PRAYING FOR MINISTRY TO THE MILITARY

JULY 2024

WEEK OF JUNE 30

☐ **Beth Mabry, Yokota Air Base, Japan**

We've got two summer Interns serving the Yokota community this summer, and they're doing great! Please pray for endurance and wisdom as they dive in with students and that the Lord will continue to work in and through them in powerful ways.

☐ **Katie Lambert, Headquarters, CO**

Be praying for our two 6–12-month Interns heading out to do ministry. Isaac will fly out on July 15 to the Graf House in Germany to work with Cadence Student Ministries alongside the Bradfords, who work with adults. Danielle will drive across the U.S. to Luke Air Force Base in Arizona later this summer to serve with the Sperrys in adult ministry. Please pray for their financial needs to be met and for meaningful time with their families before they head out to the field.

☐ **John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI**

Pay for God to bring those He desires to our ministry as others depart for a new assignment or separate from the military. Pray that those who come will not just learn about Jesus but grow into Christlikeness (gracious, humble, compassionate, gentle, and expressing loving kindness). Also, pray that God will bring people with a heart and ability to evangelize and disciple children.

WEEK OF JULY 7

☐ **Peter and Tanya Kinney, Ellsworth Air Force Base, SD**

We are on home assignment this month and will visit a few churches. Please pray for good connections to be made. Also, pray for rest and sweet times with family. The Kohls, interim House Directors in our absence, are hosting Airmen and teaching “Lessons learned from the life of Saul.”

☐ **Julie Converse, Fort Wainwright, AK**

We cannot thank you enough for your prayers for the mission, our staff, individual ministries, and the military we love and serve. Prayer is the work. Please thank God for the privilege and honor He has given us of joining with Him in the work He is doing worldwide. Continue to pray for our two new appointees, Jason and Laura, as they build their partnership teams and prepare for their field assignments.

☐ **David and Jennie Osborne, Marine Corps Base Quantico, VA**

Pray for R, who is struggling in his spiritual walk and commitment to being fully devoted to Jesus. The Lord is convicting him, and we are honored to support him during this time. Another man in our ministry, J, recently stated that “church is not my thing.” We are praying for guidance on how to respond. We have a great relationship with him and hope to see him grow in his relationship with the Lord.

WEEK OF JULY 14

□ Katie Lambert, Headquarters, CO

Our Summer Internship Debrief is July 22–25. Be praying as all our summer Interns finish their time on the field and fly to Denver for a few days. Pray for great conversations and processing of all the Lord has done during the past ten weeks!

□ David and Jennie Osborne, Marine Corps Base Quantico, VA

Pray for N, a new believer in Jesus who has the gift of evangelism and shares Jesus with everyone he meets. After accepting the Lord, the Holy Spirit convicted him to confess past sins, which could impact his ability to continue serving in the Marines. N is fully open to God's plan for him.

WEEK OF JULY 21

□ Bob and Glenda Ball, Victory Ranch, SC

Pray for health and stamina for both of us as we desire to help with many new ministry opportunities at the ranch and possibly other places. We each have unique health challenges.

□ Deric and Rebecca Sneller, Kaiserslautern Military Community, Germany

Instead of our regular gatherings, we will host a summer book club from July 12–August 23. We will be reading *The Simplest Way to Change the World: Biblical Hospitality as a Way of Life* and discussing it on July 26 and August 23. Our pause in regular programming will allow space for our community to practice hospitality themselves. Pray that this will be a meaningful experience for our fledging community and those they minister to. Pray that people moving here this summer will be welcomed well and cared for as our community looks outward.

WEEK OF JULY 28

□ Ralph and Betty Camp, Ambassadors, NV

We are planning to sell our house in Reno in the late summer or early fall and will move to an independent retirement community in Wilsonville, Oregon, to be near our grandson, Drew, and his family. We will be two freeway exits away from them. Please pray for wisdom and a good sale price for our house. We have much sorting, selling, and giving away to do. It will be difficult to leave our church family here.

□ Julie Converse, Fort Wainwright, AK

The Mobilization Team has been reaching out in new ways to inform schools, churches, and individuals of the need for more workers to join Cadence. Please pray for hearts to be stirred and touched with the needs of our military folks and for people to answer God's call to join Cadence in meeting those needs. Maybe it is your heart God will nudge to join Cadence and love these precious military families for Jesus!

□ Katie Lambert, Headquarters, CO

Cadence has had eight SkillBridge Interns over the past year. These Interns are service members who are either separating or retiring from the military and are using their final 180 days to intern with Cadence. Be praying for them as they transition from the military to the civilian world. Many are moving (some internationally) or experiencing significant life events (some are getting married or starting school). Also, pray for our Cadence Staff as we invest in them and for the Interns to have discernment whether the Lord is calling them into ministry.

Praise

□ David and Jennie Osborne, Marine Corps Base Quantico, VA

The Lord opened a door for us to brief the Marines going through training at MCESG (Marine Corps Embassy Security Guard) and build connections with them. That has been a blessing.

□ John and Marcie Good, Joint Base Pearl Harbor-Hickam, HI

People come when we pray! God brought our son here in October from Hollywood to help us with meals and clean-up. We expect him to depart for school in August.
