PRAYING FOR MINISTRY TO THE MILITARY

JULY 2023

WEEK OF JULY 2

□ David and Joyce Schroeder, Headquarters, CO

We have a grandson due this month! Pray with us for his parents, Kyrie and Jake, for his birth, and for his life—that he might love and follow Christ.

□ Chris and Melissa Stephenson, U.S. Army Garrison Wiesbaden, Germany

We are losing 30 people from our ministry this summer due to PCS (Permanent Change of Station) season, many of them core volunteers. Please pray for their transitions into new communities and the adjustments we face without them. They have been like family to us. Praise God for the new community members we have already received this year!

□ Joe and Jill Vincent, Spangdahlem Air Base, Germany

Please ask God to give us wisdom as we share the financial needs of the ministry with current and future supporters who are back home and at the Hangar Hospitality House.

□ Tim and Rebecca Hawkins, Europe Field Leaders, Germany

Rebecca completed her radiation treatments on June 27 for breast cancer. Please pray for complete remission and energy to step back fully into life.

WEEK OF JULY 9

□ Kevin and Sharon Scheible, Joint Base San Antonio, TX

Please pray for us as we complete our home assignment in preparation for opening a new Cadence ministry that will serve the military community in San Antonio, TX. Please pray for the remainder of our financial support to come in and for good connections with chaplains.

□ David and Joyce Schroeder, Headquarters, CO

The Cadence Board of Directors will meet in Denver July 14–15. We thank God for these wise men and women who joyfully serve in this way.

□ Tim and Rebecca Hawkins, Europe Field Leaders, Germany

Cadence staff Deric and Rebecca Sneller, their three children, and their dog left Okinawa and arrived in Germany mid-June. They face a big transition leaving island life and restarting the K-Town Hospitality House. Please pray for a good beginning, friends for their children, and peace through the coming months.

WEEK OF JULY 16

□ Jay and Jerri Kayll, Peterson Space Force Base, CO

Recently at my men's group, I (Jay) caught a glimpse of the importance of ministry here. I need to be spurred on to follow God and so do the men in my group and others I interact with on base. Ask the Lord to grow me, the men in my group, and the men in the military. We could be a greater force for righteousness as we walk closer to the Spirit.

WEEK OF JULY 23

☐ Lou and Cathy Rozmiarek, Headquarters, CO

Please pray for our Phase 2 Training, which will be held July 23–26. Phase 2 Training is the next level of training for our new Alpha missionaries as they prepare to head to the field. Pray for Duncan and Suzanne Forbes, Trevor and Jennifer Claypool, and Bob and Glenda Ball, along with the entire team that is conducting the training.

☐ Katie Lambert, Headquarters, CO

Please pray for one of our long-term interns, that she will be able to raise her support and be out on the field by September.

All our summer Interns will be at headquarters from July 25–27 for a debrief. Be praying for our time as we celebrate and reflect on each of their summer internships.

☐ Tim and Michelle Bradford, U.S. Army Garrison Bavaria, Germany

Please pray for our daughter Aaralyn. She will have spinal surgery at the end of July. She is expected to be hospitalized for approximately one week, with additional weeks of recovery in the States. Pray for peace and calm beforehand, skillful surgical hands, and wisdom and discernment for her doctors during this time.

WEEK OF JULY 30

☐ David and Bonnie Lambert, Asia Field Leaders, CO

We appreciate your prayers as we experience transitions at two of our ministry locations. The Snellers have just moved to Germany after nine years on Okinawa, and the Harvells are due to arrive to take over the ministry at the end of July. In September, the Quattelbaums will leave Yokosuka after seven years, and the Forbes will replace them. Pray for each couple, that the Lord would give peace amid international moves and amply provide for their needs.

Praise

☐ Ben and Melody Bloker, Naval Station Rota, Spain

Praise God for answered prayers as many legal obstacles relating to Spanish regulations have been resolved in just one week's time. He is faithful!

☐ Katie Lambert, Headquarters, CO

Praise God for all short-term and long-term internships that are happening across the mission.

Praise God for our first SkillBridge Interns starting up this month! One of the Interns will serve at our Headquarters alongside Brian Kleager and the other will be working in a field ministry.

☐ Michael Martin, Camp Humphreys, Korea

We recently took a group of ten Soldiers to an orphanage I've been working with since 2010. The Soldiers' love and enthusiasm was infectious and blessed the kids and staff. We treated them to banana splits and chocolate, played games with them, and hopefully left them with lots of smiles.
