PRAYING FOR MINISTRY TO THE MILITARY

AUGUST 2023

## WEEK OF AUGUST 6

### □ **Tim and Bobbi Bettger, Fort Moore, GA**

On August 11–14, we will be taking a few people from our group to join a YWAM team in Baja/Tijuana, Mexico, to help build a house. Please pray for our safety and that the family receiving the house would be blessed.

## WEEK OF AUGUST 13

### □ **David and Jennie Osborne, Marine Core Base Quantico, VA**

Pray for clear guidance as we continue to expand the ministry of the Quantico Hospitality House. Pray for healthy and fruitful partnerships with chaplains and other ministries in Northern Virginia.

### □ **Char Hauser, Kaneohe Marine Corps Base, HI**

Our women's ministry will kick off on August 15. Pray that the room we typically meet in will be available to us. We never know from week to week.

## WEEK OF AUGUST 20

### □ **Brian Kleager, Headquarters, CO**

Please pray for teammate Paul Bradley and me as we prepare a training conference on trauma care to be used in various cross-cultural settings, beginning with a seminary in Kyiv, Ukraine, this October. Pray for deeper wisdom and knowledge as we continue to study this topic and for clarity on how best to organize the material.

## WEEK OF AUGUST 27

### □ **Chris and Melissa Stephenson, U.S. Army Garrison Wiesbaden, Germany**

Please pray for our small group Bible studies this summer. They are a wonderful way for our community to develop closer relationships and grow deeper roots of faith.

## *Praise*

### □ **Katie Lambert, Headquarters, CO**

Thank you for all your prayers for our first year of summer internships with Cadence. We are thankful for our Interns and how the Lord worked in and through each of them worldwide. We are also so grateful for our field staff, who hosted and ministered alongside each of our Interns.

### □ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Praise God for new believers who have begun attending the hospitality house.

### □ **David and Jennie Osborne, Quantico, VA**

Praise God for positive forward movement as we invest in our relationships with Quantico chaplains.
