

Camp's Comments

Dear friends and family,

We praise God for His continual provision in our lives. He has abundantly provided our salvation, a long and happy marriage, and children and grandchildren who follow Him. We are indeed blessed.

Last week, we received word from our Field Director that we need to receive more monthly support to sustain our retirement income, and our account is in the red. This has occurred mainly as a result of many of our supporters who are aging, have retired, and some who are now with the Lord.

Several of you are supporting us in large amounts. We thank you for that! We are asking you to pray with us that the Lord would supply some one-time gifts to shore up our account, as well as an additional \$300 a month that we need in order to keep drawing the income we set when we retired (we have not taken a cost-of-living raise).

These circumstances have not taken our sovereign God by surprise! We have learned that we can trust Him in everything.

We are still doing the same activities we did in our ministry with the men, women, and families of the military. Ralph has just finished putting his study of hermeneutics and Bible study methods into book form for publishing. He is also teaching it to one couple now and has been asked to teach it to a group in late summer.

I am teaching a ladies' Bible study, and we both serve in other areas of our church. Our health is good, so we plan to keep going as long as the Lord allows. We need wisdom regarding repairs to our van, and also, much of our front porch needs to be replaced. Please pray with us about those needs as well.

Thank you for your prayers!

Joyfully serving Him,
Ralph and Betty Camp

DEAR TEAM MEMBERS OF RALPH AND BETTY,

On behalf of Cadence International, thank you for your long-standing prayer and financial support of the Camp's ministry! They have been such a delight to those military and church members who have received their love and care over the years.

As our missionaries reach a time in life when health and family needs demand it, they become Ambassadors. Though retired, they are still eligible for donor support per IRS rules. But as Ralph and Betty state in the enclosed letter, many of their regular donors can no longer continue, and I prayerfully ask that you consider their needs.

If you desire any further clarification, don't hesitate to contact me.

Again, thank you for your care!

Blessings,
Dick and MaryEtta Reynolds
