PRAYING FOR MINISTRY TO THE MILITARY

OCTOBER 2023

WEEK OF OCTOBER 1

□ **Tim and Rebecca Hawkins,** **Europe Field Leaders, Germany**

We will spend the first two weeks of October with family, supporters, and supporting churches in Florida and Michigan. Please pray our time will be restful, fun, and productive.

□ **Katie Lambert, Headquarters, CO**

The Mobilization Team will travel to Colorado Christian University and Frontier School of the Bible this month. Be praying for safety as we travel and that we will have Christ-centered conversations as we engage with students and faculty.

Our team visited Moody Bible Institute and Corban University in September. Be praying for fruitful follow-up conversations.

Our field staff internship training takes place on October 3. Please pray this training will encourage our staff to have a heart for and engage this next generation of young people.

□ **Wes and Elaine Aldridge,** **RAF Lakenheath, England**

The first weekend in October, we will take about ten Airmen on a three-day retreat to Wells. Please pray that they would encounter God in new ways and grow together as a group who would bring life and vision to our entire community. Also, pray for our friends who are joining us to co-lead the retreat.

WEEK OF OCTOBER 8

□ **Peter and Tanya Kinney,** **Ellsworth Air Force Base, SD**

It's been on my heart to pray for more consistent attendance by some of our Airmen. Their rotating military shift schedules impact attendance, but a more significant factor is the spiritual condition of their hearts. Please pray we will love and minister to them well, right where they are at in their lives.

We will lead a fall retreat for Airmen at a "barndominium" on October 12–15. Retreats have been special times for us in the past, both during our ministry at Luke Air Force Base and when Cadence ministered to me (Peter) in the early '90s. This is our first retreat in South Dakota, and we'd appreciate your prayers.

□ **David and Joyce Schroeder,** **Headquarters, CO**

Please pray for the Cadence Board of Directors as they gather for their annual board retreat in Colorado on October 13–15. Thank the Lord with us for the gift of these partners in ministry and pray for wisdom and joy to fill this retreat.

We also want to inform you that board member Dave Jongeward finished his cancer battle and well-run earthly race on September 5. He was a dear friend and a faithful minister of Christ. Please pray for his family and the many people he impacted.

Praise

□ **Nate and Louise Johnson,** **Western Pacific Field Leaders, CO**

Praise God for a sweet time celebrating the Travis Hospitality House's Fiftieth Anniversary. It was a rich time to remember God's faithfulness and goodness in the lives of people who the gospel has impacted through this ministry. It was also beautiful to see so many people who have been blessed by the many House Directors over the years. It was a poignant reminder of the value of sharing the gospel and our lives with those we serve!

□ **Lou and Cathy Rozmiarek,** **Headquarters, CO**

We are thrilled that Duncan and Suzanne Forbes have arrived in Yokosuka! They will serve the Navy Community at the Lighthouse as House Directors.

Please join us in our excitement for the new ministries beginning in conjunction with the Cadence Associates program. Our next new ministry location will be Sigonella Naval Station in Italy.

□ **Kevin & Sharon Scheible,** **Joint Base San Antonio, TX**

Praise God for our Home Assignment and that we have now been released to open a new ministry location at Joint Base San Antonio. We thank God for providing our wonderful new home and look forward to how He uses it to transform lives.

Praise

☐ **Sharyn Holl, Fort Cavazos, TX**

Praise God for a beautiful wedding reception outside in the Texas heat for J and J, who met at the Soldiers Hospitality House.

☐ **Michael Martin, Camp Humphreys, Korea**

I am grateful to God for providing a group of single and married Soldiers from another chapel on base who have been faithful volunteers, accompanying me to outreach events, even as far as a two-hour train ride north. The Soldiers and their families interact very well with the orphanage kids and North Korean refugee youth and young adults. Finding volunteers had been difficult, and then God sent a wonderful couple who got the ball rolling. We now have more volunteers available than available open spots.

Praise God that the orthopedist informed me I could delay my knee replacement surgery a few years since the pain is minimal, provided I avoid climbing and stairwells.

☐ **Peter and Tanya Kinney, Ellsworth Air Force Base, SD**

Recently, a twenty-one-year-old long-time believer told us she wanted to be baptized for the first time. We set the date for the baptism at a nearby lake. A few days before the agreed-upon date, another young lady, connected to our ministry by her boyfriend in the Air Force, shared that she wanted to have a Christian baptism too. That's the best two for the price of one in which we've ever taken part!

WEEK OF OCTOBER 15

☐ **Dick and MaryEtta Reynolds, Ambassador Care, CO**

Pray for our upcoming travels as we visit our Cadence Ambassadors and donors, that we will experience a sweet time of fellowship and encouragement with these dear saints who have served and given so selflessly.

☐ **Nate and Louise Johnson, Western Pacific Field leaders, CO**

Please pray with us as we continue to prepare for the WestPac field conference in November. Pray that it will be a rich time as we gather together. Pray for deep connections with God and each other.

WEEK OF OCTOBER 22

☐ **Sharyn Holl, Fort Cavazos, TX**

Pray for our team as we begin attending the Thursday night Post-wide all-faith "Community Connections" night, which consists of dinner, fellowship, and studies.

As my Bible study in Genesis begins an in-depth look at chapter three, pray we will develop good study skills to properly interpret the text and gain new insights into the different areas in which we are tempted as individuals.

Our Cadence Central Field Conference is October 22–26, and we are looking forward to a great time of reconnection, rest, fellowship, and teaching.

☐ **Lou and Cathy Rozmiarek, Headquarters, CO**

We leave on October 25 to combine an MPD (Ministry Partnership Development) trip with the opportunity to attend the Western Pacific field conference. Pray for good connections with friends, supporters, and the Cadence staff to whom we will minister.

WEEK OF OCTOBER 29

☐ **Kevin and Sharon Scheible, Joint Base San Antonio, TX**

Pray for fruitful conversations and partnerships with chaplains to learn how to best help them meet the spiritual needs of the military community in San Antonio. Pray this ministry quickly becomes well established and will make an eternal impact in the lives of military members and their families.

☐ **Michael Martin, Camp Humphreys, Korea**

Pray that Soldiers will sponsor kids from the orphanage as we give them Christmas gifts this December. The director of the orphanage is supportive of this event because it went so well last year.

☐ **Chris and Jenny Jolin, Fort Cavazos, TX**

As we head into the fall, please pray for our study series in Exodus. Also, we have quite a few young couples coming to our ministry now, and we want to mentor them effectively. Please pray for us as we reach out to them.

Please pray for our continued efforts to raise additional support. Join us in praising God for those faithful individuals and churches already giving faithfully and generously.
