THE WEEK OF MAY 21

☐ Joe and Jill Vincent, Spangdahlem Air Base, Germany

Pray for the ministry at Spangdahlem as it continues to grow. Pray for the four visitors coming to help with projects and ministry at The Hangar in April. Pray for those in our ministry who are PSC-ing (Permanent Change of Station) to new locations.

☐ Michael Martin, Camp Humphreys, Korea

Please pray for our chapel Sunday school classes. The youth group is well-attended and well-staffed, but the adult classes have few participants. Pray that the adult classes will be advertised from the pulpit on Sunday mornings.

☐ Peter and Tanya Kinney, Ellsworth Air Force Base, SD

We are busting at the seams! At least, it has felt like that recently as we have 30 Airmen attending this 'little' hospitality house. Pray for vision and provision here in this newish ministry that hasn't yet had a dedication or grand opening (we are hoping to do that soon).

We will wrap up our study of the disciples soon and continue our study of the Gospel of Luke. Pray that we and the Airmen grow in discipleship.

☐ Nate and Louise Johnson, Western Pacific Field Leaders, CO

Please pray with us as we begin our monthly calls with our WestPac field. Pray for great connections and encouragement as we seek to serve our people well.

THE WEEK OF MAY 28

☐ Char Hauser, Marine Corps Base, HI

May 24 is the end of our women's Bible study until the first week in August. Ask the Lord to make clear to me what our summer women's program will look like. We plan to meet at a local park so that the kids can play while the moms talk. The moms attend when they can so it's not a consistent audience each week, but it's easier to make good connections with the ladies when the group is smaller in attendance.

In the next few months, I will be spending time praying for the theme for our EWOC (Evangelical Women of the Chapel) ladies' Bible study for the 2023–2024 year. Our new Bible studies will be based on the theme I choose. Pray that I will hear the voice of the Lord as I pray, evaluate the needs of the wives, and choose studies for the future year.

☐ Chris and Melissa Stephenson, U.S. Army Garrison Wiesbaden, Germany

Please be in prayer for the many military families and single military members who will be transitioning to new locations in the next few months. Pray they will find a Christian community and for the 29 empty seats in our hospitality house to be filled.

☐ Duncan and Angie Sprague, Headquarters, CO

Pray that participants will join us for the January 2024 Cadence Alumni and Friends Israel Study Tour. Register at Cadence.org/Israel2024 if you're interested in joining us.
