

Annaka WIENS

Hello friends!

I have the amazing opportunity to serve as an intern with Cadence International this coming year from August 2023 to May 2024.

Cadence International is an evangelical mission agency dedicated to reaching U.S. and foreign military personnel and their families with the good news of Jesus Christ. Founded in 1954, Cadence’s mission is to share the gospel and our lives with the military community.

With a focus on military communities, I will partner with local missionaries serving Camp Foster in Okinawa, Japan. During my internship, I will

work with the military youth. I will be assisting with the youth group and investing in the lives of the students there.

I have grown up knowing about Cadence because my mom has worked there for 15 years. I’ve had opportunities to learn about the heart of what Cadence does and get to know many people in the organization. I love their passion for the gospel as well as for the military community. I am beyond excited to start this journey with them!

I graduated in May from Colorado Christian University with a Bachelor of Arts in Psychology. I’ve always had a heart for student ministry and going through the psychology program at CCU solidified that passion. I hope to be able to work with students long-term.

My internship cannot be done alone—I need both prayer and financial partners. Would you consider joining me? I need to raise \$3,000 a month for a small salary, housing, and ministry expenses along with \$7,300 for one-time, outgoing and travel expenses. The team would like me to be in Okinawa by mid-August and I will serve there for 9 months. There is a response slip attached to this letter, which you can use to easily respond and let me know you will pray for my internship or give financially to it. You may also give online at Cadence.org/Wiens.A. I will be posting updates about my internship on a website called Epistle. You can receive updates by subscribing at annaka-wiens.epistle.org/subscribe.
