PRAYING FOR MINISTRY TO THE MILITARY

AUGUST 2024

WEEK OF AUGUST 4

☐ Nate and Louise Johnson, WestPac Field Leaders, CO

Please pray for the WestPac men as we gather for our men's retreat. Pray that we will be encouraged by the Scriptures and one another and come away from our time with a fresh vision to share the gospel and our lives with those we serve.

☐ Duncan and Angie Sprague, Alumni and Friends, CO

We had a wonderful time on the road visiting Cadence Alumni and Friends. We feel sad that it's ended and are so grateful for all God did in those four months. As we met with hundreds of our Alumni, we listened to them share many heartaches and were reminded that none of us are alone on our journeys, and God is faithful. Since our return, we've had several things break around the house and are learning to lean into gratitude. Let's all continue to press on and pray together that we will trust God, who is in control of all things.

☐ Carolyn Stevens, Headquarters, CO

In July, my son-in-law and approximately 150 of his Soldiers from Fort Carson, Colorado, deployed to an undisclosed location in the Middle East. Please pray for all the Soldiers and their families during this time.

☐ Laurel Givry, Fort Jackson, SC

I have begun discipling a few young mothers who want to grow in their relationships with Jesus and teach their children how to grow, too. Pray for these women to retain their current excitement and commitment and for wisdom for me as I lead them. Also pray for the salvation of both women's husbands.

WEEK OF AUGUST 11

☐ Char Hauser, MCBH, HI

August 13 is the kick-off for the new Women's Bible Study on base. Pray that God will provide two additional childcare workers and bring many new wives who have just arrived at MCBH. I am so excited to see what He will do this year as we focus on our theme, "Live the God Life."

☐ Danny and Kathryn Perez, Eastern Field Leaders, NC

The Marine we have been asking prayer for in previous Lifelines is our son, Maxton. He will hear the court's decision on August 19. We can see God moving in his life. Would you pray that he would submit himself to the Lord and remain humble as the USMC decides how his actions impact his career path? Bless you for coming alongside us as we seek the Lord on his behalf.

☐ Katie Lambert, Headquarters, CO

Intern Isaac Gomes arrived at the Graf House in Germany on July 16, where he will serve for nine months in Student Ministry. Please pray for him as he settles in and begins to engage with students whose parents are in the military.

☐ Jason and Teri Rose, USAG Rheinland-Pfalz (Baumholder), Germany

Jason retired from the military on August 1 at Sigonella Naval Station in Italy. We just arrived in Baumholder, Germany, where we will serve at the hospitality house. Pray for us as we settle in and begin ministry.

WEEK OF AUGUST 18

□ Jeff and Candace Walton, USAG Humphreys, Korea

Life overseas, especially for Soldiers stationed without their families, can put a big strain on relationships, and we see it firsthand in the many people we know who are recently divorced or facing divorce. The challenges of physical separation between spouses, loneliness, and the time difference all contribute to the temptation to be unfaithful. Pray that marriages will grow and flourish and for opportunities to speak wisdom into the lives of those who are struggling.

□ Laurel Givry, Fort Jackson, SC

Our MomCo team (formerly MOPS) has encountered roadblocks in our desire to partner with the military here at Fort Jackson. Pray for favor with the military decision-makers. In the meantime, we are pursuing a potential partnership with a local church. We trust God will work His will in this matter and provide a place for us to meet regularly by the beginning of September.

□ Ken and Judi Wooten, Ambassadors, TX

Pray for Judi's dad, age 93, who is in hospice. Pray for him to be aware of God's presence with him.

WEEK OF AUGUST 25

□ Danny and Kathryn Perez, Eastern Field Leaders, NC

Pray for several married couples who are struggling tremendously. Ask God to give us wisdom as we speak into these situations. Pray also for an active-duty couple at Fort Liberty who are seriously considering marriage but still need to decide whether they should proceed. Be in prayer for Shawna and Jeremy Quattlebaum, future Directors of the Liberty House, as they seek prayer and financial partners who will catch their vision for ministry.

□ Katie Lambert, Headquarters, CO

Summer 2025 Internship applications will go live on September 1. We know and believe God is preparing the hearts of next summer's Interns. Pray for them as they hear about Cadence and take steps forward in faith.

□ Chris and Melissa Stephenson, USAG Wiesbaden, Germany

Please pray for our community as we attend a Europe-wide Cadence retreat over the Labor Day weekend, August 30–September 2. The focus is on covenantal relationships, and we are hoping for real growth for those who attend.

Praise

□ Duncan and Angie Sprague, Alumni and Friends, CO

Rejoice with us that we were able to complete our four-month Alumni tour and visit with hundreds of our Alumni and Friends! It was a privilege to hear stories of God's faithfulness and the ripple of impact that continues as we all "share the gospel and our lives." (1 Thessalonians 2:8). Visit Cadence.org/Alumni to learn more about the Cadence Alumni ministry.

□ Danny and Kathryn Perez, Eastern Field Leaders, CO

We praise Jesus that Bob and Glenda Ball came to minister at The Liberty House near Fort Liberty. We are grateful for their service!

□ Katie Lambert, Headquarters, CO

Our Summer Intern Debrief took place on July 23–25. It was a time of processing and celebrating all God did during their internships. Thank you for praying for them as the Lord worked in and through them at Yokota Air Base in Japan (Student Ministry), Camp Hansen in Japan (Adult Ministry), and Spangdahlem Air Base in Germany (Children's Ministry).

□ Jason and Teri Rose, USAG Rheinland-Pfalz (Baumholder), Germany

Praise God for Teri's recent eye surgery, which had a miraculous outcome. Having been a research patient at the Mayo Clinic for 14 years, the doctors felt the time had come to perform surgery. The surgeon indicated that although it was the most difficult surgery he's performed, the outcome was the most successful he's seen. We are so grateful God is restoring Teri's vision!
