PRAYING FOR MINISTRY TO THE MILITARY

MAY 2024

Praise

□ **Scott and Rebecca Crawford, NAS Jacksonville, FL**

In the past several months, we have watched the Lord radically transform and spiritually mature a number of the Sailors in our community above and beyond what we could have imagined, and there is no doubt this is due to your prayers! Thank you!

□ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

We praise God for providing more volunteers to help with our children's ministry. We typically have 40–50 children in attendance each week. We also praise Him for consistent helpers who make dinner for the 100 people who gather on Thursday ministry nights. We are blessed!

WEEK OF APRIL 28

□ **Lou and Cathy Rozmiarek, Headquarters, CO**

Join us in congratulating Jason and Laura Paxton (Cadence Adult Ministry) and Micah Will (Cadence Student Ministry) on their appointment as Alpha missionaries on April 10. Please pray for them as they begin this faith journey of MPD (Ministry Partnership Development).

□ **Scott and Rebecca Crawford, NAS Jacksonville, FL**

Please pray for our recently deployed Sailors. Pray for their safety, that they will encounter and experience the Lord in deeper ways as they watch Him move in the lives around them, and that the Lord will protect and increase the good work He has begun in them.

□ **Laurel Givry, Fort Jackson, SC**

Please pray for our MomCo (formerly MOPS) group. It is proving difficult for us to continue meeting at Fort Jackson. Pray that God will provide a way for us to continue on base or provide a local church with a vision for caring for military families who will be willing to host our group.

□ **Char Hauser, MCBH, HI**

The Lord has laid it on my heart to create an encouragement tool to give to the many wives who are PCS-ing (moving) this summer. I want to offer them something they can turn to during the challenges they will experience as they move to yet another duty station

and have to start all over again. Pray that I will have a good understanding of their emotional and spiritual needs during these transitions as well as the creativity to craft something helpful.

WEEK OF MAY 5

□ **Danny and Kathryn Perez, Eastern USA Field Leaders, NC**

Pray for the Fort Liberty Hospitality House as it faces a transition between directors. Pray for God to supply interim coverage until the next directors arrive. Pray for rest and recovery time for the Cover family as they begin their Home Assignment.

□ **Joe and Caitlin Fletcher, NAS Oceana, VA**

After a few weeks of on-and-off studies due to conferences and Easter, our group is getting back into a regular groove of Bible Study and community. Please pray for a good rhythm, wisdom and clarity for Joe as he teaches through the book of Jonah, and for lives to be saved and grown in Jesus.

□ **Wes and Elaine Aldridge, RAF Lakenheath, England**

As we prepare to move back to the U.S. in June, we praise God for the time we have been privileged to spend with an amazing group of (mostly) single Airmen. Pray for these guys and gals as they transition to finding and attending other weekly Bible studies and strive to maintain healthy community after we have left. Also, please pray for us as we begin preparations for our move.

WEEK OF MAY 12

☐ Matt and Tina Huisjen, U.S. Army Garrison Bavaria, Germany

Praise God for the many new Soldiers who have begun attending our ministry nights the last couple of months. It has been difficult to keep track of them all! Pray for wisdom to know how to speak into their brokenness with truth and love. Pray also for diligence in raising the financial support we badly need.

☐ Laurel Givry, Fort Jackson, SC

I have been asked by the incoming MomCo coordinator to disciple ladies in our group and be a bridge between our group and Fort Jackson's Protestant Women of the Chapel (PWOC). Please pray with me that God will lead me in knowing the ways to do this. Please also continue to pray that God will raise up ladies to serve on the leadership team.

☐ Wes and Elaine Auldridge, RAF Lakenheath, England

Please pray specifically for J, whom we have walked alongside for years now and has grown spiritually. J is facing a significant battle with sin and self-destruction.

☐ Paul and Sandra Bradley, Headquarters, ID

In April, Brian Kleager and I traveled to Ukraine and met with many Soldiers. We shared the love of Jesus with them and gave them both a practical and spiritual understanding of trauma and its impact. Please pray that the Holy Spirit will continue the work He began when we were with them.

WEEK OF MAY 19

☐ Danny and Kathryn Perez, Eastern USA Field Leaders, NC

Several of our ministries are struggling to find childcare providers for ministry nights. Would you ask Jesus for this provision? Many staff members are fighting physical ailments, while others are very aware of Satanic opposition. Pray for their strengthening and protection. Also, pray for the Marine facing legal action, that he will trust Jesus with the outcome and that God's will be done. Pray for the matter to be resolved in court on May 20.

☐ Lou and Cathy Rozmiarek, Headquarters, CO

We head to Europe on May 21 to participate in the European Staff Conference. Please pray for safe travels, good connections with staff, and fruitful MPD appointments.

☐ Matt and Tina Huisjen, U.S. Army Garrison Bavaria, Germany

Pray that God will use the weekend retreat from May 24–27 in Salzburg, Austria, to deepen godly friendships and help our young people understand the priority God deserves in all our lives.

WEEK OF MAY 26

☐ Jill and Joe Vincent, Spangdahlem Air Base, Germany

Pray for those in our ministry who are transitioning to new locations and those who will be moving here, that the Lord will bring people to the hospitality house.

☐ Tim and Rebecca Hawkins, Europe Field Leaders, Germany

The Europe field will gather in Poland for our staff conference from May 27–31. Pray for a meaningful time of connection with one another.

☐ Peter and Tanya Kinney, Ellsworth AFB, SD

We appreciate your prayers on Thursday evenings for our main ministry nights at the hospitality house. In classic Cadence style, we offer dinner and a Bible study. Our average attendance is 25 Airmen under the age of 25, plus a few others. Pray for their spiritual growth: "Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God's love and keep you strong." Ephesians 3:17 (NLT).
