PRAYING FOR MINISTRY TO THE MILITARY

JUNE 2024

WEEK OF JUNE 2

□ **Jill and Joe Vincent, Spangdahlem Air Base, Germany**

Pray for Joslynn and Lydia, our two new Interns, who are here through July 22 to work in our children's ministry. Approximately 45 to 55 children attend weekly to learn about Jesus. Also, pray as we plan for our home assignment in the fall from October to December. Pray as Joe performs the wedding ceremony for our nephew and his fiancé on June 8.

□ **Peter and Tanya Kinney, Ellsworth Air Force Base, SD**

We arrived in South Dakota three years ago to begin hospitality house ministry. Starting this month, we are taking a three-month home assignment to catch up with supporters, visit several churches, rest, and spend time with family. We appreciate your prayers for a fruitful and restful time, which will enable us to stay physically and spiritually healthy so we can remain in ministry long-term. Also, pray for the Kohls as they step into an interim role as directors while we are away.

□ **Chris and Melissa Stephenson, U.S. Army Garrison Wiesbaden, Germany**

Please pray for our community while we are stateside for three weeks in June. They will be meeting together in small Bible study groups. Pray they will grow in their connections with one another and, more importantly, grow in faith.

□ **Danny and Kathryn Perez, Eastern Field Leaders, NC**

We will represent Cadence at the Presbyterian Reformed Chaplains Conference on June 8–11. Pray we will encourage and build up these chaplains and help them to understand how Cadence can extend their ministry. Pray for military families who are moving this summer to find Christ-honoring chapels and churches where they can fellowship and serve.

WEEK OF JUNE 9

□ **Laurel Givry, Fort Jackson, SC**

In ministering to military spouses, I partner with The MomCo (formerly MOPS International) and have led the group here for the last two years. We have recently encountered roadblocks in our desire to partner with the military. Please pray that the decision-makers will work with MomCo and find a way for all the military groups worldwide to continue meeting on their bases.

□ **Angie and Duncan Sprague, Alumni and Friends, CO**

Thank you for your continued prayers and words of encouragement as we journey in the Cadence RV along the East Coast, visiting Cadence Alumni and Friends. Though our trip has had highs (meeting with incredible people) and lows (extensive car trouble), we are pressing on and trusting the Lord for his leading and provision. Proverbs 3:5–6 has become real to us: "Trust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths" (Proverbs 3:5–6, ESV). This trip will take us back to Colorado on June 20, 2024. If you know of Cadence Alumni along the East Coast, please reach out and help us connect with them.

□ **Nate and Louise Johnson, WestPac Field Leaders, CO**

Please pray for our family as we celebrate the wedding of Ellie (our oldest) and Jeremy (an Airman from our time at Travis Air Force Base). Pray for them as they begin their new life together and settle into their new community at Seymour Johnson Air Force Base.

□ **David and Joyce Schroeder, Headquarters, CO**

Cadence has several ministry locations that will need new leadership soon. Ask the Lord of the harvest to send more workers into this ministry field.

WEEK OF JUNE 16

□ Rick and Paula Scott, Hill City Hospitality House, VA

Pray for two of our military families who have completed their “Green to Gold” program for the Army, which is an opportunity for enlisted Soldiers to be commissioned as officers. One of the couples will be reporting to Fort Cavazos in Texas, and the other couple will attend flight school at Fort Novosel in Alabama.

□ Julie Converse, Fort Wainwright, AK

Thank you all for your continued prayers for Cadence. We love the military folks we serve! A big prayer request is for more people to join us in reaching military personnel for Jesus. Cadence’s Mobilization Team is finding new ways to make this need known. In the June issue of World magazine, look for our one-page invitation to join Cadence by serving the U.S. military community through various types of ministries. One of these ways is by loving on the 1.6 million children of military families around the world in our children’s or youth ministries. Please pray for workers for this harvest.

