Serving with Cadence International

”Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. For this I toil, struggling with all his energy that he powerfully works within me.”

COLOSSIANS 1:28–29 ESV

Greetings!

As you may know, I have been working toward my degree in Pastoral Studies at the Moody Bible Institute for the last three years. As a requirement for my program, I have the opportunity to participate in a ten-week internship to prepare me for ministry, cement my learning, and grow my love for Christ and his Kingdom. This summer, I will be interning with Cadence International in Yokota, Japan!

Cadence International is an evangelical mission agency dedicated to reaching U.S. and foreign military personnel and their families with the good news of Jesus Christ. Founded in 1954, Cadence’s mission is “sharing the gospel and our lives with the military community.”

With a focus on student ministry, I will partner with local Cadence missionary Beth Mabry, serving youth at the Yokota Air Base in Japan. Cadence Student Ministries reaches military students in grades 6–12 through relationships and programs designed to help them become disciples of Christ. Impacted by frequent moves and continual transition, military students are often spiritually receptive and eager for meaningful relationships. As I serve these teens, I will

be equipped to teach the Bible, lead small groups, plan an outreach event, and develop fruitful relationships with them. The core objectives of the internship will be for me to experience ministry to the military, grow in Christ in community, and be equipped for kingdom work.

This type of discipleship ministry is something that I have desired to do for a few years now. Paul’s ministry statement in Colossians 1:28–29 has become my desire for ministry. Through Cadence, I hope to continue learning how to share the gospel and disciple and mentor others as they pursue Christ so that one day we can present each other mature in Him.

My internship cannot be done alone—I need partners! Would you consider joining me? I need prayer and financial partners to help me raise \$12,500 by May 1, 2024. This amount includes all my travel and ministry expenses as well as a small salary. A response slip is attached to this letter, which you may use to easily respond and let me know if you will pray for my internship or give financially to it. You may also give online at Cadence.org/Sanchez.

I will be sending out regular prayer requests and ministry updates through a WhatsApp group chat! These will also be accompanied by a few email updates throughout the summer. If you would like to receive these updates, please reach out to me.

Thank you for your consideration and your prayers!

Blessings,
Elise
