PRAYING FOR MINISTRY TO THE MILITARY

DECEMBER 2023

## **DECEMBER 3**

### **□ Lou and Cathy Rozmiarek, Headquarters, CO**

Would you stop on December 3 and pray for us as we present our ministry to a new church? We are excited to have this opportunity to cast the vision for Cadence and our unique ministry to our field missionaries.

### **□ RJ and Sabrina Prestwich, Joint Base Lewis McChord, WA**

We have been serving at JBLM for three years now. Recently, we realized that we need to raise financial support through local giving. On December 3, we are holding a special meeting to share the ministry's budget with those military personnel who attend the hospitality house. We pray that those blessed by the ministry will financially invest so that it continues not just currently but for generations to come.

### **□ Sharyn Holl, Fort Cavazos, TX**

My two Bible studies end for the semester on December 5, when we will take a Christmas break. Beginning in January and leading up to Easter, I will teach two PWOC classes (Tuesday morning and Thursday evening) on Jesus' Passion Week. These classes are in addition to my Soldiers Hospitality House class on Genesis. On December 9, the house is hosting a day hike. Pray for our Soldiers to invite unsaved friends for a day of good exercise and meaningful conversations.

### **□ David and Joyce Schroeder, Headquarters, CO**

Every year, we host a Cadence Colorado Christmas party at our home for current and former staff and family members. It is a lively (especially the gift exchange!) and memorable part of celebrating Christ's presence with us. Pray that all our Cadence Colorado friends will be encouraged and strengthened in these days and that our gathering together will be a blessing for all ages.

### **□ Danny and Kathryn Perez, Eastern U.S. Field Leaders, NC**

Please uphold our military chaplains across all branches around the globe, as they have the opportunity to point people to our Prince of Peace this Christmas season.

## **DECEMBER 10**

### **□ Laurel Givry, Fort Jackson, SC**

Many of my ladies are preparing to PCS (Permanent Change of Station) in the next six months. Pray for their hearts to rest in their Shepherd as they think of all the things to be done and all the needs that come with their moves. Pray they will see their Shepherd going before them and providing in every way.

### **□ Cindy Sollers, Fort Liberty, NC**

Please ask God to draw the unbelieving ladies I have developed relationships with to Himself. I would like to explain the incarnation to them this Christmas.

### **□ Danny and Kathryn Perez, Eastern U.S. Field Leaders, NC**

Pray for many of our Eastern Field staff who need additional ministry partners. Pray for Fort Liberty units who have deployed to support Israel in the Gaza conflict. As military personnel are far from family this Christmas, pray they will hear and understand why Jesus was born.

### **□ Greg and Heidi Carlson, Naval Base Kitsap, WA**

Pray for the salvation of Sailor XR and Marine ZF. They have been attending for several months and are engaging more during our discussions.

### **□ Headquarters, CO**

Our Donor Services department at Headquarters is short-staffed during our busiest giving season of the year. The team has added some part-time, temporary staff members, but we are looking to hire a permanent Donor Services Specialist soon. Please pray for the Lord's financial provision for Cadence ministry and for this critical position to be filled quickly. To review the job posting, go to [Cadence.org/DonorServicesOpportunity](https://Cadence.org/DonorServicesOpportunity).

### **□ Jeremy and Kim Cover, Fort Liberty, NC**

Pray for our family to be unified in Jesus and know how to drink deeply from the Well of Life! Pray that we will love others with compassion and love from the overflow of our hearts and eliminate efforts of the flesh. We will host a variety of events throughout the holidays. Pray that Jesus will be made known through these events and that hearts will be open and receptive!

## DECEMBER 17

### ❑ Ed and Joy Bissonnette, Naval Air Station North Island, CA

Eight of our guys deployed on USS Carl Vinson and USS Manchester, three gals deployed on USNS Mercy Ship, and two more gals are deploying soon.

### ❑ Char Hauser, Marine Corps Base Hawaii, HI

December 19 is our annual Christmas Tea for all spouses. The theme is "A Wiser Christmas." Pray that all we have planned will open the doors of these wives' hearts as they hear new truths and experience the love and support of each other.

### ❑ Katie Lambert, Headquarters, CO

January 1 is the final deadline for our Summer Internships. Be praying for the Lord's leading of His people regarding internships and full-time positions within Cadence.

### ❑ Angie and Duncan Sprague, Headquarters, CO

Cadence leadership recently made the prayerful and painful decision to cancel our January 2024 Cadence Alumni and Friends Israel study tour. This is disappointing for all involved, but we trust we will be able to reschedule our trip for a future date. For now, we continue to pray for Israel, for you, and for the Lord's will to be done in everything.

### ❑ Deric and Rebecca Sneller, Kaiserslautern Military Community, Germany

As we relaunch ministry here, we are finding a different demographic mix than we have ever served before. Pray we would love and care for our fledgling community well and adapt the teaching accordingly. We have been working through the Sermon on the Mount and will continue this study until Good Friday, but we are taking a brief break to focus on Advent.

### ❑ Ralph and Betty Camp, Ambassadors, NV

Our whole family, including our kids, grandkids, and great-grandson, plan to meet in the Scottsdale, Arizona, area to celebrate our Lord's birth together. It is the first time we will gather for the holidays in many years. Please pray for safety in travel and a blessed time together for all of us. Our granddaughter Ruth will leave for graduate school in Tennessee about the time we all come home.

