

Annual Report 2022

Sharing the gospel and our lives with the military community

One of our young men in Navy SEAL training entered BUDs in May. He had become a Christian in the Fall of 2021. We cheered him on through First Phase and prayed for strength and perseverance as he entered "Hell Week." Like most, he DOR'd* and we were here for him in the days following. At a men's overnight at The Bridge, he shared that God revealed to him that becoming a Navy SEAL had become an idol. We cried with him as he confessed and rejoiced as he spoke of his desire to return God to His proper place in his life.*

Rarely are we privileged to see just how far our investment of love, time, money, and prayer reaches. Yet we know that wherever the gospel goes, it bears fruit. In the ministry of Cadence International, God continues to lovingly call military people and their families to himself. The stories keep coming—of invitation, transformation, and multiplication. May you be encouraged by the fruit we can see in these quotes from Cadence staff:

“There was a need for a Bible study for female soldiers and two ladies in our group stepped up to meet that need in such a beautiful way.”

“I am equipping our Soldiers to share the gospel using The Bridge illustration.”

“This leader is becoming much more Christ-like and seemingly is being readied for greater Kingdom responsibilities and roles.”

“A young Christian Space Force officer, deployed for many months, flourished under stressful and dangerous circumstances. Now he’s been offered a remarkable post because of his key role in keeping the unit safe. His impact is growing!”

In the same way, the gospel is bearing fruit and growing throughout the whole world—just as it has been doing among you since the day you heard it and truly understood God’s grace.
Colossians 1:6

Friends, thank you for partnering with Cadence in this past year. Your faithful prayer and financial support are having a multiplying effect through transformed military people. The gospel is indeed bearing fruit throughout the world. May we continue to understand and share God’s grace wherever He has placed us, whether or not we get to see the fruit.

May God bless you for being a vital part of this ministry!

Ministries

Cadence International is an evangelical mission agency dedicated to reaching the military communities of the United States and of the world with the good news of Jesus Christ. Founded in 1954, Cadence's mission is to **share the gospel and our lives with the military community**. More than 200 Cadence staff serve all branches of the U.S. military at more than 50 locations worldwide, supporting military personnel and their families.

Adult Ministry impacts military people through hospitality houses, home-cooked meals, authentic community, coffee house ministry, retreats, small group Bible studies, life-on-life discipleship, and involvement in military chapels.

Student and Children's Ministry reaches military kids by partnering with chapel youth groups, leading VBS and weekly Bible studies, adventures and retreats, mentoring, and local and global outreach.

Foreign Military Ministry influences security forces and military communities of other nations through professional development, biblical discipleship, and social relief programs.

Alumni engages those who have been involved in a Cadence or OCSC ministry—whether attending, volunteering, or leading.

Headquarters provides leadership and support to the mission and the missionaries of Cadence through the HQ departments of Leadership, Human Resources, Finance, and Communications.

Pastoral Care Team offers coaching, soul care, and training to Cadence staff.

Kelsie came here two years ago desiring to disciple others as she had been discipled. I mentored her through several discipleship relationships and she has grown as a discipler and leader, as a student of the Word, and most importantly, as a follower of Jesus.

We thank God for those “aha” moments during a study when God’s Word clicks, as well as those moments traveling to a fun event or gathering when we have a deeper theological conversation mixed with banter regarding some video game we have no clue about.

A young couple joined us with many challenges. Over the last year they have faithfully attended and we’ve seen them grow in maturity and love as a couple and as parents. As we farewelled this couple there were so many tears and stories of God’s faithfulness in their lives. It was beautiful to see!

“We loved you so much that we were delighted to share with you not only the gospel of God but our lives as well, because you had become so dear to us.”

Though our ministry is just getting off the ground in this new ministry location, we are seeing God at work in a young couple who are new and underdeveloped in faith. The young wife is asking all kinds of questions (keeping us on our toes) and comes eager to take notes and learn. She and her husband are a joy!