□ Greg and Heidi Carlson, Naval Base Kitsap, WA

Pray for me (Greg) and five men who are reading through the Old Testament together on Sunday mornings. Our goal is to reach the Psalms by July. Pray we will be disciplined in our daily reading, for rich shared experiences as men, that we will experience God in new ways, and develop a love for His story from the beginning to the end.

□ Char Hauser, MCBH, HI

It’s summer! Please pray for our military wives’ summer Bible study and for discernment in choosing new EWOC Hospitality and Childcare Coordinators for our 2024–25 year.

JUNE 23

□ Deric and Rebecca Sneller, Kaiserslautern Military Community, Germany

We rejoice and thank God for providing the necessary funds to complete the construction of an enclosed glass patio, which allows for more eating and meeting space, regardless of weather. Summer is typically a season of moving and travel for the military community. We are experimenting with our ministry schedule to allow more space for personal connection and shared ministry opportunities. Pray that our community, which is still in its first year, will be sustained through this transition and warmly welcome those arriving in the area.

□ Laurel Givry, Fort Jackson, SC

Please pray for rest this summer as I step down from leading our MomCo group. I have handed off the baton to a good friend. I will transition to training and discipling our leadership team this next year. Pray the Lord will give me renewed ministry vision and energy and for women to step up and be on the leadership team.

□ Danny and Kathryn Perez, Eastern Field Leaders, NC

Please pray for creative coverage for the Fort Liberty Hospitality House ministry between June and sometime this fall. Would you ask God to assemble a team of people to care for the property, keep the hospitality house open, and conduct ministry? Pray for Shawna and Jeremy Quattlebaum, who need additional support in order to assume the role of directors of this ministry.

□ Greg and Heidi Carlson, Naval Base Kitsap, WA

Pray for Submariners. Pray for those on board who walk with Christ to find opportunities to gather together with other believers for encouragement. Life on board a submarine is extremely challenging.

JUNE 30

☐ **Katie Lambert, Headquarters, CO**

Please pray as we are close to launching two yearlong Interns to Germany and Arizona. Pray for people to come alongside them and support them through prayer and financial gifts.

☐ **John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI**

Please pray for the servicemembers and their families who are moving this summer and have to re-settle (e.g., find a home, receive and store their belongings, find a church, build relationships, and help the children adjust). Please pray God will fill the vacuum in our chapels and hospitality houses as those in our ministries move.

☐ **David and Joyce Schroeder, Headquarters, CO**

Please pray for the children of Cadence staff—those living overseas, those who regularly share their homes with military families, those who are grown and wandering from the Lord, and those who have not yet put their faith in Jesus. Cadence Kids are TCKs (third-culture kids) with unique needs and strengths, and we love them.

Praise

☐ **Nate and Louise Johnson, WestPac Field Leaders, CO**

Praise God for a great season of visits to the ministries of the WestPac field this spring. It was such a privilege to see our staff at work. They are doing a great job sharing the gospel and their lives with those they serve.

☐ **Duncan and Angie Sprague, Alumni and Friends, CO**

We continue to be humbled and blessed by our meetings with Cadence Alumni on this journey. We rejoice in the details of how God is connecting us with Alumni through unexpected ways.

☐ **Katie Lambert, Headquarters, CO**

Praise God that all five summer Interns developed a ministry and support team around them and have arrived at their ministry locations in Germany and Japan. Praise God for the five SkillBridge Interns we have hosted this year. They are all amazing individuals who are serving military people by sharing the gospel and their lives alongside our full-time Cadence staff. I am so thankful for each one of them.

Cadence International

Celebrating 70 Years

“The Centers provide an atmosphere that is friendly to the moral and spiritual qualities which we desire to develop in the Christian life . . . to help equip them to be able to draw upon the resources of God.”

—Dick Patty (in the 1950s, p. 24 *Courage and Faith*)

Over the past 70 years, OCSC/Cadence International staff have been honored to continue the legacy of providing hospitality that is *friendly and equipping*, encouraging military people to grow in spiritual maturity and *draw upon the resources of God*.

Celebrate our 70th birthday by giving a \$70 donation to The '54 Fund at Cadence.org/The54Fund