## DECEMBER 24

### ❑ Peter and Tanya Kinney, Ellsworth Air Force Base, SD

We are going through the Gospel of Luke on our ministry nights. Please pray that the teaching goes well (particularly as we study the parables of Luke) and that the Airmen and others will understand and receive God's Good News! Please pray for strength and peace for us during the holidays at the hospitality house as we host military members far from home this season.

### ❑ Dick and MaryEtta Reynolds, Ambassador Care, CO

As you gather for the Christmas season, remember our Cadence Ambassadors (seniors), many of whom are facing health challenges and missing those active days of ministry to our service men and women!

## Praise

### ❑ Laurel Givry, Fort Jackson, SC

Praise God for increased strength and stamina in my body! I shared last month with our MOPS group about God's faithfulness during my cancer journey. I thank the Lord that He was glorified through my testimony and that many ladies were encouraged and challenged to give thanks amid difficult circumstances, trusting their Shepherd to give them everything they need.

### ❑ Ed and Joy Bissonnette, Naval Air Station North Island, CA

Our group experienced success and safety at our service project on Catalina Island. Six Sailors and one Marine joined us in winterizing the Campus by the Sea this past weekend. We also baptized one of our Sailors while we were there!

### ❑ Katie Lambert, Headquarters, CO

I am so grateful for your prayers for the Mobilization team and for internships within Cadence. I have felt each of the prayers and am excited to see how the Lord continues to bring people to Cadence. We have the fantastic privilege of inviting others to share the gospel and their lives with the military community.

### ❑ Lou and Cathy Rozmiarek, Headquarters, CO

Thank you for your prayers last month as we participated in the WestPac conference and traveled to connect with supporters. It was a joy to reconnect with our friends and hear what is happening in their lives. We are grateful for the Lord's faithful provision for us over many years. The WestPac conference was a true gift, and the sessions when we spoke were well-received. What a blessing to be able to support our military by supporting and equipping our missionaries.

☐ **Michael Martin, Camp Humphreys, South Korea**

I am grateful to God for supplying the material needs for Isaac House Orphanage (gifts for each child), The Baby Box (diapers and formula), and a school for North Korean refugees (hand-sewn neck warmers). I am also grateful for the many Soldiers who volunteered to help with these projects. Throughout the year and especially at Christmas, we echo Paul's encouragement to the Philippians that "God will supply all our needs according to His riches in glory in Christ Jesus." (Philippians 4:19).

☐ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Praise God for new prayer partners and new supporters of the Spang Hangar. We are blessed to be in ministry here. Pray as we speak to churches and host open houses in the next week. Also, pray for those experiencing loneliness as they celebrate the holidays away from their families.

☐ **Nate and Louise Johnson, WestPac Field Leaders, CO**

Please pray for the Soldiers at Fort Wainwright in Alaska. There is so much hopelessness and despair. Pray for the Lord to provide a hospitality house couple to join Cadence staff Julie Converse in that remote location.

**DECEMBER 31**

☐ **John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI**

We are deeply grateful for the prayers you have all raised on our behalf. This month, we are asking God to provide at least three pairs of adults who are well-suited to lead the new Home Port Hospitality House children's ministry. We already have three volunteers and now just need a minimum of three more volunteers.

☐ **Wes and Elaine Auldridge, RAF Lakenheath, England**

Praise God for our new chapel contract that allows us access to a different group of Airmen. Pray that God uses this to bring more young people into his Kingdom. We will be in the States for a big chunk of December, visiting family and supporters. Pray we have a good time of connection.

☐ **Brian and Cathy Hutchens, Fort Johnson, LA**

We will travel from December 27 through early January, visiting our family as our son and daughter-in-law welcome Solomon Lee Gabriel Hutchens into their lives. Pray this would be a balm for us all as we continue to grieve the stillbirth of Aeneas James at about the same time last year.

☐ **Tim and Bobbi Bettger, Fort Moore, AL**

Please pray for us as we plan to take a group on a mission trip to Tijuana at the end of December. We will join with YWAM/Homes of Hope to build a house for a needy family. We still need ten more people and additional finances for the trip.

*Praise*

☐ **Chris and Melissa Stephenson, USAG Wiesbaden, Germany**

We praise God for new families and single Soldiers who've joined our group. We have many volunteers who help us, including our new Cadence Associate Field Staff (CAFS), Don and Christi Copes! We ask for prayers to love and serve our community well during the holiday season and for a good work/life balance in all the busyness.

☐ **Nate and Louise Johnson, WestPac Field Leaders**

Thank you for praying with us for our WestPac field conference. We had a great week together. We asked for connection with God, each other, and our mission. God met us and provided amazing times of connection as a field and with His presence! We are so excited by all that God is doing through the different ministries on the WestPac field.

☐ **Jeremy and Kim Cover, Fort Liberty, NC**

We praise the Lord for working in our family and refining our lives to reflect Christ-likeness.

☐ **Ralph and Betty Camp, Ambassadors, NV**

We praise God for working in the hearts of many people to provide needed financial support. You prayed, He supplied, and we praise His name.

☐ **Greg and Heidi Carlson, Naval Base Kitsap, WA**

We are so grateful to see a community forming among our Sailors and Submariners recently. They are connecting outside our ministry nights. Praise the Lord!
