### *Dear friends and family,*

This summer, I have the exciting opportunity to serve as an Intern with Cadence International, an evangelical mission agency dedicated to reaching U.S. and foreign military personnel and their families with the good news of Jesus Christ. Founded in 1954, Cadence's mission is "to share the gospel and our lives with the military community." If you want to learn more about Cadence, visit their website at [Cadence.org](http://Cadence.org).

With a focus on U.S. military communities, I will partner with local Cadence staff, Joe and Jill Vincent, who serve near Spangdahlem Air Base in Germany. This specific ministry is called The Hangar, and as part of sharing their lives with the military community, the Vincents host a weekly homemade meal and Bible study for military personnel and their families.

During my internship, I will experience military ministry, be discipled in my walk with Jesus, and receive training to better equip me for kingdom work. I will primarily serve with Cadence Children's Ministry (CCM), providing engaging teaching and care for children while their parents attend the weekly Hangar ministries. I will also partner with the base chapel to provide events that offer military children a safe and fun environment. These events will allow them to hear the gospel through Bible lessons, songs, Scripture memory, and games. CCM outreach also extends to military families and the community. As I serve, I will be equipped to teach the Bible, lead small groups, plan an outreach event, and develop fruitful relationships with children and families.

I have chosen to serve with Cadence this summer because I think I would like to go into full-time ministry in the future. This internship program is a unique chance to experience full-time ministry and receive some of the training I will need. I am hoping these ten weeks will confirm whether the Lord is in fact leading me in this direction.

### **Please pray that:**

- I will quickly adjust to the different way of life in Germany.
- All the missionaries, Interns, and volunteers at the Hangar will serve well together.
- God will open the hearts and minds of the people we're serving to the message of the gospel.
- We will have good weather so we can do outdoor events over the summer.
- I will be able to remember and use effectively everything I've learned in preparation for this.

My internship cannot be done alone. I need prayer and financial partners. Would you consider joining me? I need to raise \$13,000 by May 1 to take part in this unique ministry opportunity. This amount includes all my travel and ministry expenses, as well as a small salary. A response slip is attached to this letter, which you can use to let me know you will pray for me and/or give financially. You can also give online at [Cadence.org/Leonard](http://Cadence.org/Leonard).

I will be sending out regular prayer requests and ministry updates through email. If you would like to receive these updates, you can sign up by emailing me at [Lydia.Leonard@Cadence.org](mailto:Lydia.Leonard@Cadence.org) to let me know you would like to receive these updates. I would love to keep you informed on how my internship is going!

Thank you for your support and prayers!
