PRAYING FOR MINISTRY TO THE MILITARY

APRIL 2024

WEEK OF MARCH 31

□ Dave and Bonnie Lambert, Asia Field Directors, CO

We would appreciate your prayers as the Asia field gathers for its annual staff conference April 3–8. Pray for safety in travel, an encouraging time together, and refreshment as they step away from ministry for a short time.

□ John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI

Marcie is having cataract surgery on April 4. Pray for a successful procedure. Also, the upcoming PCS (Permanent Change of Station) season will clear out most of our single service members, so please seek God's provision to replace those we're losing.

□ Gene and Anne Poppino, Pastoral Care, WA

I (Gene) will be traveling all of April. My trips include a member care visit, Candidacy in Denver, a visit to our staff at Victory Ranch in South Carolina, and a personal enrichment retreat. Please pray that I live attentive and alert to the Lord as I talk with people, listen to their hearts, and give counsel and direction as the Lord leads.

□ Nate and Louise Johnson, Western Pacific Field Leaders, CO

Please pray for the WestPac Field as we focus on developing ministry teams in 2024. Ministries across the field are working hard to recruit, train, and empower people from their communities to join them in sharing the gospel and their lives with those around them. Pray for great visits to Joint Base Lewis McChord on April 4–7 and Naval Base Kitsap on April 11–15.

WEEK OF APRIL 7

□ Brian Kleager and Paul Bradley, Headquarters, CO

We will be ministering to Soldiers and chaplains in Ukraine from April 5–19. Part of our ministry work will include providing training in trauma-informed care. Please pray God leads us to specific people and military units where He wants us to share His love and healing power. Pray for wisdom and that we stay in step with the Spirit as we encounter any spiritual warfare. Please pray for the safety of our team.

□ Jeremy and Kim Cover, Fort Liberty, NC

Pray for those experiencing relational difficulties. Several young couples in our ministry are navigating the challenges that married life brings, as well as the added pressure of military careers. We pray that hearts are strengthened in the Lord within our military families at Fort Liberty.

□ Laurel Givry, Fort Jackson, SC

Please pray for a married couple, S and R, as they transition out of the military and he takes a job with law enforcement. She is pregnant and will soon have three kids under the age of three. Pray they will find a church home and good friends and that they both continue to grow in Jesus. I've discipled the wife this year and grieve saying good-bye.

□ Tim and Rebecca Hawkins, Europe Field Directors, Germany

Tim's dad passed away suddenly in March while we were on the road visiting hospitality houses. We are so thankful he made it home to spend the last few days of his father's life by his side. And we **know** we will see him in heaven!

□ Char Hauser, Marine Corps Base, HI

A spiritual battle seems to be front and center here. Pray that growth will begin to be evident as God works to accomplish His desires among military wives and families. Pray also that I will stand strong in defense of the gospel and not be deceived by the twisting of words and Scripture.

WEEK OF APRIL 14

☐ **Katie Lambert, Headquarters, CO**

Pray for the needed support to be raised for each of our summer and yearlong Interns. The deadline is May 15 for Summer Interns and July 1/August 1 for yearlong Interns. We will hold training sessions for our Interns on April 15 and April 22. Be praying for all those who lead and that this will spur on our Interns!

☐ **Laurel Givry, Fort Jackson, SC**

Pray that God will raise up ladies to be on our leadership team for this next year. Praise God that He led my friend, Britt, to take back the coordinator (logistics) responsibilities, which frees me up to return to discipling women and training leaders.

☐ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Please pray for the two SkillBridge workers here at The Hangar. Pray for our summer Interns as they raise prayer and financial support. Pray for the adult and children's ministries here, particularly for volunteers to work with the children. Pray for lives to be transformed by the Holy Spirit.

Praise

☐ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

You prayed, and the Lord answered! We had a wonderful Eastern Field Staff Conference last month. Our sessions were meaningful, staff interactions were especially sweet, and the weather was **great!**

☐ **Kevin and Sharon Scheible, JBSA - Fort Sam Houston, TX**

Praise God for good connections with the Navy chaplain at Fort Sam Houston and for multiple opportunities to minister to Sailors here. Praise God, we were finally able to meet with the appropriate Army chaplain and begin a conversation about starting a new ministry for Soldiers here.

☐ **John and Marcie Good, Joint Base Pearl Harbor Hickam, HI**

We had a true reset of rest over a five-day "weekend," while one of our ministry couples kept things going with a dinner and game/movie night for our service members.

☐ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Praise God for a wonderful mini marriage retreat and parents' night out on February 24 at The Hangar. Twenty-one couples and thirty-two children attended.

WEEK OF APRIL 21

☐ **Sandra Bradley, Headquarters, ID**

Please pray for our mission-wide Selah retreat, April 23–27, designed to give our staff time to pause from ministry and spend extended time with the Lord. Pray that Jesus will refresh and renew their hearts and that they will be reminded of God's goodness and love for them.

☐ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

Will you pray for our son, Landon, who leaves active duty in the next few months? Will you pray that he will seek the Lord for His future? Pray for the believing Marine who is facing legal action, that the Lord's will would be accomplished in his life. Pray that a conclusion will be reached in May when the court reconvenes. Also, please pray that our staff will have a very meaningful and purposeful Selah.

☐ **Tim and Rebecca Hawkins, Europe Field Directors, Germany**

Please pray for our field as we enter into Selah. Several House Directors have young families, which makes it a bit more challenging to step away from life and focus on rest.

WEEK OF APRIL 28

☐ **Kevin and Sharon Scheible, JBSA - Fort Sam Houston, TX**

Please pray that Fort Sam Houston Army Chapel's new process for partnering with nonprofit organizations is finalized quickly so we can begin to minister to Soldiers here.

☐ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

Will you ask the Lord to provide His solution for staff coverage for The Liberty House during a time of staff turnover? We are trusting in His provision.

☐ **Eric and Janet Thimell, Victory Ranch, SC**

Please pray for our three-year-old grandson, Jackson, who has been blind from birth. There are so many things that are unclear about his diagnosis. Pray especially for his mobility and speech and for his parents, our son Ben and wife Megan.

☐ **Duncan and Suzanne Forbes, Commander Fleet Activities Yokosuka, Japan**

We are thankful for the Naval connection between Bremerton and Yokosuka. Having lived near Bremerton prior to our assignment with Cadence enables us to help connect people within both Cadence ministries who are located near the base to which they are moving.
